

## Notice on New and Improved DBS Mobile Banking CN APP Launched

Dec 4th 2022

Dear Valued Customers,

We are pleased to inform you that "DBS digibank CN" App is launched.

You can upgrade your existing mobile banking app to the latest version or scan following QR code to DBS official website to download "DBS digibank CN" App. You are able to continuously use your existing ibanking login credentials to login to or sign up (if required) the latest app.

Please note that with the launch of our new mobile banking app, our internet banking service is discontinued. Please contact our hotline 4008208988 or your relationship manager if you have any queries or require further assistance.

Yours sincerely,

DBS Bank (China) Limited
