It is your duty to ascertain whether any such legal or regulatory restrictions exist, and we are not liable for any losses, damages, costs or expenses arising out of your inability to access or use such EB Services or any contravention of such legal or regulatory requirements. We may take steps to prevent such EB Services from being accessed or used in any jurisdiction as we may determine from time to time.

5. ELECTRONIC INSTRUCTIONS

Authorised Users. You must ensure that only Users with proper and valid authority (within any limits set by you on the relevant Users) send or transmit or authorise the sending or transmission of Electronic Instructions to us via the EB Services.

Receipt of Electronic Instructions. We are not deemed to have properly received any Electronic Instruction transmitted by you via the EB Services until such Electronic Instruction is received by our System hosting the EB Services. Any Electronic Instruction received by us after the relevant cut-off time on a business day (as notified to you from time to time) or on a non-business day will be treated as an Electronic Instruction received on the next business day.

Presumption of Authenticity. You authorise us to treat all Electronic Instructions received as instructions or other communications properly authorised by you and binding upon you, even if made fraudulently and even if they conflict with the terms of any other instructions given by you.

Processing of Electronic Instructions. You agree and acknowledge that your Electronic Instructions may not be processed immediately, around the clock or in a timely manner but the processing is dependent, among other things, on the time and day that such Electronic Instructions are received by us, or the business hours of any exchange, fund manager or any other party processing your Electronic Instructions.

Roles and Responsibilities. You agree and acknowledge that:

- (a) the processing of Electronic Instructions or Transactions is subject to our prevailing standard procedures, service standards and pricing schedules;
- (b) we are appointed by you and not by any other party;
- (c) you are responsible for the accuracy and completeness of Electronic Instructions; and

Adequacy of Security Procedures. You acknowledge and agree that the EB Services provide commercially reasonable security procedures to:

- (a) verify that Electronic Instructions originate from you or your Users;
- (b) verify that Electronic Instructions are not changed during transmission to us via the EB Services; and
- (c) indicate your or your Users' intention in respect of the information set out in the Electronic Instructions.

and that such security procedures are as reliable as appropriate for the purpose for which the Electronic Instructions are generated or communicated.

Non-processing of Electronic Instructions. We may not process an Electronic Instruction (or may not process such Electronic Instruction in a timely manner) if we have reason to suspect that there is any error, fraud or forgery, or if we are of the view that it is inaccurate or incomplete. To the maximum extent permissible under applicable law, we will not be liable for any losses, damages, costs or expenses (whether arising directly or indirectly) which you may suffer or incur because of us exercising our rights under this Clause or acting upon or relying on such erroneous, fraudulent, forged, incomplete or inaccurate Electronic Instructions. Notwithstanding the foregoing, we are not required to investigate the authenticity or authority of persons (whether Users or otherwise) effecting the Electronic Instructions or to verify the accuracy and completeness of the Electronic Instructions.

Request for Additional Information. We may at our discretion and without giving any reason:

- (a) require you and/or your Users to provide alternative proof of identity;
- (b) require any Electronic Instructions to be confirmed through alternative means;
- (c) decline to act or refrain from acting promptly upon any Electronic Instructions (e.g. where we need to verify the accuracy or authenticity of the Electronic Instructions); and/or
- (d) determine the order of priority in effecting any Electronic Instructions, the Transactions and other existing arrangements you have made with us.

Meaning of "Processed". For the purpose of this Clause, an Electronic Instruction shall have been "**processed**" when we have commenced carrying out the Electronic Instruction or are no longer reasonably able to cancel or revoke the Transaction without causing prejudice to us, as we may determine.

Confirmation upon Processing of Electronic Instructions. Unless you receive either a confirmation of receipt or an official transaction or deal number from us, Electronic Instructions sent through the EB Services may not have been received by us and accordingly, may not be carried out or processed.

Correction of Account. If any payment has been made by us pursuant to your Electronic Instructions, we shall be entitled, at any time, to:

- (a) debit the Account (where applicable) with the amount paid by us; and/or
- (b) dishonour or return cheques or other instruments and/or reverse any other payment instruction from you if there are insufficient funds available in the Account.

Grant of Credit. If the Account has insufficient available funds to meet any request for payment of monies or to satisfy any liability, we may (but are not bound to) grant you credit to meet such payment or liability. You undertake to pay interest and charges at such rates or amounts we may notify to you from time to time.

6. SECURITY

Compliance with Security Requirements. You must comply with all requirements, instructions and specifications relating to Security Mechanisms and/or Security Codes prescribed by us from time to time. We may from time to time require the replacement, modification or updating of any Security Mechanism and/or Security Code, or terminate, disable or deactivate the use of any Security Mechanism and/or Security Code.

Dispatch of Security Mechanisms and/or Security Codes. The Security Mechanisms and/or Security Codes may be dispatched by us or collected by you or made available to you and/or your Users using any means as we may prescribe from time to time. While we will take measures to ensure that such means of dispatch or delivery is reasonably reliable, we will not be responsible for any loss, damage, cost or expense howsoever arising from any failure to dispatch, deliver or make available such Security Mechanisms and/or Security Codes.

Authority of Users. You acknowledge and agree that your Users are severally and/or jointly (as the case may be) authorised to give Electronic Instructions on your behalf, even if such Electronic Instructions conflict with other orders or instructions given by you at any time, including other orders or instructions relating to the operation of your Accounts (where applicable). Your Users shall act as your agent when accessing and/or using the EB Services.

Revocation of Authority. You must ensure that each of your Users is aware of, and complies with, these EB Services Terms and Conditions. If any User is no longer authorised to access and/or use the EB Services, you must ensure that the appointment of such User is revoked by way of a Transaction performed by your administrator, or that we are otherwise notified immediately.

Presumption of Authority. Unless we have received written notice from you under Clauses 0 or 0, we may rely and act on the correct entry of the Security Code(s) as conclusive evidence of the authenticity of an Electronic Instruction and authority of the originator of such Electronic Instruction. You are responsible and liable for all Transactions entered into or purported to be entered into on your behalf.

Responsibility for Use of Security Mechanisms and/or Security Codes. You are responsible for the use of any Security Mechanism and/or Security Code issued or made available to you and/or your Users. You will use your best endeavours to ensure that there is no unauthorised use of any Security Mechanism, Security Code or the EB Services. The Security Mechanism is to be used solely by you and/or your Users, and must not be transferred or pledged as security in any way. You must ensure that the Security Code is kept secret and, to the extent that the Security Code is static, you must (a) destroy the written notice from us informing you of the Security Code; (b) not write down or otherwise record the Security Code without disguising it; and (c) change the Security Code regularly.

Responsibility for security of Security Mechanisms and/or Security Codes. You are responsible for the security of the Security Mechanisms and/or Security Codes, including without limitation any Mobile Device which contains the Security Mechanisms and/or Security Codes. You will ensure that the Security Mechanisms will be used on a Mobile Device that you and/or your User own or control and shall ensure that any Mobile Device is and will at all times be free from any virus, malicious, destructive or corrupting code, agent, programme or macros.

Restrictions on use of Security Mechanisms. All rights, title and interest in the Security Mechanisms belong to us or a third party vendor and subject to the terms of the licence pertaining to the Security Mechanisms, you undertake:

- (a) save to the maximum extent permitted under applicable law, not make copies of, distribute, modify or reverse engineer the Security Mechanisms;
- (b) to use the Security Mechanisms solely for the purpose of accessing and using the EB Services in accordance with any licence, user guide or other documentation provided with the Security Mechanisms;
- (c) not to do or omit to do any act which would cause us to be in breach of our obligations to the third party vendor.

No Tampering or Modification. You must not change, tamper or modify any part of our System or the Security Mechanism without our prior written consent and you are responsible for all costs or expenses incurred by us in rectifying the System and/or the Security Mechanism because of such unauthorised change, tampering or modification.

Limitations. Any Security Mechanism is provided "as is" and no warranty is given on the Security Mechanism, including without limitation its reliability, functionality or availability. To the maximum extent permitted under applicable law, all representations, warranties, conditions and other terms implied by statute, common law or otherwise in respect of the Security Mechanism are excluded from these EB Services Terms and Conditions (including, without limitation, the implied conditions, warranties or terms as to satisfactory quality, fitness for purpose or the use of reasonable skill and care).

You will immediately notify our Designated Contact in writing if you reasonably believe that any Security Mechanism is lost, damaged, corrupted, compromised or if there has been any unauthorised disclosure or use of any Security Mechanism and/or Security Codes. Our Designated Contact will provide an acknowledgement confirming receipt of such notice as soon as reasonably practicable. We are not deemed to have received such notice unless our Designated Contact has acknowledged receipt in writing, whether via email or otherwise.

Actions Upon Receipt of Notice. Once we receive any notice given under Clause 0, we will:

- (a) as soon as reasonably practicable suspend or terminate the compromised Security Mechanism and/or Security Codes; and
- (b) use reasonable endeavours to stop the processing of outstanding Electronic Instructions originating from the compromised Security Mechanism and/or Security Codes.

Without prejudice to the generality of Clause 0, you will be bound by all Transactions arising from Electronic Instructions which we relied upon before such suspension or termination, or the processing of which we were unable to stop.

10.2 Scope of Bank Services and conditions for use

- (a) We provide the Bank Services to customers to facilitate payment and funds transfer using the Faster Payment System and the Addressing Service, eDDA Service and any other services and facilities provided by HKICL in connection with the Faster Payment System from time to time. We have the right to set or vary from time to time the scope of the Bank Services and the conditions and procedures for using the Bank Services. In order to use the Bank Services, you have to accept and follow these conditions and procedures.
- (b) We may provide the Bank Services to facilitate payment and funds transfer in any currency specified by us from time to time, including Hong Kong dollars and Renminbi.
- (c) In order to enable us to handle an instruction for you in relation to payment or funds transfer using HKICL FPS, you have to provide or input the necessary information and complete the process by such means or in such manner prescribed by us from time to time.
- (d) All payment or funds transfer transactions using HKICL FPS will be processed, cleared and settled under the interbank clearing and settlement arrangements including without limitation the arrangements in relation to the Faster Payment System agreed by the Participants and HKICL from time to time.
- (e) With respect to the Bank Services, Clause 13 of Part A of these EB Services Terms and Conditions shall not apply and this sub-Clause (e) shall prevail. We reserve the right to suspend or terminate the Bank Services in whole or in part at any time without giving notice or reason. Where your relevant account is closed or suspended, any services under this Clause will automatically be terminated.

10.3 Addressing Service - registration and amendment of Proxy ID and related records

- (a) In order to use the Addressing Service to receive payment or funds transfer using HKICL FPS, you have to register your Proxy ID in the HKICL FPS. We have discretion as to whether to offer the FPS Identifier as Proxy ID to you.
- (b) Registration and amendment of Proxy ID and related records in the HKICL FPS must be done in accordance with the applicable rules, guidelines and procedures imposed by HKICL from time to time. In order to enable us to register or amend Proxy ID or any related records for you, you have to provide or input the necessary information and complete the registration process by such means or in such manner prescribed by us from time to time.
- (c) At any time where the same Proxy ID is registered by you for more than one account (whether maintained with us or with any other Participant), you must set one account as the Default Account. By instructing us to set or change the Default Account for you, you consent and authorise us to submit the request on your behalf to HKICL FPS to override the existing Default Account registered in HKICL FPS.

10.4 eDDA Service

In order to enable us to handle a request for you in relation to eDDA setup, you have to provide or input the necessary information and complete the process by such means or in such manner prescribed by us from time to time. The prescribed process may include requiring the relevant parties to set up the eDDA using their respective account numbers or customer identification numbers or codes. For the avoidance of doubt, a Proxy ID is not intended for verifying eDDA setup. Any amendment of a Proxy ID and the related records or termination of a Proxy ID after an eDDA setup will not affect that eDDA.

10.5 Your responsibility

(a) **Present genuine owner or authorised user of Proxy ID and accounts**

You can only register your own Proxy ID for your own accounts or set up eDDA for your own accounts. You must be the present genuine owner or authorised user of each Proxy ID and each account provided to us for registration in the Addressing Service and the eDDA Service. By instructing us to register any Proxy ID or any account for you in relation to the Faster Payment System, you confirm that you are the present genuine owner or authorised user of the relevant Proxy ID or account. This is particularly important for mobile phone numbers as they may be recycled in Hong Kong.

(b) **Proxy ID**

Any Proxy ID to be registered by you for the Addressing Service must satisfy any applicable requirements imposed by HKICL from time to time. For example, HKICL may require the mobile phone number or email address to be registered as Proxy ID to be the same number or address registered by you as contact information on our records at the relevant time. You understand and agree that we, other Participants and HKICL have the right and discretion without giving notice to deregister any Proxy ID that is not correct or up-to-date in accordance with available information without your consent.

(c) **Correct information**

- (i) You have to ensure that all the information provided by you for registration or amendment of Proxy ID (or any related records) or for any eDDA setup is correct, complete, up-to-date and not misleading. You have to notify us as soon as reasonably practicable of any changes or updates to such information by such means or in such manner specified by us from time to time.
- (ii) You are fully responsible for using the correct and up-to-date Proxy ID and related records in giving each payment or funds transfer instruction. You are solely liable for and will hold us harmless from any incorrect payment or transfer effected by us and HKICL FPS due to incorrect or outdated Proxy ID or related records.

(d) **Timely updates**

You are fully responsible for giving instructions and information changes or updates to us on a timely basis for amending your Proxy ID (or related records) or any eDDA setup, including without limitation changing your Default Account, or terminating any Proxy ID or eDDA. You acknowledge that keeping your Proxy ID, eDDA and all related records up-to-date is critical for ensuring effective execution of payment and funds transfer instructions and for avoiding incorrect payment or transfer due to incorrect or outdated Proxy ID, eDDA or related records.

(e) **Change of Default Account**

If an account is terminated as the Default Account by you or by the relevant Participant for any reason (including suspension or termination of the account), the system of HKICL will automatically assign the most recently registered record in the Addressing Service that is associated with the same Proxy ID to be the Default Account. If you wish to set another account as the Default Account, you have to change the registration through the Participant where you maintain that other account.

(f) **Transactions binding on you**

- (i) For any payment or funds transfer, once you confirm the details of a transaction and submit instruction to us, such instruction and any resulting transaction is final, irrevocable and binding on you.
- (ii) For any Proxy ID registration or eDDA setup, once you submit an instruction to us, such instruction is irrevocable and binding on you. You may amend or cancel any Proxy ID or eDDA setup in accordance with the procedures and requirements prescribed by us from time to time.

(g) **Use Bank Services responsibly**

You must use the Bank Services in a responsible manner. In particular, you have to comply with the following obligations:

- (i) You must comply with all Regulatory Requirements that govern your use of the Bank Services, including collecting, using and handling the personal data and other information relating to any other person in compliance with the

Regulatory Requirements protecting data privacy. You must not use the Bank Services for any unlawful purposes or any purposes other than those authorised or contemplated in the rules, guidelines and procedures of HKICL.

- (ii) In sending remarks or messages to be displayed to recipients or counterparties of your payment or funds transfer instructions or eDDA setup using HKICL FPS, you should mask the name or other data of such recipients or counterparties to prevent unauthorised display or disclosure of any personal data or confidential data.
- (iii) If we offer the FPS Identifier as Proxy ID to you, you should not repeatedly cancel the registration and request for generation of another FPS Identifier in an attempt to generate a number or value that you desire.

(h) **Other obligations regarding payments and funds transfers**

Any instruction given by you in relation to the Bank Services will be handled by us in accordance with this Clause and the applicable provisions in the rest these EB Services Terms and Conditions. You have to comply with the other obligations with respect to payments, funds transfers and direct debit authorisations, including without limitation maintaining sufficient funds in the relevant accounts for settling payment and funds transfer instructions from time to time.

(i) **You are responsible for your authorised persons**

Where you authorise any other person to give instructions or requests to us in connection with the use of the Bank Services (whether you are an individual, a company, a corporation, or a sole proprietorship or partnership firm or any other unincorporated body):

- (i) you are responsible for all the acts and omissions of each person authorised by you;
- (ii) any instruction or request received by us, believed by us in good faith to be given by you or any person authorised by you, will be irrevocable and binding on you; and
- (iii) you are also responsible for ensuring that each person authorised by you will comply with the provisions of this Clause that are applicable to him/her when acting on your behalf.

10.6 Our responsibility and restriction of liability

- (a) We will process and submit your instructions and requests to HKICL FPS in accordance with the applicable rules, guidelines and procedures imposed by HKICL from time to time. HKICL FPS has the right to process and execute your instructions and requests in such sequence or manner as HKICL considers appropriate. We have no control over the operation of HKICL FPS nor the timing on which your instructions or requests are executed by HKICL FPS. Where we receive status update notifications involving any of your Proxy ID (or related records) or eDDA setup or any other matter relating to HKICL FPS from or through HKICL FPS from time to time, we will notify you accordingly by such means and at such time as we consider appropriate.
- (b) Without reducing the effect of Clause 10.6(a) above or the rest of the provisions of these EB Services Terms and Conditions:
 - (i) we are not liable for loss, damage or expense of any kind which you or any other person may incur or suffer arising from or in connection with the use of the Bank Services or the processing or execution of instructions or requests given by you in relation to the Bank Services or HKICL FPS, except to the extent that any loss, damage or expense incurred or suffered is direct and reasonably foreseeable arising directly and solely from our negligence or wilful default or that of our officers, employees or agents;
 - (ii) for clarity, we are not liable for loss, damage or expense of any kind which you or any other person may incur or suffer arising from or in connection with one or more of the following:
 - (1) your failure to comply with your obligations relating to the Bank Services; and
 - (2) any delay, unavailability, disruption, failure, error of or caused by HKICL FPS, or arising from any circumstances beyond our reasonable control; and
 - (iii) in no event will we, our affiliates or group companies, our licensors, and our and their respective officers, employees and agents be liable to you or any other person for any loss of profit or any special, indirect, incidental, consequential or punitive loss or damages (whether or not they were foreseeable or likely to occur).
- (c) Your confirmation and indemnity
 - (i) Without reducing the effect of any indemnity given by you under these EB Services Terms and Conditions or any other rights or remedies that we may have, you will indemnify us and our officers, employees and agents and hold each of them harmless against all liabilities, claims, demands, losses, damages, costs, charges and expenses of any kind (including legal fees on a full indemnity basis and other expenses reasonably incurred) which may be incurred or suffered by us or any of them and all actions or proceedings which may be brought by or against us or any of them as a result of or in connection with our provision of the Bank Services or your use of the Bank Services.
 - (ii) The above indemnity does not apply to the extent that it is proved that any liabilities, claims, demands, losses, damages, costs, charges, expenses, actions or proceedings are direct and reasonably foreseeable arising directly and solely from our negligence or wilful default or that of our officers, employees or agents. The above indemnity shall continue to have effect after the termination of the Bank Services.

10.7 Collection and use of Customer Information

- (a) For the purposes of using the Bank Services, you may be required to provide us with the personal data and other information relating to one or more of the following persons from time to time:
 - (i) yourself;
