Any Notes offered to investors outside Singapore will be offered in compliance with the applicable laws and regulations of the jurisdiction in which such Notes are being offered. Notes will be issued on the terms set out in this Offering Circular and as specified in the Issue Document (as defined in this Offering Circular) applicable to each Series or Tranche (each as defined under the section on “Terms and Conditions of the Notes” in this Offering Circular) of Notes. The Issuer shall issue an Issue Document in connection with each issue of Notes. Please refer to the section on “Description of the Programme” in this Offering Circular for the description of what an Issue Document will comprise.

Application has been made to the Singapore Exchange Securities Trading Limited (the **SGX-ST**) for permission to deal in and for quotation of any Notes which are agreed at the time of issue thereof to be so listed on the SGX-ST. Such permission will be granted when such Notes have been admitted to the Official List of the SGX-ST. The SGX-ST assumes no responsibility for the correctness of any of the statements made or opinions expressed or reports contained in this Offering Circular and the applicable Issue Document in relation to Notes listed on the SGX-ST. Admission to the Official List of the SGX-ST and quotation of any Notes on the SGX-ST is not to be taken as an indication of the merits of the Issuer, its subsidiaries, its associated companies or such Notes. Any approval in-principle of the SGX-ST for the listing and quotation of any Series of Notes on the SGX-ST is subject to changes in the SGX-ST’s policies. Unlisted Notes may be issued pursuant to the Programme.

Investors should note that Notes which are sold or redeemed before their maturity date will be subject to unwinding or other transaction costs, and the amount received by investors from such sale or redemption may be lower than the initial amount of their investment.

The purchase of Notes involves certain risks. Prospective investors of any Notes to be issued under the Programme should ensure that they understand the nature of such Notes and should carefully study the matters set out in this Offering Circular (and in particular, the section on “Risk Factors” in this Offering Circular) and the contents of the applicable Issue Document before they invest in any Notes. In particular, the applicable Issue Document may contain additional risk factors which prospective investors should consider prior to making an investment decision with respect to any Notes.

This Offering Circular is not, and does not purport to be, investment advice. Investors should conduct such investigation and analysis regarding the Programme and any Notes to be issued under it as they deem appropriate. An investor should make an investment only after having determined that such investment is suitable for him in light of his circumstances, financial position and investment objectives. Investors should note that a reference to the principal amount payable on any Notes does not necessarily refer to the initial investment amount in such Notes. Investors should refer to Condition 4(g) (*Interpretation of principal*) of the Terms and Conditions of the Notes (as defined in this Offering Circular), read together with the applicable Issue Document, as to what the principal amount payable on the relevant Notes would be.

There will be no guarantee from any entity to the holders of any Notes (the **Noteholders**) that they will recover any amounts payable under the Notes. Unless otherwise specified in the applicable Issue Document, the Notes will be direct, unsecured and unsubordinated obligations of the Issuer and will rank *pari passu*, without any preference among themselves and (save for certain obligations required to be preferred by law) equally with all other unsecured obligations (other than subordinated obligations, if any) of the Issuer, from time to time outstanding. The Notes contain no covenants that prohibit the Issuer or its subsidiaries from entering into agreements which may incur additional indebtedness, or which may restrict its subsidiaries’ ability to pay dividends and distributions to the Issuer. The Notes also contain no covenants that prohibit the Issuer or its subsidiaries from creating or permitting to exist any mortgage, charge, pledge, lien or other encumbrance upon the whole or any part of its undertaking, assets or revenues to secure any loan or other indebtedness or obligation. The Notes are solely the Issuer’s obligations and do not constitute deposits with the Issuer. The Notes do not represent an interest in or obligations of, deposits with or other liabilities of and are not insured or guaranteed by any of, the Issuer’s affiliates or any other entity.

Purchases of any Series of Notes may be made directly from the Issuer or, if so specified in the applicable Issue Document, through the Distributor(s) (as defined in the section on “Summary of the Programme” in this Offering Circular). In order to invest in Notes, an investor must have, or open, an account in connection with his investment in the Notes with DBS Bank Ltd. or the relevant Distributor, where applicable (see the section on “Subscription Procedures” in this Offering Circular).

As at 31 July 2014, the Issuer’s long term senior debt and deposit rating is Aa1 by Moody’s Investors Service Limited (**Moody’s**), and long term debt ratings are AA- by Standard and Poor’s Ratings Services, a division of the McGraw-Hill Companies, Inc. (**Standard & Poor’s**) and AA- by Fitch, Inc (**Fitch**). The Programme is not rated. However, certain Notes issued under the Programme may be rated by certain debt rating agencies as further described in the section on “Summary of the Programme - Rating” in this Offering Circular and as specified in the applicable Issue Document. Where the Notes are rated, such rating will not necessarily be the same as the rating(s) assigned to the Issuer and/or the Programme. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, revision, downgrade or withdrawal at any time by the assigning rating agency.

This Offering Circular contains information with regard to the Issuer, the Programme and the Notes. The Issuer accepts responsibility for the information contained in this Offering Circular and confirms that to the best of the knowledge and belief of the Issuer, having taken all reasonable efforts to ensure that such is the case, the information contained in this Offering Circular as at the date of this Offering Circular is in accordance with the facts and does not omit anything material likely to affect the import of such information.

Any Notes offered under this Programme are offered solely on the basis of the information contained and representations made in this Offering Circular (including any supplement thereto or replacement thereof) and the applicable Issue Document (including any supplement thereto or replacement thereof). No person has been authorised to give any information or to make any representation other than that contained in or consistent with this Offering Circular or the applicable Issue Document (including, in each case, any supplement thereto or replacement thereof) in connection with the issue or sale of Notes and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer or the Arranger (as defined in this Offering Circular) nor shall the Issuer or the Arranger be responsible for any losses arising from any such information or representation. Neither the delivery of this Offering Circular, the applicable Issue Document nor any sale made in connection therewith shall, under any circumstances, create any implication that there has been no change in the affairs of the Issuer since the date hereof or the date of the applicable Issue Document or that there has been no adverse change in the financial position of the Issuer since the date hereof or the date of the applicable Issue Document or that any other information supplied in connection with the Notes is correct as of any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same. This Offering Circular will be reviewed and, where necessary, updated by any supplement thereto or replacement thereof, to ensure that such information is accurate and not misleading as at the time of offer of such Series of Notes.

The offer of any Notes will not be underwritten by any entity. There will be no guarantee from any entity to investors that they will recover their investment in and/or any amounts payable under any Notes. This Offering Circular and the applicable Issue Document are not, and do not purport, to be investment advice. Investors should conduct such investigation and analysis regarding the Issuer and any Notes as they deem appropriate to evaluate the merits and risks of any investment in any Notes. An investor should make an investment only after having determined that such investment is suitable for him in light of his circumstances, financial position and investment objectives.

*Neither this Offering Circular nor any other document or information (or any part thereof) delivered or supplied under or in relation to the Programme may be used for the purpose of, and does not constitute an offer of, or solicitation or invitation by or on behalf of the Issuer, the Arranger or any of the relevant Dealers to subscribe for or purchase, the Notes in any jurisdiction or under any circumstances in which such offer, solicitation or invitation is unlawful, or not authorised or to any person to whom it is unlawful to make such offer, solicitation or invitation. The distribution of this Offering Circular or the applicable Issue Document and the offering or sale of any Notes may, in certain jurisdictions, be restricted by law. The Issuer and the Arranger require persons into whose possession this Offering Circular and any Issue Document comes to inform themselves of, and observe, all such restrictions. In particular, Notes have not been and will not be registered under the United States Securities Act of 1933, as amended (the **Securities Act**) and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons unless the Notes are registered under the Securities Act or any exemption from registration is available. A further description of certain restrictions on offering and sale of the Notes and distribution of this Offering Circular and any Issue Document is provided under the section "Selling Restrictions" in this Offering Circular.*

Neither this Offering Circular nor any other document or information (or any part thereof) delivered or supplied under or in relation to the Programme shall be deemed to constitute an offer of, or an invitation by or on behalf of the Issuer, the Arranger or any of the relevant Dealers to subscribe for or purchase, any of the Notes.

This Offering Circular and any other documents or materials have been prepared for the purpose of the issue, offering or sale of the Notes by the Issuer directly to the investors or for the purpose of the offering or sale of the Notes by the relevant Dealers and/or relevant Distributors, where applicable. This Offering Circular and such other documents or materials may not be relied upon by any person other than persons to whom the Notes are sold or with whom they are placed by the relevant Dealers as aforesaid or for any other purpose. Recipients of this Offering Circular and such other documents or materials shall not reissue, circulate or distribute this Offering Circular or any part thereof in any manner whatsoever. None of the Issuer, the Arranger nor any of the relevant Dealers is making any representation or warranty, expressed or implied, as to the merits of the Notes or the subscription, purchase or acquisition thereof, or the affairs of the Issuer. Further, none of the relevant Dealers gives any representation or warranty as to the Issuer or as to the accuracy, reliability or completeness of the information set out in this Offering Circular (including the legal and regulatory requirements pertaining to Sections 274, 275 and 276 or any other provisions of the SFA) and the documents which are incorporated by reference in, and form part of, this Offering Circular.

None of this Offering Circular or any Issue Document in connection with any Notes is intended to provide the basis of any credit or other evaluation and should not be considered as a recommendation by the Issuer or the Arranger that any recipient of this Offering Circular or any Issue Document in connection with any Notes should purchase any Notes. Accordingly, notwithstanding anything in this Offering Circular, none of the Issuer, the Arranger, the relevant Dealers or any of their respective officers, employees or agents shall be held responsible for any loss or damage suffered or incurred by the recipients of this Offering Circular or such other document or information (or such part thereof) as a result of or arising from anything expressly or implicitly contained in or referred to in this Offering Circular or such other document or information (or such part thereof) and the same shall not constitute a ground for rescission of any purchase or acquisition of any of the Notes by a recipient of this Offering Circular or such other document or information (or such part thereof).

The following documents published or issued from time to time after the date hereof shall be deemed to be incorporated by reference in, and to form part of, this Offering Circular: (1) the most recently published interim and quarterly financial statements of DBS Group Holdings Ltd (**DBSH**) and annual audited financial statements of the Issuer and DBSH from time to time, and (2) any supplement or amendment to this Offering Circular issued by the Issuer. Any statement contained in this Offering Circular or in a document deemed to be incorporated by reference herein shall be deemed to be modified or superseded for the purpose of this Offering Circular to the extent that a statement contained in this Offering Circular or in such subsequent document that is also deemed to be incorporated by reference in this Offering Circular modifies or supersedes such earlier statement (whether expressly, by implication or otherwise). Any statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Offering Circular.

Copies of all documents deemed incorporated by reference in this Offering Circular are available for inspection at the specified office of the Issuer.

Any purchase or acquisition of the Notes by a Dealer is in all respects conditional on the satisfaction of certain conditions set out in the Programme Agreement and the issue of the Notes by the Issuer pursuant to the Programme Agreement. Any offer, invitation to offer or agreement made between the Issuer and such Dealer in connection with the purchase or acquisition of the Notes or pursuant to this Offering Circular shall (without any liability or responsibility on the part of the Issuer, the Arranger or any of the relevant Dealers) lapse and cease to have any effect if (for any other reason whatsoever) the Notes are not issued by the Issuer pursuant to the Programme Agreement.

Any person(s) who is invited to purchase or subscribe for the Notes or to whom this Offering Circular is sent shall not make any offer or sale, directly or indirectly, of any Notes or distribute or cause to be distributed any other documents or materials in connection therewith in any country or jurisdiction except in such manner and in such circumstances as will result in compliance with any applicable laws and regulations.

The statements made herein do not purport to be a comprehensive or exhaustive description of all the tax considerations that may be relevant to a decision to subscribe for, purchase, own or dispose of the Notes and do not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or financial institutions in Singapore which have been granted the relevant Financial Sector Incentive(s)) may be subject to special rules or tax rates. Prospective holders of the Notes are advised to consult their own tax advisers as to the Singapore or other tax consequences of the acquisition, ownership or disposition of the Notes, including, in particular, the effect of any foreign, state or local tax laws to which they are subject. It is emphasized that none of the Issuer, the Arranger and any other persons involved in the Programme accepts responsibility for any tax effects or liabilities resulting from the subscription for, purchase, holding or disposal of the Notes.

1. Interest and other payments

Subject to the following paragraphs, under section 12(6) of the ITA, the following payments are deemed to be derived from Singapore:

- (A) any interest, commission, fee or any other payment in connection with any loan or indebtedness or with any arrangement, management, guarantee or service relating to any loan or indebtedness which is (i) borne, directly or indirectly, by a person resident in Singapore or a permanent establishment in Singapore (except in respect of any business carried on outside Singapore through a permanent establishment outside Singapore or any immovable property situated outside Singapore); or (ii) deductible against any income accruing in or derived from Singapore; or
- (B) any income derived from loans where the funds provided by such loans are brought into or used in Singapore.

Such payments, where made to a person not known to the paying party to be a resident in Singapore for tax purposes, are generally subject to withholding tax in Singapore. The rate at which tax is withheld for such payments (other than those subject to the 15% final withholding tax described below) to non-resident persons (other than non-resident individuals) is currently 17%. The applicable rate for non-resident individuals is currently 20%. However, if the payment is derived by a person not resident in Singapore otherwise than from any trade, business, profession or vocation carried on or exercised by such person in Singapore and is not effectively connected with any permanent establishment in Singapore of that person, the payment is subject to a final withholding tax of 15%. The rate of 15% may be reduced by applicable tax treaties.

Certain Singapore-sourced investment income derived by individuals from financial instruments is exempt from tax, including:

- (a) interest from debt securities derived on or after 1 January 2004;
- (b) discount income (not including discount income arising from secondary trading) from debt securities derived on or after 17 February 2006; and
- (c) prepayment fee, redemption premium and break cost from debt securities derived on or after 15 February 2007,

except where such income is derived through a partnership in Singapore or is derived from the carrying on of a trade, business or profession in Singapore.

Withholding tax exemption on Section 12(6) payments by specified entities

Pursuant to Section 45I of the ITA, payments of income which are deemed under Section 12(6) of the ITA to be derived from Singapore and which are made by a specified entity shall be exempt from withholding tax if such payments are liable to be made by such specified entity for the purpose of its trade or business under a debt security which is issued within the period from 17 February 2012 to 31 March 2021. Notwithstanding the above, permanent establishments in Singapore of non-resident persons are required to declare such payments in their annual income tax returns and will be assessed to tax on such payments (unless specifically exempt from tax).

A specified entity includes a bank licensed under the Banking Act, Chapter 19 of Singapore or a merchant bank approved under the Monetary Authority of Singapore Act, Chapter 186 of Singapore.

Qualifying Debt Securities Scheme

In addition, as the Programme was arranged as a whole by DBS Bank Ltd., which was a Financial Sector Incentive (Bond Market) (**FSI-BM**) Company (as defined in the ITA) at such time, any tranche of the Notes (the **Relevant Notes**) which are debt securities issued under the Programme during the period from the date of this Offering Circular to 31 December 2018 would be, pursuant to the ITA and the MAS Circular, qualifying debt securities (**QDS**) for the purposes of the ITA, to which the following treatment shall apply:

- (i) subject to certain conditions having been fulfilled (including the furnishing of a return on debt securities for the Relevant Notes in the prescribed format within such period as the relevant authorities may specify and such other particulars in connection with the Relevant Notes as the relevant authorities may require to the Authority and such other relevant authorities as may be prescribed, and the inclusion by the Issuer in all offering documents relating to the Relevant Notes of a statement to the effect that where interest, discount income, prepayment fee, redemption premium or break cost from the Relevant Notes is derived by a person who is not resident in Singapore and who carries on any operation in Singapore through a permanent establishment in Singapore, the tax exemption for qualifying debt securities shall not apply if the non-resident person acquires the Relevant Notes using funds from that person's operations through the Singapore permanent establishment), interest, discount income (not including discount income arising from secondary trading), prepayment fee, redemption premium and break cost (collectively, the **Qualifying Income**) from the Relevant Notes, derived by a Noteholder who is not resident in Singapore and who (aa) does not have any permanent establishment in Singapore, or (bb) carries on any operation in Singapore through a permanent establishment in Singapore but the funds used by that person to acquire the Relevant Notes are not obtained from such person's operation of the Singapore permanent establishment, are exempt from Singapore tax;
- (ii) subject to certain conditions having been fulfilled (including the furnishing of a return on debt securities for the Relevant Notes in the prescribed format within such period as the relevant authorities may specify and such other particulars in connection with the Relevant Notes as the relevant authorities may require to the Authority and such other relevant authorities as may be prescribed), Qualifying Income from the Relevant Notes derived by any company or a body of persons (as defined in the ITA) in Singapore is subject to income tax at a concessionary rate of 10% (except for holders of the relevant Financial Sector Incentive(s) who may be taxed at different rates); and

(iii) subject to:

- (aa) the Issuer including in all offering documents relating to the Relevant Notes a statement to the effect that any person whose interest, discount income, prepayment fee, redemption premium or break cost derived from the Relevant Notes is not exempt from tax shall declare and include such income in a return of income made under the ITA; and
- (bb) the furnishing of a return on debt securities for the Relevant Notes in the prescribed format within such period as the relevant authorities may specify and such other particulars in connection with the Relevant Notes as the relevant authorities may require to the Authority and such other relevant authorities as may be prescribed,

payments of Qualifying Income derived from the Relevant Notes are not subject to withholding of tax by the Issuer.

Notwithstanding the foregoing:

- (A) if during the primary launch of any tranche of Relevant Notes, the Relevant Notes of such tranche are issued to fewer than four persons and 50% or more of the issue of such Relevant Notes is beneficially held or funded, directly or indirectly, by related parties of the Issuer, such Relevant Notes would not qualify as QDS; and
- (B) even though a particular tranche of Relevant Notes are QDS, if, at any time during the tenure of such tranche of Relevant Notes, 50% or more of the issue of such Relevant Notes is held beneficially or funded, directly or indirectly, by any related party(ies) of the Issuer, Qualifying Income derived from such Relevant Notes held by:
 - (i) any related party of the Issuer; or
 - (ii) any other person where the funds used by such person to acquire such Relevant Notes are obtained, directly or indirectly, from any related party of the Issuer,

shall not be eligible for the tax exemption or concessionary rate of tax as described above.

The term “related party”, in relation to a person, means any other person who, directly or indirectly, controls that person, or is controlled, directly or indirectly, by that person, or where he and that other person, directly or indirectly, are under the control of a common person.

The terms “break cost”, “prepayment fee” and “redemption premium” are defined in the ITA as follows:

“break cost”, in relation to debt securities and qualifying debt securities, means any fee payable by the issuer of the securities on the early redemption of the securities, the amount of which is determined by any loss or liability incurred by the holder of the securities in connection with such redemption;

“prepayment fee”, in relation to debt securities and qualifying debt securities, means any fee payable by the issuer of the securities on the early redemption of the securities, the amount of which is determined by the terms of the issuance of the securities; and

“redemption premium”, in relation to debt securities and qualifying debt securities, means any premium payable by the issuer of the securities on the redemption of the securities upon their maturity.

References to “break cost”, “prepayment fee” and “redemption premium” in this Singapore tax disclosure have the same meaning as defined in the ITA.

Where interest, discount income, prepayment fee, redemption premium or break cost (i.e. the Qualifying Income) is derived from any of the Relevant Notes by any person who is not resident in Singapore and who carries on any operations in Singapore through a permanent establishment in Singapore, the tax exemption available for QDS (subject to certain conditions) under the ITA shall not apply if such person acquires the Relevant Notes using the funds and profits of such person's operations through a permanent establishment in Singapore. Any person whose interest, discount income, prepayment fee, redemption premium or break cost (i.e. the Qualifying Income) derived from the Relevant Notes is not exempt from tax is required to declare and include such income in a return of income made under the ITA.

Under the Qualifying Debt Securities Plus Scheme (the **QDS Plus Scheme**), subject to certain conditions having been fulfilled (including the furnishing of a return on debt securities in respect of the QDS in the prescribed format within such period as the relevant authorities may specify and such other particulars in connection with the QDS as the relevant authorities may require to the Authority and such other relevant authorities as may be prescribed), income tax exemption is granted on Qualifying Income derived by any investor from QDS (excluding Singapore Government Securities) which:

- (a) are issued during the period from 16 February 2008 to 31 December 2018;
- (b) have an original maturity of not less than 10 years;
- (c) cannot be redeemed, called, exchanged or converted within 10 years from the date of their issue; and
- (d) cannot be re-opened with a resulting tenure of less than 10 years to the original maturity date.

However, even if a particular tranche of the Relevant Notes are QDS which qualify under the QDS Plus Scheme, if, at any time during the tenure of such tranche of Relevant Notes, 50% or more of the issue of such Relevant Notes is held beneficially or funded, directly or indirectly, by any related party(ies) of the Issuer, Qualifying Income from such Relevant Notes derived by:

- (i) any related party of the Issuer; or
- (ii) any other person where the funds used by such person to acquire such Relevant Notes are obtained, directly or indirectly, from any related party of the Issuer,

shall not be eligible for the tax exemption under the QDS Plus Scheme as described above.

The MAS Circular states that, with effect from 28 June 2013, the QDS Plus Scheme will be refined to allow QDS with certain standard early termination clauses (as prescribed in the MAS Circular) to qualify for the QDS Plus Scheme at the point of issuance of such debt securities. The Authority has also clarified that if such debt securities are subsequently redeemed prematurely pursuant to such standard early termination clauses before the 10th year from the date of issuance of such debt securities, the tax exemption granted under the QDS Plus Scheme to Qualifying Income accrued prior to such redemption will not be clawed back. Under such circumstances, the QDS Plus status of such debt securities will be revoked prospectively for such outstanding debt securities (if any), and holders thereof may still enjoy the tax benefits under the QDS Scheme if the QDS conditions continue to be met.

The Authority has stated that, notwithstanding the above, QDS with embedded options with economic value (such as call, put, conversion or exchange options which can be triggered at specified prices or dates and are built into the pricing of such debt securities at the onset) which can be exercised within ten years from the date of issuance of such debt securities will continue to be excluded from the QDS Plus Scheme from such date of issuance.

2. Capital gains

Any gains considered to be in the nature of capital made from the sale of the Notes will not be taxable in Singapore. However, any gains derived by any person from the sale of the Notes which are gains from any trade, business, profession or vocation carried on by that person, if accruing in or derived from Singapore, may be taxable as such gains are considered revenue in nature.

Holders of the Notes who apply or who are required to apply FRS 39—*Financial Instruments: Recognition and Measurement* (**FRS 39**) for Singapore income tax purposes may be required to recognize gains or losses (not being gains or losses in the nature of capital) on the Notes, irrespective of disposal, in accordance with FRS 39. Please see the section below on “Adoption of FRS 39 treatment for Singapore income tax purposes”.

3. Adoption of FRS 39 treatment for Singapore income tax purposes

The Inland Revenue Authority of Singapore has issued a circular entitled “Income Tax Implications Arising from the Adoption of FRS 39—*Financial Instruments: Recognition and Measurement*” (the **FRS 39 Circular**). The ITA has since been amended to give legislative effect to the FRS 39 Circular.

The FRS 39 Circular generally applies, subject to certain “opt-out” provisions, to taxpayers who are required to comply with FRS 39 for financial reporting purposes.

Holders of the Notes who may be subject to the tax treatment under the FRS 39 Circular should consult their own accounting and tax advisers regarding the Singapore income tax consequences of their acquisition, holding or disposal of the Notes.

4. Estate duty

Singapore estate duty has been abolished with respect to all deaths occurring on or after 15 February 2008.”

Strategy

The DBS Group's strategic intent is to be "The Asian Bank of Choice, Making Banking Joyful". It is focused on building an Asia-centric commercial bank to intermediate trade and investment flows between Asia's three key axes of growth – Greater China, South Asia and Southeast Asia – by focusing on key markets, namely Singapore, Hong Kong, China, Taiwan, India and Indonesia. The DBS Group has built a regional banking business for large corporates as well as SMEs. It has also developed a regional wealth business to serve affluent individuals. In Singapore, its home market, it is a universal bank that serves all customer segments. Outside of Singapore, it focuses on affluent individuals, SMEs and corporate customers.

To this end, the DBS Group developed a roadmap comprised of nine strategic priorities in 2010. It aims to build on its strong position in Singapore, reposition the Hong Kong franchise, and achieve greater geographical balance by building out its presence in Greater China, South Asia and Southeast Asia. It also aims to develop regional business lines: transaction banking to capitalise on increasing regional trade flows and the rise of Asian multi-national corporations (**MNCs**) and SMEs, as well as wealth management to better serve the rising number of affluent individuals. It has steered its treasury capabilities towards structuring and marketing products for corporate and individual customers to hedge risks and take advantage of market trends. The DBS Group has improved its processes to achieve greater customer satisfaction and higher employee engagement as well as built more resilient technology infrastructure.

The DBS Group's nine strategic priorities include the following:

Please refer to the section on “Description of the Programme” in this Offering Circular for the description of what an Issue Document will comprise.

Application has been made to the Singapore Exchange Securities Trading Limited (the **SGX-ST**) for permission to deal in and for quotation of any Notes which are agreed at the time of issue thereof to be so listed on the SGX-ST. Such permission will be granted when such Notes have been admitted to the Official List of the SGX-ST. Admission to the Official List of the SGX-ST and quotation of any Notes on the SGX-ST is not to be taken as an indication of the merits of the Issuer, its subsidiaries, its associated companies or such Notes. Any approval in-principle of the SGX-ST for the listing and quotation of any Series of Notes on the SGX-ST is subject to changes in the SGX-ST’s policies. Unlisted Notes may be issued pursuant to the Programme.

Investors should note that Notes which are sold or redeemed before their maturity date will be subject to unwinding or other transaction costs, and the amount received by investors from such sale or redemption may be lower than the initial amount of their investment.

The purchase of Notes involves certain risks. Prospective investors of any Notes to be issued under the Programme should ensure that they understand the nature of such Notes and should carefully study the matters set out in this Offering Circular (and in particular, the section on “Risk Factors” in this Offering Circular) and the contents of the applicable Issue Document before they invest in any Notes. This Offering Circular is not, and does not purport to be, investment advice. Investors should conduct such investigation and analysis regarding the Programme and any Notes to be issued under it as they deem appropriate. An investor should make an investment only after having determined that such investment is suitable for him in light of his circumstances, financial position and investment objectives. Investors should note that a reference to the principal amount payable on any Notes does not necessarily refer to the initial investment amount in such Notes. Investors should refer to Condition 4(g) (*Interpretation of principal*) of the Terms and Conditions of the Notes (as defined herein), read together with the applicable Issue Document, as to what the principal amount payable on the relevant Notes would be.

There will be no guarantee from any entity to the holders of any Notes (the **Noteholders**, as defined in the “Glossary” below) that they will recover any amounts payable under the Notes. Unless otherwise specified in the applicable Issue Document, the Notes will be direct, unsecured and unsubordinated obligations of the Issuer and will rank *pari passu*, without any preference among themselves and (save for certain obligations required to be preferred by law) equally with all other unsecured obligations (other than subordinated obligations, if any) of the Issuer, from time to time outstanding. The Notes contain no covenants that prohibit the Issuer or its subsidiaries from entering into agreements which may incur additional indebtedness, or which may restrict its subsidiaries’ ability to pay dividends and distributions to the Issuer. The Notes also contain no covenants that prohibit the Issuer or its subsidiaries from creating or permitting to exist any mortgage, charge, pledge, lien or other encumbrance upon the whole or any part of its undertaking, assets or revenues to secure any loan or other indebtedness or obligation. The Notes are solely the Issuer’s obligations and do not constitute deposits with the Issuer. The Notes do not represent an interest in or obligations of, deposits with or other liabilities of and are not insured or guaranteed by any of, the Issuer’s affiliates or any other entity.

Purchases of any Series of Notes may be made directly from the Issuer or, if so specified in the applicable Issue Document, through the Distributor(s) (as defined in the section on “Summary of the Programme” in this Offering Circular). However, certain Notes issued under the Programme may be rated by certain debt rating agencies as further described in the section on “Summary of the Programme - Rating” in this Offering Circular and as specified in the applicable Issue Document. Where the Notes are rated, such rating will not necessarily be the same as the rating(s) assigned to the Issuer and/or the Programme. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, revision, downgrade or withdrawal at any time by the assigning rating agency.

SUMMARY OF THE PROGRAMME

The following summary does not purport to be complete and is qualified in its entirety by the remainder of this Offering Circular and, in relation to any particular Series of Notes, the applicable Issue Document (in which any of the Terms and Conditions of such Series of Notes may be replaced or modified). Words and expressions defined in the section on “Terms and Conditions of the Notes” below and in the applicable Issue Document shall have the same meanings in this summary.

The Programme is a U.S.\$3,000,000,000 Structured Note Programme, which enables the Issuer to issue Notes from time to time having specific Terms and Conditions which may be applicable only to the relevant Series of Notes.

Issuer: DBS Bank Ltd.

Description: Structured Note Programme pursuant to which the Issuer may, from time to time, issue Notes. Notes may be offered in or outside Singapore. Where the Notes are offered in Singapore, the Notes may only be offered to persons falling within the ambit of Section 274 and/or Section 275 of the SFA; and where the Notes are offered outside Singapore, such offer will be in compliance with the applicable laws and regulations of the jurisdiction in which such Notes are being offered.

Rating: As at 23 August 2012, the Issuer's long term senior debt and deposit rating is Aa1 by Moody's, and long term debt ratings are AA- by Standard & Poor's and AA- by Fitch. The Programme is unrated. However, certain Notes issued under the Programme may be rated by Moody's and/or Standard & Poor's and/or any other recognised debt rating agencies, as specified in the applicable Issue Document. If the issuance or sale of any Notes being offered is conditional on the assignment of a rating by one or more of such debt rating agencies, the applicable Issue Document will specify the debt rating agency and the minimum rating that must be assigned to such Notes.

Any rating will address the Issuer's ability to perform its obligations under the terms of the relevant Notes and addresses credit risks in determining the likelihood that payments will be made under the relevant Notes.

A rating is not a recommendation to buy, sell or hold the Notes and may be subject to suspension, revision, downgrade or withdrawal at any time by the assigning rating agency. A suspension, revision, downgrade or withdrawal of the rating assigned to the Notes may adversely affect the market value of such Notes.

In addition, the obligations of a Dealer under any agreement for the issue and purchase, or placement as agent, of a Tranche of Notes made under the terms of the Programme Agreement are conditional upon the Issuer satisfying the conditions precedent specified in the Programme Agreement in relation to such issue.

Under the Programme Agreement, the Issuer has made certain representations and warranties to each Dealer in relation to, amongst others, the information contained in this Offering Circular, the due incorporation and valid existence of the Issuer under the laws of Singapore, and the capacity and authorisation of the Issuer to enter into the relevant agreements in relation to the Programme. In addition, the Issuer has also undertaken to each Dealer, amongst others, that where applicable it will comply with the requirements of the relevant Clearing System (as defined herein) in relation to Notes cleared through such Clearing System.

RISK FACTORS

You should carefully consider, along with the other information set out in this Offering Circular and the applicable Issue Document, the risk factors highlighted below. In particular, the applicable Issue Document may contain additional risk factors which you should consider prior to making an investment decision in the relevant Series of Notes. Capitalised terms used in this section which have not been defined in this Offering Circular and the applicable Issue Document shall have the meanings given to them in the Terms and Conditions of the Notes.

The information set out herein is included for the purpose of enabling you and your advisers (if any) to make an informed assessment of the terms of any Notes, the general risks of investing in any Notes, and the capacity of the Issuer to fulfil its obligations under such Notes. The risk factors set out in this document and in the applicable Issue Document cannot disclose or foresee all risks of investing in Notes. You should not rely on the information set out herein as the sole basis for any investment decision in relation to any Notes but should seek appropriate and relevant advice concerning the appropriateness of an investment in Notes in light of your circumstances, financial position and investment objectives.

References to “you” herein are to investors and prospective investors in the Notes.

Risks relating to the Issuer and other Transaction Parties

Creditworthiness of the Issuer

Unless otherwise specified in the applicable Issue Document, the Notes constitute direct, unsecured and unsubordinated obligations of the Issuer and will rank *pari passu*, without any preference among themselves and (save for certain obligations required to be preferred by law) equally with all other unsecured obligations (other than subordinated obligations, if any) of the Issuer, from time to time outstanding. The Issuer issues a large number of financial instruments on a global basis and, at any given time, its obligations on the financial instruments outstanding may be substantial. If you invest in the Notes, you are relying upon the creditworthiness of the Issuer and no other person. Where the Notes relate to securities, you have no rights against the company that has issued such securities; where the Notes relate to an index, you have no rights against the sponsor of such index; where the Notes relate to a fund, you have no rights against the trustee or the manager of such fund; and where the Notes relate to the creditworthiness of an entity, you have no recourse to such entity. Further, an investment in the Notes is not an investment in the Underlying Assets and you will have no rights in relation to voting rights or other entitlements (including any dividend or other distributions).

Credit rating of the Issuer

As at 23 August 2012, the Issuer's long term senior debt and deposit rating is Aa1 by Moody's, and long term debt ratings are AA- by Standard and Poor's and AA- by Fitch.

A credit rating is not a recommendation to buy, sell or hold Notes and may be subject to suspension, revision, downgrade or withdrawal at any time by the assigning rating agency. Each Series of Notes issued under the Programme may be rated or unrated. Rating agencies may also revise or replace entirely the methodology applied to derive credit ratings. Moreover, no assurances can be given that a credit rating will remain for any given period of time or that a credit rating will not be lowered or withdrawn entirely by the relevant rating agency if in its judgment circumstances in the future so warrant or if a different methodology is applied to derive such credit ratings.

Any decline in the credit ratings of the Issuer may affect the market value of the Notes. The credit ratings of the Issuer are an assessment of its ability to pay its obligations, including those in respect of the Notes. Consequently, actual or anticipated declines in the credit ratings of the Issuer may affect the market value of the Notes. The Issuer has no obligation to inform Noteholders or investors of any such revision, downgrade or withdrawal. Moreover, the credit ratings of the Issuer do not reflect the potential impact related to market or other considerations discussed herein relating to the Notes.

The Notes contain no covenants that prohibit the Issuer or its subsidiaries from entering into agreements which may incur additional indebtedness, or which may restrict its subsidiaries' ability to pay dividends and distributions to the Issuer. In the event of such occurrences, the credit rating of the Issuer may be downgraded from time to time. The Notes also contain no covenants that prohibit the Issuer or its

subsidiaries from creating or permitting to exist any mortgage, charge, pledge, lien or other encumbrance upon the whole or any part of its undertaking, assets or revenues to secure any loan or other indebtedness or obligation.

Review and advice

You must determine, based on your own review and such professional advice (including, without limitation, tax, accounting, credit, legal and regulatory advice) as you deem appropriate under the circumstances, that your acquisition and holding of Notes (i) is fully consistent with your (or if you are acquiring Notes in a fiduciary capacity, the beneficiary's) financial needs, objectives and condition, (ii) complies and is fully consistent with all investment policies, guidelines and restrictions applicable to you (whether acquiring such Notes as principal or in a fiduciary capacity), and (iii) is a fit, proper and suitable investment for you (or if you are acquiring such Notes in a fiduciary capacity, for the beneficiary), notwithstanding the clear and substantial risks inherent in investing in or holding such Notes. None of the Issuer, the Arranger, any Distributor or any of their respective affiliates is acting as an investment adviser, or assumes any fiduciary obligation, to any investor of Notes.

No reliance

You may not rely on the Issuer, a Distributor, the Arranger, the Agents or any affiliate in connection with your determination as to the legality of an acquisition of Notes by you or as to the other matters referred to above.

Risks relating to Notes

General risk warning

The Notes are not conventional debt securities as they are linked to the performance or movement in one or more Underlying Assets which may be rates, currencies or currency exchange rates, commodities, bullion, equity securities or other equity instruments (including but not limited to exchange traded funds), debt securities or other debt instruments issued by any entity (including but not limited to corporates, sovereigns and unincorporated entities), economic indices or measures of economic risk or value, the creditworthiness of one or more entities (including but not limited to corporates, sovereigns and unincorporated entities), any other benchmarks (whether in the form of a rate or index) by which payments or deliveries of an asset, security or instrument may be made, or a combination, variation or derivative of any of the foregoing, as described in the applicable Issue Document. You should therefore understand that the payment amount, whether in respect of principal, interest or any other sum payable under the Notes, will be dependent upon the performance of the Underlying Asset or basket of Underlying Assets and may, in certain circumstances, be zero.

Suitability of Notes

An investment in structured products such as Notes issued under the Programme involves substantial risks including market risk, liquidity risk, and the risk that the Issuer will be unable to satisfy its obligations under any Notes. This Offering Circular and the applicable Issue Document are not and do not purport to be investment advice.

You should ensure that you understand the nature of all these risks before making a decision to invest in Notes. You should conduct such investigation and analysis regarding the Programme and any Notes to be issued under it as you deem appropriate. You should make an investment only after you have determined that such investment is suitable for you in light of your circumstances, financial position and investment objectives. Structured products such as Notes issued under the Programme are not suitable for inexperienced investors. If you are in any doubt, you must seek professional advice.

You have no rights to the Underlying Assets

Investing in the Notes is not the same as owning the Underlying Assets. You have no rights under the Notes to any Underlying Asset. In the event of any loss on your investment under the Notes, you will not have recourse under the Notes to the Underlying Assets.

Increases in the value of the Underlying Assets may not lead to increases in the market value of the Notes or a higher return on your investment

The Notes are a structured investment product. Buying the Notes is not the same as buying the Underlying Assets. Increases in the value of the Underlying Assets may not lead to an increase in the market value of the Notes of the same magnitude or even to any increase at all. In addition, the market value of the Notes may be affected by other factors not directly related to the value of the Underlying Assets, such as market interest rate movements.

Further, increases in the value of the Underlying Assets may not lead to an increase in your investment returns under the Notes of the same magnitude or even any increase at all as the payment of principal, interest or any other sum payable under the Notes will depend on the terms of each particular Series or Tranche of Notes as set out in the applicable Issue Document.

Risk of fluctuations in value of the Notes

Structured products such as the Notes can be volatile instruments and may be subject to considerable fluctuations in value and other risks inherent in investing in securities and there can be no assurance that any appreciation in value will occur or that its capital value will be preserved. Even where a particular Series or Tranche of Notes is redeemable at par on maturity, the value of the Notes can still fluctuate prior to maturity. The price of the Notes may fall in value as rapidly as it may rise due to factors including (but not limited to) variations in the frequency and magnitude of the changes in the prices of any securities, commodities or any derivative instruments that may underlie the Notes or in the level of any index to which the Notes relate, dividends and interest rates, and the creditworthiness of the reference entities.

Repayment of principal amount not guaranteed, whether on maturity or otherwise

If Notes are repurchased or redeemed before the maturity date, the principal amount of (or your investment in) the Notes may not be protected. If you hold Notes until the maturity date specified in the applicable Issue Document, you will receive an amount equivalent to the redemption amount or equivalent specified in the applicable Issue Document, which amount may be less than your original investment amount. In each case, there is no guarantee that the amount that you will receive on the maturity date of the Notes will be equal to your original investment amount.

There may be no interest payable on the Notes

Any amount of interest payable to you under the Notes will depend on the terms of each particular Series or Tranche of Notes set out in the applicable Issue Document, including but not limited to, the performance of the Underlying Asset or basket of Underlying Assets linked to such Notes. If the terms of the Notes are not met, the interest amounts on the Notes will be affected. In addition, where the Notes are repurchased or redeemed before the maturity date, any interest amounts payable on the Notes will be affected as well. You may not receive any interest amounts payable on the Notes for the whole term of the Notes.

Exposure to exchange rate risks

You may be exposed to exchange rate risks where Notes are denominated in one currency (for the purpose of this risk factor, the **base currency**) and the Underlying Assets are denominated in, or the basis upon which the repayment of the principal amount of Notes or the basis upon which any interest or other returns on Notes are calculated in, one or more different currenc(y)ies). Depending on the performance of these other currencies against the base currency, the market value of Notes will be affected. If such currencies weaken against the base currency, the market value of Notes is likely to decrease and *vice versa*.

Exchange rates between currencies are determined by forces of supply and demand in the foreign exchange markets. These forces are, in turn, affected by factors such as international balances of payments and other economic and financial conditions, government intervention in currency markets and currency trading speculation. Fluctuations in foreign exchange rates, foreign political and economic developments, and the imposition of exchange controls or other foreign governmental laws or restrictions applicable to such investments may affect the foreign currency market price and the exchange rate-adjusted equivalent price of the Notes. Fluctuations in the exchange rate of any one currency may be offset by fluctuations in the exchange rate of other relevant currencies.

Exchange-traded funds

Where the Underlying Assets consist of units in a fund, collective investment scheme, pooled investment vehicle or the like (for the purpose of this risk factor, a **Fund**), neither the Issuer nor its affiliates have the ability to control or predict the actions of the trustee or the manager of the Fund. The Fund is not, and its trustee and manager are not, involved in the offer of the Notes in any way, and none of them has any obligation to consider the interest of the Noteholders in taking any actions with regard to the Fund that might affect the value of the Notes.

The Issuer will have no role in the Fund. The manager of the Fund is responsible for making strategic, investment and other trading decisions with respect to the management of the Fund consistent with its investment objectives and/or investment restrictions as set out in the documents constituting or relating to the Fund. The manner in which the Fund is managed and the timing of such decisions will have a significant impact on the performance of the Fund and hence, on the value of the Fund and the price of units in the Fund.

The different Classes of Notes

Where a Series of Notes comprises more than one Class (up to a maximum of three), each Class may bear interest in a different manner and may rank differently with respect to priority of payment of interest and/or principal. Thus, the rights to receive payments in respect of more junior ranking Class or Classes of Notes are junior and subordinate to the rights to receive payments in respect of more senior ranking Class or Classes of Notes. The risks of delays in payments or ultimate non-payment of principal and/or interest will be borne disproportionately by holders of the more junior ranking Class or Classes of Notes as compared to holders of more senior ranking Class or Classes of Notes.

Physical settlement of Notes

The Issue Document may provide that the Issuer may, at its election or otherwise as provided in the Issue Document, physically settle its payment obligations under the Notes. When such Notes are physically settled, the Issuer will not pay you cash in discharge of its payment obligations, whether in respect of principal, interest or otherwise, under the Notes but will deliver to you the Underlying Assets, which may, for example, be shares (or any other form of equity securities) or bonds (or any other form of debt securities) specified in the applicable Issue Document.

There is no guarantee that there will be any market or liquidity in relation to such assets or if you would be able to dispose or realise such Underlying Assets for an amount equivalent to the payment obligations of the Issuer under such Notes. Therefore, if the Issuer physically settles any of its payment obligations under such Notes, you may upon realisation of such Underlying Assets receive less cash than if the Issuer had settled its payment obligations under such Notes in cash.

A holder of the Notes may become subject to U.S. withholding tax if it fails to provide requested information to the Issuer

The US Foreign Account Tax Compliance Act (**FATCA**) imposes a 30 per cent. withholding tax on certain payments to non-U.S. entities. The relevant rules have not yet been fully developed and the future application of FATCA to the Issuer and the holders of Notes is uncertain. Holders may be required to provide certain information or be subject to withholding on certain payments made to them. If a holder does not provide the necessary information and is subject to withholding there will be no “gross up” (or any other additional amount) payable by way of compensation to the holder for the deducted amount.

FATCA IS COMPLEX AND ITS APPLICATION TO THE ISSUER IS UNCERTAIN AT THIS TIME. EACH HOLDER OF NOTES SHOULD CONSULT ITS OWN TAX ADVISER TO OBTAIN A MORE DETAILED EXPLANATION OF FATCA AND TO LEARN HOW THIS LEGISLATION MIGHT AFFECT EACH HOLDER IN ITS PARTICULAR CIRCUMSTANCE.

Risks relating to liquidity

Market, liquidity and yield considerations; Sale procedure

You should be prepared to hold Notes until the relevant maturity date specified in the applicable Issue Document. Notes may not have an established trading market when issued. There will be no secondary market for the Notes. The Market Agent (if any as specified in the applicable Issue Document) intends,

but is under no obligation to, make a market in the Notes (see below). The price at which the Notes may be bought back may be higher or lower than the initial subscription price or purchase price depending on many factors, including prevailing interest rates and prevailing interest rates expectations, the Issuer's perceived credit quality and the market for any similar securities. Consequently, you may not be able to sell your Notes readily or at prices that will enable you to realise a yield comparable to that of similar instruments (if any) with a developed secondary market.

Buy back arrangements

Where specified in the applicable Issue Document, the Market Agent intends, but is under no obligation, to buy back Notes, as described in that Issue Document. The buy back price paid by the Market Agent will be determined by the Market Agent in its discretion and will depend on factors such as costs and losses which the Market Agent may incur in discharging the related financial instruments or other arrangements related to Notes and market conditions at that time, including but not limited to, the prevailing interest rates, prevailing foreign exchange rates, and such other factors as may be deemed relevant by the Market Agent. As a result, the amount that you, as an investor, receive from the sale of Notes, plus all interest paid to you on or prior to such sale, may be substantially less than the original amount invested in the Notes.

Risk of extension of the maturity date

You should note that the investment term of Notes may be extended in the event the maturity date of Notes, as specified in the applicable Issue Document, is deferred. In such event, the payment of the redemption amount of Notes may be delayed beyond the maturity date of such Notes initially specified in the applicable Issue Document.

Risks relating to conflicts of interests

Potential and actual conflicts of interests

DBS Bank Ltd., as the Issuer, and/or its subsidiaries and affiliates may act in a number of capacities in relation to the Notes, including, without limitation, as the Arranger, the Market Agent, the Fiscal and Paying Agent, the Calculation Agent, the Registrar and the Transfer Agent and such other capacities as may be specified in the applicable Issue Document.

In performing each of the above roles, any decisions made or discretions exercised by DBS Bank Ltd. in each such capacity, particularly in its capacity as the Calculation Agent, will be made in good faith and (in the absence of manifest error), shall be binding on the Noteholders. Notwithstanding the above, you should be aware that such decisions may have an unforeseen adverse impact on the financial return of the Notes.

The economic interests of DBS Bank Ltd. and/or its subsidiaries and affiliates in each such capacity may be opposed to the interests of investors and potential and actual conflicts of interests may arise from the different roles played by DBS Bank Ltd. and its subsidiaries and affiliates. As a result, investors will be exposed not only to the credit risk of DBS Bank Ltd. as the Issuer and/or its subsidiaries and affiliates, but also the operational risks arising from the potential or actual conflicts of interests of DBS Bank Ltd. and/or its subsidiaries and affiliates in assuming their duties and obligations in relation to and under any Notes.

DBS Bank Ltd. will take steps to ensure that, in respect of each of the above roles to be performed by it in relation to the Programme, there are separate teams performing the respective functions. In addition, DBS Bank Ltd. will also take steps to ensure, that in performing such roles, it will be discharging its obligations with the same level of objectivity as if it were discharging its obligations to a third party client.

In addition, DBS Bank Ltd. and any of its subsidiaries and affiliates, in connection with their other business activities, may from time to time engage in business with or possess or acquire material information about the Underlying Assets or entities or any other asset or entity on whose condition the payments on Notes are dependent. Such activities and information may cause consequences adverse to the investors in Notes. Such actions may include, without limitation, the exercise of voting powers, the purchase and sale of securities, financial advisory relationships and exercise of creditor rights. DBS Bank Ltd. and/or any of its subsidiaries and affiliates have no obligation to disclose such information about any such asset or

entity. DBS Bank Ltd., its subsidiaries and affiliates and its or their respective officers and directors may engage in any such activities without regard to investors in the Notes or the effect that such activities may directly or indirectly have on investors.

In the ordinary course of their business, including without limitation, in connection with the Issuer's or the Market Agent's market making activities, the Issuer, the Market Agent or any of their subsidiaries and affiliates may effect transactions for their own account or for the account of their customers and hold long or short positions in the Underlying Assets or related derivatives. In addition, in connection with the offering of any Notes, the Issuer or any of its subsidiaries and affiliates may enter into one or more hedging transactions with respect to the Underlying Assets or related derivatives. In connection with such hedging or market making activities or with respect to proprietary or other trading activities, the Issuer, the Market Agent or any of their subsidiaries and affiliates may enter into transactions in the Underlying Assets or related derivatives which may affect the market price, liquidity or value of the Notes and which may affect the interests of investors in the Notes.

The above situations may result in consequences which may be adverse to your investment in the Notes and may present certain conflicts of interest situations. The Issuer assumes no responsibility whatsoever, whether directly or indirectly, for such consequences and their impact upon your investment in the Notes and owes no duty to you to avoid such conflicts.

You should seek independent advice as you deem appropriate to evaluate the risk of these potential conflicts of interests.

Other risks

Return on an investment in Notes will be affected by charges incurred by you

The Issue Document in respect of an issue of Notes will describe the payments which may be made under the relevant Notes. However, your total return on an investment in any Notes may also be affected by fees charged by the Issuer, a Distributor or otherwise. Fees may be charged by the Issuer or a Distributor (as the case may be) for, amongst other things, the opening and operation of an account in connection with your investment in the Notes, transfers of Notes, custody services and on payments of interest and principal. You are therefore advised to consult with the Issuer or the relevant Distributor (as the case may be) to ascertain the basis on which fees will be charged by the Issuer or the relevant Distributor (as the case may be) on your Notes.

Credit Rating

While credit ratings can be a useful tool for financial analysis, you should note that they are not a guarantee of quality or a guarantee of future performance in relation to the relevant obligations. Ratings assigned to securities by rating agencies may not fully reflect the true risks of an investment. Any rating described in this Offering Circular and the applicable Issue Document may be subject to suspension, revision, downgrade or withdrawal at any time. You should bear this in mind when considering the credit ratings disclosed in this Offering Circular and the applicable Issue Document. A suspension, revision, downgrade or withdrawal of the rating assigned to the Issuer or any relevant entity may adversely affect the value of the Notes.

There can be no assurance that any credit ratings assigned to any entity will remain in effect for any given period or that any such ratings will not be revised by the relevant rating agency in the future if, in the relevant credit rating agency's judgment, the circumstances so warrant.

Deemed notice of the provisions of the Transaction Documents; Issue Documents

The descriptions of the Transaction Documents contained in this Offering Circular are summaries only and you are deemed to have notice of, all the provisions of such documents. The descriptions herein are qualified in their entirety by reference to the provisions of the applicable Issue Document and the legal documentation relevant to the issue of a particular Series of Notes, details in respect of which will be provided in the applicable Issue Document. The full text of these documents is or, as the case may be, will be available for inspection as set out under the section on "General and Statutory Information" in this Offering Circular.

Risks relating to Singapore Taxation

The Notes to be issued from time to time under the Programme during the period from the date of this Offering Circular to 31 December 2013, are intended to be “qualifying debt securities” for the purposes of the Income Tax Act, Chapter 134 of Singapore (the **ITA**) subject to the fulfilment of certain conditions more particularly described in the section “Singapore Taxation”. However, there is no assurance that such Notes will continue to enjoy the tax concessions in connection therewith should the relevant tax laws be amended or revoked at any time.

The Qualifying Debt Securities Plus Scheme (the **QDS Plus Scheme**) has also been introduced as an enhancement of the Qualifying Debt Securities Scheme. Under the QDS Plus Scheme, subject to certain qualifications and conditions, income tax exemption is granted on interest, discount income (not including discount income from secondary trading), “prepayment fee”, “redemption premium” and “break cost” (as such terms are defined in the ITA) derived by any investor from qualifying debt securities (excluding Singapore Government Securities) which:

- (a) are issued during the period from 16 February 2008 to 31 December 2013;
- (b) have an original maturity of not less than 10 years;
- (c) cannot be redeemed, called, exchanged or converted within 10 years from the date of their issue; and
- (d) cannot be re-opened with a resulting tenure of less than 10 years to the original maturity date.

With respect to any tranche of the Notes issued with an original maturity of at least 10 years and which are “qualifying debt securities”, there is no assurance that holders of such Notes would enjoy any tax exemption under the QDS Plus Scheme as it is currently unclear how the above requirements would be applicable in the context of certain events occurring or which may occur within 10 years from the date of issue of such Notes.

Tax consequences of investing in Notes

You should consider the tax consequences of investing in Notes and consult your tax adviser about your own tax situation. In particular, you will assume and be solely responsible for any and all taxes of any jurisdiction or governmental or regulatory authority, including, without limitation, any state or local taxes or other like assessment or charges that may be applicable to any payment to it in respect of any Notes. The Issuer will not pay any additional amounts to you to reimburse you for any tax, assessment or charge required to be withheld or deducted from payments in respect of Notes by the Issuer or any Paying Agents.

No Gross Up in respect of certain Series of Notes

If Condition 11(b) (*No Gross-Up*) is specified as applicable in the applicable Issue Document, the Issuer shall not be liable for or otherwise obliged to pay any tax, duty, withholding or other payment which may arise as a result of the ownership, transfer, presentation and surrender for payment, or enforcement of any Note. All payments made by the Issuer shall be made subject to any such tax, duty, withholding or other payment which may be required to be made, paid, withheld or deducted. You may therefore receive an amount at maturity which is less than your original investment amount.

Consequences of non-availability of Definitive Notes

In the case of Notes, cleared through any Clearing System, definitive Notes will only be issued in very limited circumstances. Individual investors must hold their Notes in an investment account with an accountholder at Euroclear, Clearstream, Luxembourg and/or CDP and/or such other Clearing System as specified in the applicable Issue Document. To purchase Notes, you must already have, or must open, an account in connection with your investment in the Notes with the Issuer or the relevant Distributor (as the case may be) to which you give your application instructions, or you must already have access to trading facilities at Euroclear, Clearstream, Luxembourg and/or CDP and/or such other Clearing System through other means. See the section on “Settlement, Clearance and Custody” in this Offering Circular. Your ability

to pledge your interest in any Notes held by you to any person who is not an accountholder at Euroclear, Clearstream, Luxembourg and/or CDP and/or such other Clearing System, or otherwise to take action in respect of your interest, may be affected by the lack of any definitive Notes.

The standard Terms and Conditions governing such account of the Issuer or the relevant Distributor (as the case may be) may permit the Issuer or the relevant Distributor (as the case may be) to take a security interest in, or to impose other restrictions on, Notes credited to such account or to exercise a lien, right of set off or similar claim against you in respect of monies held in any of your account maintained with the Issuer or the relevant Distributor (as the case may be) to secure any amounts which may be owing by you to the Issuer or the relevant Distributor (as the case may be).

For so long as any Notes are represented by a Global Note held through a Clearing System, and for the purposes of payments and delivery of notices required to be made by the Issuer to Noteholders, the Distributors, which are direct participants of the Clearing System, will be treated as the Noteholder. Therefore, for so long as any Notes are represented by a Global Note held through a Clearing System, the Terms and Conditions of the Notes provide that notices that are required to be given to Noteholders may be given by delivering them via the relevant Clearing System or otherwise to the participants of such Clearing System. Any notice so delivered shall be deemed to have been duly given to Noteholders. You will have to rely on the relevant Distributor to distribute notices to you which it receives through the Clearing System or by other means from the Issuer or the Fiscal and Paying Agent. The Issuer, the Arranger, the Dealer(s), the Fiscal and Paying Agent and their respective affiliates accept no responsibility for any failure or delay on the part of a Distributor in doing so.

You may also have to rely on the relevant Distributor to credit your account with payments credited to it through the Clearing System. As a result of having to rely on the relevant Distributor in these circumstances, you will be exposed to the credit risks and other default risks of the relevant Distributor. The Issuer, the Arranger, the Dealer(s), the Fiscal and Paying Agent and their respective affiliates accept no responsibility for any failure or delay on the part of a Distributor in doing so.

Please refer to the section on “Form of the Notes” in this Offering Circular for further details on the circumstances under which the Global Notes may be exchanged for definitive Notes.

Offering Circular to be read together with the applicable Issue Document; descriptions of the Programme and Notes are summaries only

Notes will be offered from time to time under the Programme on the basis of the information set out in this Offering Circular and any supplement thereto or replacement thereof, read together with the applicable Issue Document to be issued by the Issuer in connection with the issue of the relevant Series of Notes. You will have to read the applicable Issue Document together with this Offering Circular to obtain full details regarding an investment in the relevant Series of Notes.

The descriptions of the Programme and Notes included in this Offering Circular and the applicable Issue Document are summaries only. The full Terms and Conditions of Notes can be reviewed by reading together the following: (i) the Terms and Conditions as set out in full in this Offering Circular in the section on “Terms and Conditions of the Notes” which (subject to the applicable Issue Document) constitutes the basis of all Notes to be offered under the Programme, and (ii) the applicable Issue Document. The applicable Issue Document applies and/or disapplies, supplements and/or amends the Terms and Conditions of the Notes of the Programme in the manner required to reflect the particular Terms and Conditions applicable to the relevant Series of Notes (or Tranche thereof).

Copies of the legal documentation relating to this Programme are available for inspection as described in paragraph 8 under the section on “General and Statutory Information” of this Offering Circular. As and when any Series of Notes (or Tranches thereof) is issued, copies of the applicable Issue Document will be available for inspection in the manner and form set out in the applicable Issue Document.

Modifications and waivers

The Terms and Conditions of the Notes contain provisions for calling meetings of Noteholders of the relevant Series to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders of the relevant Series, including Noteholders who do not attend and vote at the relevant meeting and Noteholders who vote in a manner contrary to the majority.

Change of law

The Terms and Conditions of each Series of Notes are governed by English law or Singapore law (as specified in the applicable Issue Document). No assurance can be given as to the impact of any possible judicial decisions or changes to English law or Singapore law or administrative practices in England or Singapore after the date of issuance of such Notes.

If you are in doubt as to the implication of English law or Singapore law being the governing law in respect of the Notes, you should consult your solicitors and other professional advisers.

Provision of information

None of the Issuer, the Arranger, the Agents, the Distributors, or any of their affiliates makes any representation whatsoever as to any obligor of an Underlying Asset. Any of such persons may have acquired, or during the term of the Notes may acquire, non-public information with respect to an obligor of an Underlying Asset. None of such persons is under any obligation to make available any information relating to, or keep under review on the investors' behalf, the business, financial conditions, prospects, creditworthiness or state of affairs of the obligors of the Underlying Assets or conduct any investigation or due diligence into the obligors of the Underlying Assets.

CAUTIONARY NOTE ON FORWARD LOOKING STATEMENTS

All statements contained in this Offering Circular and the applicable Issue Document, statements made in press releases and oral statements that may be made by us, our Directors or our employees acting on our behalf that are not statements of historical fact constitute “forward looking statements”. You can identify some of these forward looking statements by terms such as “may”, “will”, “would”, “could”, “expects”, “anticipates”, “intends”, “estimates”, “believes”, “plans”, or similar words and phrases. However, you should note that these words are not the exclusive means of identifying forward looking statements. All statements regarding our expected financial position, business strategy, plans and prospects are also forward looking statements.

These forward looking statements are only predictions and include, but are not limited to, statements as to the following matters discussed in this Offering Circular and the applicable Issue Document regarding matters that are not historical facts.

Our actual results may differ materially from those anticipated in these forward looking statements. None of us, the Arranger or any other person represents or warrants that our actual future results, performance or achievements will be as discussed in these statements.

Please refer to the section on “Risk Factors” in this Offering Circular and the applicable Issue Document for the risk factors in relation to us and each issue of Notes.

Further, we and the Arranger disclaim any responsibility to update any of those forward looking statements or publicly announce any revisions to those forward looking statements to reflect future developments, events or circumstances for any reason, even if new information becomes available or other events occur in the future.

FORM OF THE NOTES

Notes of each Series will be in either bearer form, with or without interest coupons attached, or registered form, without interest coupons attached. Both Bearer Notes and Registered Notes will be issued outside the United States in reliance on Regulation S under the Securities Act (**Regulation S**). Bearer Notes are not exchangeable for Registered Notes.

Any reference herein to Euroclear, Clearstream, Luxembourg and/or CDP shall, whenever the context so permits, be deemed to include a reference to any additional or alternative Clearing System specified in the applicable Issue Document.

Bearer Notes

Each Tranche of Bearer Notes will be initially issued in the form of either a Temporary Global Note or a Permanent Global Note as indicated in the applicable Issue Document, which, in either case, will be delivered on or prior to the original issue date of the Tranche to a common depositary or any other depositary for Euroclear and Clearstream Luxembourg and/or to the CDP. Whilst any Bearer Note is represented by a Temporary Global Note, payments of principal, interest (if any) and any other amount payable in respect of the Notes due prior to the Exchange Date (as defined below) will be made against presentation of the Temporary Global Note only to the extent that certification (in a form to be provided) to the effect that the beneficial owners of interests in such Bearer Note are not U.S. persons or persons who have purchased for resale to any U.S. person, as required by U.S. Treasury regulations, has been received by Euroclear and/or Clearstream, Luxembourg or CDP and Euroclear and/or Clearstream, Luxembourg and/or CDP, as applicable, has given a like certification (based on the certifications it has received) to the Fiscal and Paying Agent.

On and after the date (the **Exchange Date**) which is the later of 40 days after a Temporary Global Note is issued and the expiry of the applicable Distribution Compliance Period (as defined in Regulation S), interests in such Temporary Global Note will be exchangeable (free of charge) upon a request as described therein for interests in a Permanent Global Note of the same Series against certification of beneficial ownership as described above unless such certification has already been given. The holder of a Temporary Global Note will not be entitled to collect any payment of interest, principal or other amount due on or after the Exchange Date unless, upon due certification, exchange of the Temporary Global Note for an interest in a Permanent Global Note or for definitive Bearer Notes is improperly withheld or refused.

Payments of principal, interest (if any) or any other amounts on a Permanent Global Note will be made through Euroclear and/or Clearstream, Luxembourg and/or CDP against presentation or surrender (as the case may be) of the Permanent Global Note without any requirement for certification.

The applicable Issue Document will specify that a Permanent Global Note will be exchangeable (free of charge), in whole but not in part, for definitive Bearer Notes with, where applicable, receipts, interest coupons and talons attached upon (a) not less than 60 days' written notice from Euroclear and/or Clearstream, Luxembourg and/or CDP (acting on the instructions of any holder of an interest in such Permanent Global Note) to the Fiscal and Paying Agent as described therein, (b) only upon the occurrence of an Exchange Event or (c) at any time at the request of the Issuer. For these purposes, **Exchange Event** means that (i) an Event of Default (as defined in Condition 12 (*Prescription*) of the Terms and Conditions of the Notes) has occurred and is continuing, (ii) the Issuer has been notified that both Euroclear and Clearstream, Luxembourg have and/or, as the case may be, CDP has been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor Clearing System is available, or (iii) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Notes represented by the Permanent Global Note issued in definitive form. The Issuer will promptly give notice to Noteholders in accordance with Condition 17 (*Notices*) of the Terms and Conditions of the Notes if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, Euroclear and/or Clearstream, Luxembourg and/or, as the case may be, CDP (acting on the instructions of any holder of an interest in such Permanent Global Note) may give notice to the Fiscal and Paying Agent requesting exchange and, in the event of the occurrence of

an Exchange Event as described in (iii) above, the Issuer may also give notice to the Fiscal and Paying Agent requesting exchange. Any such exchange shall occur not later than 45 days after the date of receipt of the first relevant notice by the Fiscal and Paying Agent.

The following legend will appear on all Bearer Notes having a maturity of more than one year and on all receipts, interest coupons and talons relating to such Notes:

“ANY UNITED STATES PERSON WHO HOLDS THIS OBLIGATION WILL BE SUBJECT TO LIMITATIONS UNDER THE UNITED STATES INCOME TAX LAWS, INCLUDING THE LIMITATIONS PROVIDED IN SECTIONS 165(j) AND 1287(a) OF THE INTERNAL REVENUE CODE.”

The sections referred to provide that United States holders, with certain exceptions, will not be entitled to deduct any loss on Bearer Notes, receipts or interest coupons and will not be entitled to capital gains treatment of any gain on any sale, disposition, redemption or payment of principal in respect of such Notes, receipts or interest coupons.

Notes which are represented by a Bearer Global Note will only be transferable in accordance with the rules and procedures for the time being of Euroclear, Clearstream, Luxembourg and/or CDP, as the case may be.

Registered Notes

Registered Notes may either be cleared through a Clearing System or not.

Where Registered Notes are cleared through a Clearing System

Where Registered Notes are cleared through a Clearing System, the Registered Notes of each Tranche will initially be represented by a Registered Global Note. Prior to expiry of the Distribution Compliance Period (as defined in Regulation S) applicable to each Tranche of Notes, beneficial interests in a Registered Global Note may not be offered or sold to, or for the account or benefit of, a U.S. person save as otherwise provided under applicable US law exemptions and may not be held otherwise than through Euroclear or Clearstream, Luxembourg or, as the case may be, CDP and such Registered Global Note will bear a legend regarding such restrictions on transfer.

The Registered Global Notes will be deposited with a common depository or any other depository for, and registered in the name of a common nominee or any other nominee of, Euroclear and Clearstream, Luxembourg and/or, as the case may be, CDP or any other clearing system, as specified in the applicable Issue Document. Persons holding beneficial interests in Registered Global Notes will be entitled or required, as the case may be, under the circumstances described below, to receive definitive Notes in fully registered form.

Payments of principal, interest and any other amount in respect of the Registered Global Notes will, in the absence of provision to the contrary, be made to the person shown on the Register (as defined in Condition 4(d) (*Payments in respect of Registered Notes*) of the Terms and Conditions of the Notes) as the registered holder of the Registered Global Notes. None of the Issuer, the Fiscal and Paying Agent, the Registrar, the Transfer Agent or any other agent will have any responsibility or liability for any aspect of the records relating to or payments or deliveries made on account of beneficial ownership interests in the Registered Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Payments of principal, interest or any other amount in respect of the Registered Notes in definitive form will, in the absence of provision to the contrary, be made to the persons shown on the Register on the relevant Record Date (as defined in Condition 4(d) (*Payments in respect of Registered Notes*) of the Terms and Conditions of the Notes) immediately preceding the due date for payment in the manner provided in that Condition.

Interests in a Registered Global Note will be exchangeable (free of charge), in whole but not in part, for definitive Registered Notes without receipts, interest coupons or talons attached only upon the occurrence of an Exchange Event. For these purposes, **Exchange Event** means that (i) an Event of Default (as defined in Condition 13 (*Events of Default*) of the Terms and Conditions of the Notes) has occurred and is continuing, (ii) in the case of Notes registered in the name of a nominee for a common

depository or any other depository for both Euroclear and Clearstream, Luxembourg and/or, as the case may be, CDP, the Issuer has been notified that Euroclear and Clearstream, Luxembourg have and/or, as the case may be, CDP has been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or has announced an intention permanently to cease business or has in fact done so and, in any such case, no successor Clearing System is available, or (iii) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Notes represented by the Registered Global Note issued in definitive form. The Issuer will promptly give notice to Noteholders in accordance with Condition 17 (*Notices*) of the Terms and Conditions of the Notes if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, Euroclear and/or Clearstream, Luxembourg and/or, as the case may be, CDP (acting on the instructions of any holder of an interest in such Registered Global Note) may give notice to the Registrar requesting exchange and, in the event of the occurrence of an Exchange Event as described in (iii) above, the Issuer may also give notice to the Registrar requesting exchange. Any such exchange shall occur not later than 45 days after the date of receipt of the first relevant notice by the Registrar.

Where Registered Notes are not cleared through a Clearing System

Where Registered Notes are not cleared through a Clearing System, the Registered Notes may initially be represented by a Registered Global Note or by Registered Notes in definition form. Prior to expiry of the Distribution Compliance Period (as defined in Regulation S) applicable to the Notes, beneficial interests in the Registered Global Note may not be offered or sold to, or for the account or benefit of, a U.S. person save as otherwise provided under applicable US law exemptions and may not be held otherwise than by DBS Bank Ltd. or its nominee, acting in its capacity as the Registrar and the Transfer Agent, and such Registered Global Note will bear a legend regarding such restrictions on transfer.

The Registered Global Note will be deposited with and registered in the name of DBS Bank Ltd. or its nominee, acting in its capacity as the Registrar and the Transfer Agent. Persons holding beneficial interests in such Registered Global Note will be entitled or required, as the case may be, under the circumstances described below, to receive definitive Notes in fully registered form.

Payments of principal, interest and any other amount in respect of the Registered Global Notes will, in the absence of provision to the contrary, be made to the person shown on the Register (as defined in Condition 4(d) (*Payments in respect of Registered Notes*) of the Terms and Conditions of the Notes) as the registered holder of such Notes. None of the Issuer, the Fiscal and Paying Agent, the Registrar, the Transfer Agent or any other agent will have any responsibility or liability for any aspect of the records relating to or payments or deliveries made on account of beneficial ownership interests in the Registered Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Payments of principal, interest or any other amount in respect of the Registered Notes in definitive form will, in the absence of provision to the contrary, be made to the persons shown on the Register on the relevant Record Date (as defined in Condition 4(d) (*Payments in respect of Registered Notes*) of the Terms and Conditions of Notes) immediately preceding the due date for payment in the manner provided in that Condition.

Interests in such a Registered Global Note will be exchangeable (free of charge), in whole but not in part, for definitive Registered Notes without receipts or interest coupons or talons attached only upon the occurrence of an Exchange Event. For these purposes, **Exchange Event** means that (i) an Event of Default (as defined in Condition 13 (*Events of Default*) of the Terms and Conditions of the Notes) has occurred and is continuing, or (ii) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Notes represented by the Registered Global Note issued in definitive form. The Issuer will promptly give notice to Noteholders in accordance with Condition 17 (*Notices*) of the Terms and Conditions of the Notes if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, any holder of an interest in such Registered Global Note may give notice to the Registrar requesting exchange and, in the event of the occurrence of an Exchange Event as described in (ii) above, the Issuer may also give notice to the Registrar requesting exchange. Any such exchange shall occur not later than 45 days after the date of receipt of the first relevant notice by the Registrar.

Transfer of Interests in Global Notes

Transfers of interests in Global Notes will vary depending on whether or not such Notes are cleared through a Clearing System.

Where Notes are cleared through a Clearing System

Where Notes are cleared through a Clearing System, interests in a Global Note may, subject to compliance with all applicable restrictions, be transferred to a person who wishes to hold such interest in such Global Note. No beneficial owner of an interest in such Global Note will be able to transfer such interest, except in accordance with the applicable procedures of Euroclear and Clearstream, Luxembourg and/or, as the case may be, CDP, in each case to the extent applicable.

Where Notes are not cleared through a Clearing System

Where Notes are not cleared through a Clearing System, interests in a Global Note may, subject to compliance with all applicable restrictions, be transferred to a person who wishes to hold such interest in such Global Note provided that, where the Global Note is held by and registered in the name of DBS Bank Ltd. or its nominee, acting in its capacity as the Registrar and the Transfer Agent, all transfers must be made in accordance with the applicable procedures of DBS Bank Ltd., acting in its capacity as the Registrar and the Transfer Agent.

General

The following information applies to both Bearer Notes and Registered Notes, but may vary depending on whether or not the relevant Notes are cleared through a Clearing System.

Where Notes are cleared through a Clearing System

The following paragraphs are relevant for Notes cleared through a Clearing System.

Pursuant to the Agency Agreement, the Fiscal and Paying Agent shall arrange that, where a further Tranche of Notes is issued which is intended to form a single Series with an existing Tranche of Notes, the Notes of such further Tranche shall be assigned a common code and International Securities Identification Number (**ISIN**) and, where applicable, a CDP number which may be different from the common code, ISIN and CDP number assigned to Notes of any other Tranche of the same Series until at least the expiry of the Distribution Compliance Period applicable to Notes of such Tranche.

For so long as any of the Notes is represented by a Global Note held on behalf of Euroclear and/or Clearstream, Luxembourg and/or, as the case may be, CDP, each person (other than Euroclear or Clearstream, Luxembourg or, as the case may be, CDP) who is for the time being shown in the records of Euroclear or of Clearstream, Luxembourg or, as the case may be, CDP as the holder of a particular principal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg or, as the case may be, CDP as to the principal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer and its agents as the holder of such principal amount of such Notes for all purposes other than with respect to the payment of principal or interest on such principal amount of such Notes, for which purpose the bearer of the relevant Bearer Global Note or the registered holder of the relevant Registered Global Note, as the case may be, shall be treated by the Issuer and its agents as the holder of such principal amount of such Notes in accordance with and subject to the terms of the relevant Global Note and the expressions “Noteholder” and “holder of Notes” and related expressions shall be construed accordingly.

A Note may be accelerated by the holder thereof in certain circumstances described in Condition 13 (*Events of Default*) of the Terms and Conditions of the Notes. In such circumstances, where any Note is still represented by a Global Note and the Global Note (or any part thereof) has become due and repayable in accordance with the Terms and Conditions of such Notes and payment in full of the amount due has not been made in accordance with the provisions of the Global Note then holders of interests in such Global Note credited to their accounts with Euroclear and/or Clearstream, Luxembourg and/or CDP, as the case may be, will become entitled to proceed directly against the Issuer on the basis of statements of account provided by Euroclear, Clearstream, Luxembourg and/or CDP, as the case may be, on and subject to the terms of an Amended and Restated Deed of Covenant dated 28 August 2012 and as amended and/or supplemented and/or restated from time to time, the **Deed of Covenant** executed by the Issuer.

Where Notes are not cleared through a Clearing System

The following paragraphs are relevant for Notes not cleared through a Clearing System.

For so long as any Notes are represented by a Global Note held by and registered in the name of DBS Bank Ltd. or its nominee, acting in its capacity as the Registrar and the Transfer Agent, each person (other than DBS Bank Ltd.) who is for the time being shown in the records of DBS Bank Ltd. as the holder of a particular principal amount of Notes (in which regard any certificate or other document issued by DBS Bank Ltd., acting in its capacity as the Registrar and the Transfer Agent, as to the principal amount of Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer and its agents as the holder of such principal amount of such Notes for all purposes and the expressions “Noteholder” and “holder of Notes” and related expressions shall be construed accordingly.

Notes may be accelerated by the holder thereof in certain circumstances described in Condition 13 (*Events of Default*) of the Terms and Conditions of the Notes. In such circumstances, where Notes are still represented by a Global Note and the Global Note (or any part thereof) has become due and repayable in accordance with the Terms and Conditions of Notes and payment in full of the amount due has not been made in accordance with the provisions of the Global Note then holders of interests in such Global Note credited to their accounts with DBS Bank Ltd., acting in its capacity as the Registrar and the Transfer Agent, will become entitled to proceed directly against the Issuer on the basis of statements of account provided by DBS Bank Ltd., acting in its capacity as the Registrar and the Transfer Agent, on and subject to the terms of the Deed of Covenant.

The Noteholders, the Receiptholders and the Couponholders are deemed to have notice of, and are entitled to the benefit of, all the provisions of the Agency Agreement and the applicable Conditions Supplement which are applicable to them. The statements in these Terms and Conditions include summaries of, and are subject to, the detailed provisions of the Agency Agreement.

The documents stated above are also available for inspection at the additional locations and in the manner described in the section on "General and Statutory Information" in the Offering Circular.

Words and expressions defined in the Agency Agreement or used in the applicable Conditions Supplement shall have the same meanings where used in these Terms and Conditions unless the context otherwise requires or unless otherwise stated. In the event of inconsistency between the Agency Agreement and the applicable Conditions Supplement, the applicable Conditions Supplement will prevail. The Notes are in bearer form or in registered form as specified in the applicable Conditions Supplement and, in the case of definitive Notes, serially numbered in the Specified Currency and the Specified Denomination(s). Notes of one Specified Denomination may not be exchanged for Notes of another Specified Denomination and Bearer Notes may not be exchanged for Registered Notes and *vice versa*.

The Notes may be a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note, a Linked Interest Note or a combination of any of the foregoing, depending upon the Interest Basis specified in the applicable Conditions Supplement.

The Notes may be an Instalment Note, a Linked Redemption Note or a combination of any of the foregoing, depending upon the Redemption Basis specified in the applicable Conditions Supplement.

The Notes may be of a particular Class within one Series, as specified in the applicable Conditions Supplement.

Definitive Bearer Notes are issued with Coupons and, if applicable, Receipts attached, unless they are Zero Coupon Notes or non-interest bearing Notes, in which case references to Coupons and Couponholders in these Terms and Conditions are not applicable. References in these Terms and Conditions to Receipts, Coupons and Talons do not apply to any Notes represented by a Global Note or to Registered Notes.

(b) Transfers of Bearer Notes and Title

Subject to these Terms and Conditions, title to the Bearer Notes, Receipts and Coupons will pass by delivery. The bearer of any Bearer Note, Receipt or Coupon will (except as otherwise required by law or ordered by a court of competent jurisdiction or an official authority) be treated as the absolute owner thereof (whether or not overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes.

Bearer Notes will (as indicated in the Conditions Supplement) either (a) initially be represented by a temporary Global Note (a **Temporary Global Note**), or (b) be represented by a permanent global note (a **Permanent Global Note**), which will in each case be deposited on the Issue Date with (i) a common depository or any other depository on behalf of Euroclear and Clearstream, Luxembourg, or (ii) CDP, subject to any restrictions or conditions which may be applicable (as specified in the applicable Conditions Supplement). Beneficial interests in a Temporary Global Note will be exchangeable for beneficial interests in a Permanent Global Note on or after the date (the **Exchange Date**) which is the later of (i) 40 days after the date on which the Temporary Global Note is issued and (ii) expiry of the applicable Distribution Compliance Period (as defined in Regulation S under the Securities Act) and, if specified in the applicable Conditions Supplement, upon certification as to non-U.S. beneficial ownership as required by U.S. Treasury regulations. A Permanent Global Note will (save as indicated in the Conditions Supplement) be exchangeable, in whole, for definitive Notes only in those limited circumstances set out in the Permanent Global Note.

(c) Transfers of Registered Notes and Title

(i) Title

Title to the Registered Notes passes only by registration in the register of Noteholders. The holder of any Registered Note will (except as otherwise required by law) be treated as its absolute owner for all purposes (whether or not it is overdue and regardless of any notice of ownership, trust or any interest or any writing on, or the theft or loss of, the Registered Note) and no person will be liable for so treating the holder.

In the case of a registered Global Note (a **Registered Global Note**), such Registered Global Note will be registered in the name of a common nominee or a nominee of Euroclear, Clearstream, Luxembourg or CDP or in the name of the Registrar or its nominee, as the case may be.

(ii) Transfers of interests in Registered Global Notes

Transfers of beneficial interests in Registered Global Notes will be effected by Euroclear, Clearstream, Luxembourg, CDP or the Registrar, as the case may be, and in the case of Registered Notes cleared through a Clearing System, in turn, by other participants and, if appropriate, indirect participants in such Clearing Systems acting on behalf of beneficial transferors and transferees of such interests. A beneficial interest in a Registered Global Note will, subject to compliance with all applicable legal and regulatory restrictions, be transferable for Notes in definitive form or for a beneficial interest in another Registered Global Note only in the authorised denominations set out in the applicable Conditions Supplement and only in accordance with the rules and operating procedures for the time being of Euroclear, Clearstream, Luxembourg or CDP, as the case may be, and in accordance with the Terms and Conditions specified in the Agency Agreement.

(iii) Transfers of Registered Notes in definitive form

Subject as provided in Condition 1(v) (*Costs of registration*), upon the terms and subject to the conditions set forth in the Agency Agreement, a Registered Note in definitive form may be transferred in whole or in part (in the authorised denominations set out in the applicable Conditions Supplement). Any such transfer will be subject to such reasonable regulations as the Issuer and the Registrar may from time to time prescribe (the initial such regulations being set out in Schedule 8 to the Agency Agreement). Subject as provided above, the Registrar or, as the case may be, the relevant Transfer Agent will, within three Business Days (being for this purpose a day on which banks are open for business in the city where the specified office of the Registrar or, as the case may be, the relevant Transfer Agent is located) of the request (or such longer period as may be required to comply with any applicable fiscal or other laws or regulations), authenticate and deliver, or procure the authentication and delivery of, at its specified office to the transferee or (at the risk of the transferee) send by uninsured mail, to such address as the transferee may request, a new Registered Note in definitive form of a like aggregate principal amount to the Registered Note (or the relevant part of the Registered Note) transferred. In the case of the transfer of part only of a Registered Note in definitive form, a new Registered Note in definitive form in respect of the balance of the Registered Note not transferred will be so authenticated and delivered or (at the risk of the transferor) sent to the transferor.

(iv) *Registration of transfer upon partial redemption*

In the event of a partial redemption of Notes under Condition 5 (*Redemption*), the Issuer shall not be required to register the transfer of any Registered Note, or part of a Registered Note, called for partial redemption.

(v) *Costs of registration*

Noteholders will not be required to bear the costs and expenses of effecting any registration of transfer as provided above, except for any costs or expenses of delivery other than by regular uninsured mail and except that the Issuer may require the payment of a sum sufficient to cover any stamp duty, tax or other governmental charge that may be imposed in relation to the registration.

(vi) *Exchanges and transfers of Registered Notes generally*

Holders of Registered Notes in definitive form may exchange such Notes for interests in a Registered Global Note of the same type at any time.

2. Status of the Notes

Unless otherwise specified in the applicable Conditions Supplement, the Notes of each Class and, in the case of Definitive Bearer Notes, any relative Receipts and Coupons are direct, unsecured and unsubordinated obligations of the Issuer and rank and will rank *pari passu* without any preference among themselves and (save for certain obligations required to be preferred by law) equally with all other unsecured obligations (other than subordinated obligations, if any) of the Issuer, from time to time outstanding.

3. Interest

(a) Interest Basis

(i) *Interest on Fixed Rate Notes*

Each Note with an Interest Basis specified as Fixed Rate in the applicable Conditions Supplement bears interest on its outstanding principal amount from (and including) the Interest Commencement Date at the rate(s) per annum (expressed as a percentage) equal to the Rate(s) of Interest, such interest being payable in arrears on each Interest Payment Date(s). The amount of interest payable shall be determined in accordance with Condition 3(e) (*Calculations*).

(ii) *Interest on Floating Rate Notes*

(I) *Interest Payment Dates*

Each Note with an Interest Basis specified as Floating Rate in the applicable Conditions Supplement bears interest on its outstanding principal amount from (and including) the Interest Commencement Date at the rate(s) per annum (expressed as a percentage) equal to the Rate(s) of Interest, such interest being payable in arrears on each Interest Payment Date(s). The amount of interest payable shall be determined in accordance with Condition 3(e) (*Calculations*). Such Interest Payment Date(s) is/ are either specified in the applicable Conditions Supplement as Interest Payment Date(s) or, if no Interest Payment Date(s) is/are so specified, Interest Payment Date shall mean each date which falls the number of months or other period specified as the Interest Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

(II) *Rate of Interest*

The Rate of Interest payable from time to time in respect of any Note with an Interest Basis specified as Floating Rate in the applicable Conditions Supplement will be determined in the manner specified in the applicable Conditions Supplement.

(iii) *Interest on all Linked Interest Notes*

In the case of Linked Interest Notes, the Rate of Interest and Interest Amount payable shall be determined by the Calculation Agent (if specified in the applicable Conditions Supplement) by reference to the provisions specified in the applicable Conditions Supplement.

(b) **ISDA Determination / Screen Rate Determination:**

The provisions below relating to either ISDA Determination or Screen Rate Determination shall apply, if, and to the extent, specified to apply in the applicable Conditions Supplement.

(I) *ISDA Determination*

Where ISDA Determination is specified in the applicable Conditions Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate. For the purposes of this sub-paragraph (I), **ISDA Rate** for an Interest Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (x) the Floating Rate Option is as specified in the applicable Conditions Supplement;
- (y) the Designated Maturity is a period as specified in the applicable Conditions Supplement; and
- (z) the relevant Reset Date is the first day of that Interest Period unless otherwise specified in the applicable Conditions Supplement.

For the purposes of this sub-paragraph (I), **Floating Rate, Calculation Agent, Floating Rate Option, Designated Maturity, Reset Date** and **Swap Transaction** have the meanings given to those terms in the ISDA Definitions.

(II) *Screen Rate Determination*

- (x) Where Screen Rate Determination is specified in the applicable Conditions Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (1) the relevant quotation as described in the applicable Conditions Supplement; or
- (2) the arithmetic mean of the relevant quotations as described in the applicable Conditions Supplement,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time in the case of LIBOR or Brussels time in the case of EURIBOR or such other time specified in the applicable Conditions Supplement) (the **Relevant Time**) on the Interest Determination Date in question as determined by the Calculation Agent. If five or more of such relevant quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean of such relevant quotations.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Conditions Supplement as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Conditions Supplement.

- (y) if the Relevant Screen Page is not available or if, sub-paragraph (x)(1) above applies and no such relevant quotation appears on the Relevant Screen Page or if sub-paragraph (x)(2) above applies and fewer than three such relevant quotations appear on the Relevant Screen Page in each case as at the time specified above, subject as provided below, the Calculation Agent shall request, if the Reference Rate is LIBOR, the principal London office of each of the Reference Banks or, if the Reference Rate is EURIBOR, the principal Euro-zone office of each of the Reference Banks to provide the Calculation Agent with its relevant quotation (expressed as a percentage rate per annum) for the Reference Rate, at approximately the Relevant Time on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such relevant quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean of such relevant quotations as determined by the Calculation Agent; and
- (z) if sub-paragraph (y) above applies and the Calculation Agent determines that fewer than two Reference Banks are providing relevant quotations, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered at approximately the Relevant Time on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, or, if fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at approximately the Relevant Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for such purpose) informs the Calculation Agent it is quoting to leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this sub-paragraph (z), the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Period, in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Period).

(c) Accrual of Interest

Subject as provided in these Terms and Conditions or the applicable Conditions Supplement, each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue until the date on which all amounts due in respect of such Note have been paid, *provided that* if each such Note is a Credit Linked Note, each such Note shall cease to bear interest from the Interest Payment Date (or, if none, the Interest Commencement Date) immediately preceding the Event Determination Date, or if the Event Determination Date is an Interest Payment Date (or, as the case may be, the Interest Commencement Date) such Interest Payment Date (or, as the case may be, the Interest Commencement Date), and *provided further that* if each such Note is a Zero Coupon Note which is repayable prior to the Maturity Date and is not paid when due, as from the Maturity Date, the Rate of Interest for any overdue principal of each such Note shall be a rate per annum (expressed as a percentage) equal to the Accrual Yield (as specified in the applicable Conditions Supplement).

(d) Margin, Maximum/Minimum Rates of Interest and Rounding:

- (i) If any Margin is specified in the applicable Conditions Supplement (either (x) generally, or (y) in relation to one or more Interest Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Periods, in the case of (y), calculated in accordance with Condition 3(a)(ii) (*Interest on Floating Rate Notes*) by adding (if a positive number) or subtracting the absolute value (if a negative number) of such Margin subject always to the next sub-paragraph.
- (ii) If any Maximum or Minimum Rate of Interest is specified in the applicable Conditions Supplement, then any Rate of Interest shall be subject to such maximum or minimum, as the case may be.
- (iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the fifth decimal place, with halves being rounded up, (y) all figures shall be rounded to the fifth decimal place, with halves being rounded up, and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up). For these purposes **unit** means the lowest amount of such currency that is available as legal tender in the country of such currency.

(e) Calculations

Unless otherwise specified in the applicable Conditions Supplement, the Interest Amount payable in respect of any Note for any Interest Period shall be calculated by applying the Rate of Interest to the outstanding principal amount of such Note and multiplying such amount by the Day Count Fraction for such Interest Period.

(f) Notification of Rate of Interest and Interest Amounts

The Calculation Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer as soon as practicable after their determination. Each Interest Amount and Interest Payment Date may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to the Noteholders in accordance with Condition 17 (*Notices*).

(g) Certificates to be final

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 3 (*Interest*) by the Calculation Agent shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Fiscal and Paying Agent, the Calculation Agent, the other Agents and all Noteholders, Receiptholders and Couponholders and (in the absence as aforesaid) no liability to the Issuer, the Noteholders, the Receiptholders or the Couponholders shall attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(a) Method of payment

Subject as provided below:

- (i) payments in a Specified Currency other than euro will be made by credit or transfer to an account in the relevant Specified Currency maintained by the payee with, or, at the option of the payee by a cheque or cashier's order in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency; and
- (ii) payments in euro will be made by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro denominated cheque.

Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto in any jurisdiction (whether by operation of law or agreement of the Issuer or its Agents) and the Issuer will not be liable for any taxes or duties of whatever nature imposed or levied by such laws, regulations, directives or agreements.

(b) *Presentation of Definitive Bearer Notes, Receipts and Coupons*

Payments of principal in respect of Definitive Bearer Notes will (subject as provided below) be made in the manner provided in Condition 4(a) (*Method of payment*) only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Definitive Bearer Notes, and payments of interest (if any) in respect of Definitive Bearer Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Coupon, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)).

Payments of instalments of principal (if any) in respect of Definitive Bearer Notes, other than the final instalment, will (subject as provided below) be made in the manner provided in Condition 4(a) (*Method of payment*) against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Receipt in accordance with the preceding paragraph. Payment of the final instalment will be made in the manner provided in Condition 4(a) (*Method of payment*) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Definitive Bearer Notes in accordance with the preceding paragraph. Each Receipt must be presented for payment of the relevant instalment together with the Definitive Bearer Note to which it appertains. Receipts presented without the Definitive Bearer Note to which they appertain do not constitute valid obligations of the Issuer. Upon the date on which any Definitive Bearer Note becomes due and repayable, unmatured Receipts (if any) relating thereto (whether or not attached) shall become void and no payment shall be made in respect thereof.

A Note with an Interest Basis specified as Fixed Rate in the applicable Conditions Supplement should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of 10 years after the Relevant Date (as defined below) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 12 (*Prescription*)) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Note with an Interest Basis specified as Fixed Rate in the applicable Conditions Supplement in definitive bearer form becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note or Linked Interest Note in definitive bearer form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for Coupons shall be made in respect thereof.

If the due date for redemption of any Definitive Bearer Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant Definitive Bearer Note.

Notwithstanding the foregoing, payments on a Temporary Global Note due prior to the Exchange Date will only be made, if the applicable Conditions Supplement so specifies, upon certification as to non-U.S. beneficial ownership as required by U.S. Treasury regulations, and no payments due after the Exchange Date will be made on the Temporary Global Note.

(c) Payments in respect of Bearer Global Notes

Payments of principal and interest (if any) in respect of Notes represented by any Global Note in bearer form will (subject as provided below) be made in the manner specified in the relevant Global Note against presentation or surrender, as the case may be, of such Global Note at the specified office of any Paying Agent outside the United States. A record of each payment made against presentation or surrender of any Global Note in bearer form, distinguishing between any payment of principal and any payment of interest, will be made on such Global Note by the Paying Agent to which it was presented or surrendered and such record shall be *prima facie* evidence that the payment in question has been made.

The holder of a Global Note shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer will be discharged *pro tanto* by payment to, or to the order of, the holder of such Global Note in respect of each amount so paid.

(d) Payments in respect of Registered Notes

Payments of principal (other than instalments of principal prior to the final instalment) in respect of each Registered Note (whether or not in global form) will be made against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the Registered Note at the specified office of the Registrar or any of the Paying Agents. Such payments will be made by transfer to the Designated Account (as defined below) of the holder (or the first named of joint holders) of the Registered Note appearing in the register of holders of the Registered Notes maintained by the Registrar (the **Register**) at the close of business on the third Business Day (being for this purpose a day on which banks are open for business in the city where the specified office of the Registrar is located) before the relevant due date. Notwithstanding the previous sentence, if a holder does not have a Designated Account, payment will instead be made, at the discretion of the Registrar, by transfer to another account of the holder with the Issuer or by a cheque or cashier's order in the Specified Currency drawn on a Designated Bank (as defined below) and mailed to the holder as set out in the following paragraph. For these purposes, **Designated Account** means the account maintained by a holder with a Designated Bank and identified as such in the Register and **Designated Bank** means (in the case of payment in a Specified Currency other than euro) a bank in the principal financial centre of the country of such Specified Currency and (in the case of a payment in euro) any bank which processes payments in euro.

Payments of interest and payments of instalments of principal (other than the final instalment) in respect of each Registered Note (whether or not in global form) will be made, at the discretion of the Registrar, by (i) transfer to a Designated Account of the holder (or the first named of joint holders) of the Registered Note appearing in the Register at the close of business on the third Business Day prior to the Entitlement Date (the **Record Date**) or (ii) by a cheque or cashier's order in the Specified Currency drawn on a Designated Bank and mailed by uninsured mail (at the risk of the holder) on the Business Day in the city where the specified office of the Registrar is located immediately preceding the relevant due date to the holder (or the first named of joint holders) of the Registered Note appearing in the Register at the close of business on the Record Date at his address shown in the Register on the Record Date and at his risk. For the purpose hereof, **Entitlement Date** means the due date for the distribution of cash or cash settlement of securities as determined by the Terms and Conditions of such Registered Note or as set out in the applicable Conditions Supplement of such Registered Note, as the case may be. Payment of the interest due in respect of each Registered Note on redemption and the final instalment of principal will be made in the same manner as payment of the principal amount of such Registered Note.

Holders of Registered Notes will not be entitled to any interest or other payment for any delay in receiving any amount due in respect of any Registered Note as a result of a cheque or cashier's order posted in accordance with this Condition 4(d) (*Payments in respect of Registered Notes*) arriving after the due date for payment or being lost in the post. No commissions or expenses shall be charged to such holders by the Registrar in respect of any payments of principal or interest in respect of the Registered Notes.

None of the Issuer or the Agents will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Registered Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

(e) General provisions applicable to payments

Each of the persons shown in the records of Euroclear, Clearstream, Luxembourg, CDP or the Registrar, as the case may be, as the beneficial holder of a particular principal amount of Notes represented by any Global Note must look solely to Euroclear, Clearstream, Luxembourg, CDP or the Registrar, as the case may be, for his share of each payment made by the Issuer to or to the order of, the holder of such Global Note. Such persons shall have no claim directly against the Issuer in respect of payments due on the Notes for so long as such Global Note is outstanding and the Issuer's obligations for such payments will be discharged by payment to the holder of such Global Note in respect of each amount so paid.

Every payment of principal or interest in respect of the Notes or any Class of Notes to or to the account of the relevant Paying Agent in the manner provided in the Agency Agreement relating to such Notes or Class of Notes shall operate in satisfaction *pro tanto* of the relative obligation of the Issuer in respect of such Notes or Class of Notes to pay such principal or interest except to the extent that there is default in the subsequent payment thereof in accordance with the Conditions of such Notes or Class of Notes to the Noteholders, Receiptholders or Couponholders (as the case may be) of such Notes or Class of Notes.

Notwithstanding the foregoing provisions of this Condition 4 (*Payments*), if any amount of principal and/or interest in respect of Bearer Notes is payable in U.S. dollars, such U.S. dollar payments of principal and/or interest in respect of such Notes will be made at the specified office of a Paying Agent in the United States if:

- (i) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest on the Bearer Notes in the manner provided above when due;
- (ii) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

Where Physical Settlement is specified to apply to an issue of Equity Linked Notes or Credit Linked Notes, as the case may be, in the applicable Conditions Supplement, the provisions of this Condition 4 (*Payments*) shall be subject to the provisions of Conditions 7 (*Equity Linked Notes*), 8 (*Index Linked Notes*) and 9 (*Credit Linked Notes*), as applicable.

(f) Payment Day

If the date for payment of any amount in respect of any Note, Receipt or Coupon is not a Payment Day, then unless otherwise described in the applicable Conditions Supplement, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to interest or other payment in respect of such delay.

(g) Interpretation of principal

Any reference in these Terms and Conditions to principal in respect of the Notes shall be deemed to include the amounts due and payable or deliverable upon the redemption of any Note or part thereof. By way of illustration, the following is a non-exhaustive list of such amounts:

- (i) Final Redemption Amount;
- (ii) Early Redemption Amount;

- (iii) Optional Redemption Amount (if any);
- (iv) Minimum Redemption Amount (if any);
- (v) Higher Redemption Amount (if any);
- (vi) Instalment Amounts or, as the case may be, the outstanding aggregate principal amount;
- (vii) Credit Event Redemption Amount;
- (viii) Amortised Face Amount;
- (ix) Asset Amount; and
- (x) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Notes.

5. Redemption

(a) Redemption at maturity

Unless previously redeemed or purchased and cancelled as specified below, each Note (other than a Linked Redemption Note) will be redeemed by the Issuer on the Maturity Date specified in the applicable Conditions Supplement at the Final Redemption Amount or, in the case of Instalment Notes, its final Instalment Amount.

In the case of Linked Redemption Notes and subject to Condition 6 (*Commodity Linked Redemption Notes*, *Currency Linked Redemption Notes* and *Interest Rate Linked Redemption Notes*), 7 (*Equity Linked Notes*), 8 (*Index Linked Notes*) or 9 (*Credit Linked Notes*), as the case may be, each Note will be redeemed by the Issuer on the Maturity Date specified in the applicable Conditions Supplement at the Final Redemption Amount set out in these Terms and Conditions or as specified in the applicable Conditions Supplement.

(b) Redemption for taxation reasons

The Notes may be redeemed at the option of the Issuer in whole, but not in part, on any Interest Payment Date or, if so specified in the applicable Conditions Supplement, at any time, on giving not less than 30 nor more than 60 days' notice to the Noteholders (which notice shall be irrevocable), at their Early Redemption Amount (together with interest accrued to the date fixed for redemption), if (i) the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 11(a) (*Gross-Up*) as a result of any change in, or amendment to, the laws or regulations of Singapore or any political subdivision or any authority thereof or therein having power to tax, or generally accepted practice of any authority thereof or therein or any change in the application or official interpretation of such laws or regulations, or the Notes do not qualify as "qualifying debt securities" for the purposes of the Income Tax Act, Chapter 134 of Singapore, which change or amendment becomes effective on or after the Issue Date, and (ii) such obligation cannot be avoided by the Issuer taking reasonable measures available to it, provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Notes then due. Before the publication of any notice of redemption pursuant to this paragraph, the Issuer shall deliver to the Fiscal and Paying Agent a certificate signed by a duly authorised signatory of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred, and an opinion of independent legal advisers of recognised standing to the effect that the Issuer has or will become obliged to pay such additional amounts as a result of such change or amendment.

If Condition 11(b) (*No Gross-Up*) is specified as applicable in the applicable Conditions Supplement, this Condition 5(b) (*Redemption for taxation reasons*) shall not apply to the Notes.

(c) Redemption at the option of the Issuer (Issuer Call)

If Issuer Call is specified in the applicable Conditions Supplement, the Issuer may, having given not less than 15 nor more than 30 days' notice to the Noteholders or such other period of notice as is specified in the applicable Conditions Supplement in accordance with Condition 17 (*Notices*) (which notice shall be irrevocable and shall specify the applicable Optional Redemption Date fixed for redemption), redeem the Notes, subject to, and in accordance with, the terms specified in the applicable Conditions Supplement, in whole or in part, then outstanding at the Optional Redemption Amount specified in the applicable Conditions Supplement in respect of such Note and/or, where redemption shall take place by way of physical settlement instead of cash settlement, by Physical Settlement in accordance with the provisions of Conditions 7(b) (*Equity Linked Notes — Physical Settlement*) and 9(c) (*Credit Linked Notes — Physical Settlement*) or as otherwise specified in, or determined in the manner specified in, the applicable Conditions Supplement, on any Optional Redemption Date specified in, or determined in the manner specified in, the applicable Conditions Supplement. In the case of a partial redemption of Notes, the provisions of Condition 5(i) (*Partial redemption of Notes*) shall apply. Any partial redemption must be of a principal amount not less than the Minimum Redemption Amount or not more than a Higher Redemption Amount, in each case if specified in the applicable Conditions Supplement.

(d) Redemption at the option of the Noteholders (Investor Put)

(i) If Investor Put is specified in the applicable Conditions Supplement, the holder of any Note then outstanding may, having given not less than 15 nor more than 30 days' notice or such other period of notice as is specified in the applicable Conditions Supplement in accordance with Condition 5(d)(ii) (*Exercise of put*) (which notice shall be irrevocable), upon which the Issuer will redeem such Note, subject to, and in accordance with, the terms specified in the applicable Conditions Supplement, in whole or in part, at the Optional Redemption Amount specified in the applicable Conditions Supplement in respect of such Note, subject as provided in Condition 5(f)(ii) (*Late payment on Zero Coupon Notes*) below, and/or, where redemption shall take place by way of physical settlement instead of cash settlement, by Physical Settlement in accordance with the provisions of Conditions 7(b) (*Equity Linked Notes — Physical Settlement*) and 9(c) (*Credit Linked Notes — Physical Settlement*) or as otherwise specified in, or determined in the manner specified in, the applicable Conditions Supplement, on the relevant Optional Redemption Date specified in, or determined in the manner specified in, the applicable Conditions Supplement. In the case of a partial redemption of Notes, the provisions of Condition 5(i) (*Partial redemption of Notes*) shall apply. Any partial redemption must be of a principal amount not less than the Minimum Redemption Amount or not more than a Higher Redemption Amount, in each case as may be specified in the applicable Conditions Supplement. Registered Notes may be redeemed under this Condition 5(d) (*Redemption at the option of the Noteholders (Investor Put)*) in any multiple of their lowest Specified Denomination.

(ii) Exercise of put

To exercise the right to require redemption of the Note the holder of the Note must deliver, at the specified office of any Paying Agent (in the case of Bearer Notes) or the Registrar (in the case of Registered Notes) at any time during normal business hours of such Paying Agent or, as the case may be, the Registrar a duly completed and signed notice of exercise in the form (for the time being current) obtainable during normal business hours from the specified office of any Paying Agent or, as the case may be, the Registrar (a **Put Notice**) and in which the holder must specify (a) a bank account (or, if payment is required to be made by cheque, an address) to which payment is to be made under this Condition 5(d) (*Redemption at the option of the Noteholders (Investor Put)*) and, in the case of Registered Notes, the principal amount thereof to be redeemed and, if less than the full principal amount of the Registered Notes so surrendered is to be redeemed, an address to which a new Registered Note in respect of the balance of such Registered Notes is to be sent subject to and in accordance with the provisions of Condition 1(c)(iii) (*Form, Denomination, Title and Transfer — Transfers of Registered Notes in definitive form*), and/or (b) all details relating to the delivery of any assets pursuant to this Condition 5(d) (*Redemption at the option of the Noteholders (Investor Put)*) as may be reasonably required by the Issuer. If this Note is in definitive form, the Put Notice must be accompanied by this Note or evidence satisfactory to

the Paying Agent concerned that this Note will, following delivery of the Put Notice, be held to its order or under its control. Holders of Notes represented by a Global Note cleared through a Clearing System must exercise the right to require redemption of their Notes by giving notice (including all information required in the applicable Put Notice) through Euroclear, Clearstream, Luxembourg or CDP, as the case may be.

Any Put Notice given by a holder of any Note pursuant to this paragraph shall be irrevocable except where prior to the due date of redemption an Event of Default shall have occurred and be continuing in which event such holder, at its option, may elect by notice to the Issuer in accordance with Condition 17 (*Notices*) to withdraw the Put Notice.

(iii) *Consequence of exercise of put option*

The amount falling due on redemption of any Note redeemed pursuant to paragraph (i) above shall be subject to deduction for any costs or expenses (including taxes and other charges) which the Issuer may incur or which may be made against it as a result of or in connection with the redemption of such Note.

(e) ***Banking Event, Currency Event, Currency Hedging Disruption Event, Governmental Event and Illegality***

If Banking Event, Currency Event, Currency Hedging Disruption Event, Governmental Event and/or Illegality is specified as applying in the applicable Conditions Supplement, following the occurrence of such an event, the Calculation Agent will, in good faith acting in a commercially reasonable manner, determine the appropriate adjustment, if any, to be made to any terms of the Notes to account for such event, and determine the effective date of that adjustment.

If the Calculation Agent determines that no adjustment that it could make will produce a commercially reasonable result, the Issuer will redeem all, but not some only, of the Notes, at the Early Redemption Amount. Where applicable, the Calculation Agent may (but need not) determine the appropriate adjustment by reference to the adjustment (if any) in respect of the Banking Event, the Currency Event, the Currency Hedging Disruption Event, the Governmental Event or Illegality made by an options exchange to options on the Underlying Equity traded on that options exchange.

Upon the occurrence of (if applicable) a Banking Event, a Currency Event, a Currency Hedging Disruption Event, a Governmental Event or an Illegality, the Calculation Agent shall give notice as soon as practicable to the Noteholders in accordance with Condition 17 (*Notices*) stating the occurrence of the Banking Event, a Currency Event, a Currency Hedging Disruption Event, a Governmental Event or an Illegality, as the case may be, giving details thereof and the action proposed to be taken in relation thereto.

(f) ***Late payment on Zero Coupon Notes***

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to this Condition 5(f) (*Late payment on Zero Coupon Notes*) or upon its becoming due and repayable as provided in Condition 13 (*Events of Default*) is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the Amortised Face Amount as though the reference therein to the date fixed for the redemption was replaced by reference to the date which is the earlier of:

- (i) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and
- (ii) five days after the date on which the full amount of the moneys payable in respect of such Zero Coupon Note has been received by Fiscal and Paying Agent and notice to that effect has been given to the Noteholders in accordance with Condition 17 (*Notices*).

(g) ***Instalments***

Unless previously redeemed, purchased and cancelled, each Instalment Note will be partially redeemed at its Instalment Amount on each Instalment Date (both as specified in the applicable Conditions Supplement) whereupon the outstanding aggregate principal amount of each such

Note shall be reduced by the Instalment Amount (or, if such Instalment Amount is calculated by reference to a proportion of the principal amount of such Note, such proportion) for all purposes with effect from the related Instalment Date, unless payment of the Instalment Amount is improperly withheld or refused, in which case, such amount shall remain outstanding until the Relevant Date relating to such Instalment Amount.

(h) Cancellation

All Notes which are redeemed will forthwith be cancelled (together with all unmatured Receipts, Coupons and Talons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled and the Notes purchased and cancelled pursuant to Condition 10 (*Purchase*) (together with all unmatured Receipts, Coupons and Talons cancelled therewith) shall be forwarded to the Fiscal and Paying Agent and cannot be reissued or resold.

(i) Partial redemption of Notes

In the event of the Notes of any Class or Series being partially redeemed, the Notes to be redeemed (**Redeemed Notes**) will be selected, as indicated in the applicable Conditions Supplement, either (i) individually by lot, in the case of Redeemed Notes represented by definitive Notes or by a Registered Global Note not cleared through a Clearing System, or otherwise in accordance with the rules of Euroclear, Clearstream, Luxembourg or CDP, as the case may be and in the case of Redeemed Notes represented by a Global Note cleared through a Clearing System, not more than 30 days prior to the date fixed for redemption (such date of selection being hereinafter called the **Selection Date**); or (ii) in accordance with the order of priorities relating to the repayment of principal of the Notes. In the case of Redeemed Notes represented by definitive Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 17 (*Notices*) not less than 15 days prior to the date fixed for redemption. The aggregate principal amount of Redeemed Notes represented by definitive Notes or represented by a Global Note shall in each case bear the same proportion to the aggregate principal amount of all Redeemed Notes as the aggregate principal amount of definitive Notes outstanding and Notes outstanding represented by such Global Note, respectively, bears to the aggregate principal amount of the Notes outstanding, in each case on the Selection Date, provided that, if necessary, appropriate adjustments shall be made to such principal amounts to ensure that each represents an integral multiple of the Specified Denomination. No exchange of the relevant Global Note will be permitted during the period from (and including) the Selection Date to (and including) the date fixed for redemption pursuant to this Condition 5(i) (*Partial redemption of Notes*) and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 17 (*Notices*) at least five days prior to the Selection Date. Any such partial redemption shall not be deemed prejudicial to the interests of any remaining Noteholders of such Class or Series.

(j) Other redemption

If any other redemption event is specified in the applicable Conditions Supplement in respect of any Note, such Note will be redeemed by the Issuer on such dates at such amount in the circumstances and manner specified in the applicable Conditions Supplement.

6. Commodity Linked Redemption Notes, Currency Linked Redemption Notes and Interest Rate Linked Redemption Notes

Provisions relating to the redemption of Commodity Linked Redemption Notes, Currency Linked Redemption Notes and Interest Rate Linked Redemption Notes will be set out in the applicable Conditions Supplement.

7. Equity Linked Notes

(a) Redemption

(i) Redemption of Equity Linked Redemption Notes

Unless previously redeemed or purchased and cancelled, each Equity Linked Redemption Note will be redeemed by the Issuer (1) if Cash Settlement is specified to apply in the applicable Conditions Supplement, by payment of the Final Redemption Amount on the Maturity Date (or such other date as may be specified in the applicable Conditions Supplement), (2) if Physical Settlement is specified to apply in the applicable Conditions

Supplement, by delivery of the Asset Amount on the Maturity Date (or such other date as may be specified in the applicable Conditions Supplement) in accordance with the provisions of Condition 7(b) (*Physical Settlement*) or (3) if Cash Settlement and/or Physical Settlement is specified to apply in the applicable Conditions Supplement, by payment of the Final Redemption Amount and/or by delivery of the Asset Amount in accordance with the provisions of Condition 7(b) (*Physical Settlement*) on the terms set out in the applicable Conditions Supplement, in each case on the Maturity Date (or such other date as may be specified in the applicable Conditions Supplement).

(b) *Physical Settlement*

If Physical Settlement is specified to apply in the applicable Conditions Supplement, in order to obtain delivery of the Asset Amount in respect of any Equity Linked Note:

- (i) if such Note is represented by a Global Note, the relevant Noteholder must deliver to Euroclear, Clearstream, Luxembourg, CDP, the Registrar or any Paying Agent, as the case may be, with a copy to the Issuer and not later than the close of business in each place of receipt on the Cut-Off Date, a duly completed Asset Transfer Notice; or
- (ii) if such Note is in definitive form, the relevant Noteholder must deliver (i) if this Note is a Bearer Note, to any Paying Agent or (ii) if this is a Registered Note, to the Registrar or any Paying Agent, in each case, with a copy to the Issuer not later than the close of business in each place of receipt on the Cut-Off Date, a duly completed Asset Transfer Notice,

unless the Issuer determines, in its sole and absolute discretion, that the delivery of an Asset Transfer Notice is not required for such purpose. The Issuer may, by notice to Noteholders in accordance with Condition 17 (*Notices*), revise any of the procedures set out in, waive any condition or requirement or impose any additional condition or requirement under, this Condition 7(b) (*Physical Settlement*) as it thinks fit.

Forms of the Asset Transfer Notice may be obtained during normal business hours from the specified office of the Registrar or any Paying Agent.

An Asset Transfer Notice may only be delivered (i) if such Note is represented by a Global Note, in such manner as is acceptable to Euroclear, Clearstream, Luxembourg, CDP, the Registrar or any Paying Agent, as the case may be, which is expected to be by authenticated SWIFT message or tested telex or such other form acceptable to Euroclear, Clearstream, Luxembourg, CDP, the Registrar or any Paying Agent, as the case may be, or (ii) if such Note is in definitive form, in writing or by tested telex or such other form acceptable to the Registrar or the Paying Agent, as the case may be.

Subject to the provisions of this Condition 7(b) (*Physical Settlement*), if the Note is in definitive form, such Note must be delivered together with the duly completed Asset Transfer Notice.

Unless otherwise specified in the applicable Conditions Supplement, an Asset Transfer Notice must:

- (1) specify the name and address of the relevant Noteholder, the person from whom the Issuer may obtain details for the delivery of the Asset Amount and any details required for delivery of the Asset Amount set out in the applicable Conditions Supplement;
- (2) in the case of Notes represented by a Global Note, specify the principal amount of Notes which are the subject of such notice and the number of the Noteholder's account at Euroclear, Clearstream, Luxembourg, CDP or the Registrar, as the case may be, to be debited with such Notes and irrevocably instruct and authorise Euroclear, Clearstream, Luxembourg, CDP or the Registrar, as the case may be, to debit the relevant Noteholder's account with such Notes on or before the Delivery Date (as defined below);

- (3) include an undertaking to pay all Delivery Expenses and, in the case of Notes represented by a Global Note, an authority to debit a specified account of the Noteholder at Euroclear, Clearstream, Luxembourg, CDP or the Registrar, as the case may be, in respect thereof and to pay such Delivery Expenses;
- (4) specify an account to which dividends (if any) payable pursuant to this Condition 7(b) (*Physical Settlement*) or any other cash amounts specified in the applicable Conditions Supplement as being payable are to be paid; and
- (5) authorise the production of such notice in any applicable administrative or legal proceedings.

No Asset Transfer Notice may be withdrawn after receipt thereof by Euroclear, Clearstream, Luxembourg, CDP, the Registrar or a Paying Agent, as the case may be, as provided above. After delivery of an Asset Transfer Notice, the relevant Noteholder may not transfer the Notes which are the subject of such notice.

In the case of Notes represented by a Global Note, upon receipt of an Asset Transfer Notice, Euroclear, Clearstream, Luxembourg, CDP or the Registrar, as the case may be, shall verify that the person specified therein as the Noteholder is the holder of the specified principal amount of Notes according to its books or other official records.

Subject to the provisions of this Condition 7(b) (*Physical Settlement*), failure to complete and deliver an Asset Transfer Notice properly may result in such notice being treated as null and void. Any determination as to whether such notice has been properly completed and delivered as provided in this Condition 7(b) (*Physical Settlement*) shall be made, in the case of Notes represented by a Global Note, by Euroclear, Clearstream, Luxembourg, CDP, the Registrar or any Paying Agent as the case may be, after consultation with the Issuer and shall be conclusive and binding on the Issuer and the relevant Noteholder and, in the case of Notes in definitive form, by the relevant Paying Agent or the Registrar, as the case may be, after consultation with the Issuer, and shall be conclusive and binding on the Issuer and the relevant Noteholder.

Delivery of the Asset Amount in respect of each Note shall be made at the risk of the relevant Noteholder in such commercially reasonable manner as the Calculation Agent shall in good faith determine and notify to the person designated by the Noteholder in the relevant Asset Transfer Notice or in such manner as is specified in the applicable Conditions Supplement. All Delivery Expenses arising from the delivery of the Asset Amount in respect of such Note shall be for the account of the relevant Noteholder. The Issuer shall be entitled to postpone the delivery of the Asset Amount until all Delivery Expenses have been paid to the satisfaction of the Issuer by the relevant Noteholder. Notwithstanding the above, the Issuer may, in lieu of postponing the delivery of the Asset Amount to the relevant Noteholder as described above, adjust downward the Asset Amount to be delivered to the relevant Noteholder to account for any Delivery Expenses which remain unpaid by the relevant Noteholder by the tenth Business Day following the Cut-Off Date. The Issuer shall not be obliged to make or procure any delivery if to do so would breach any applicable securities or other relevant laws.

After delivery of the Asset Amount and for the Intervening Period, none of the Issuer, the Calculation Agent nor any other person shall at any time (i) be under any obligation to deliver or procure delivery to any Noteholder any letter, certificate, notice, circular or any other document or, except as provided herein, payment whatsoever received by that person in respect of such securities or obligations, (ii) be under any obligation to exercise or procure exercise of any or all rights attaching to such securities or obligations, or (iii) be under any liability to a Noteholder in respect of any loss or damage which such Noteholder may sustain or suffer as a result, whether directly or indirectly, of that person being registered during such Intervening Period as legal owner of such securities or obligations.

If, subject to the provisions of this Condition 7(b) (*Physical Settlement*), a Noteholder fails to give an Asset Transfer Notice as provided herein with a copy to the Issuer no later than the close of business in each place of receipt on the Cut-Off Date, then the Asset Amount will be delivered as soon as practicable after the Maturity Date (in which case, such date of delivery shall be the Delivery Date) at the risk of such Noteholder in the manner provided

above. For the avoidance of doubt, in such circumstances, such Noteholder shall not be entitled to any payment, whether of interest or otherwise, as a result of such Delivery Date falling after the originally designated Delivery Date and no liability in respect thereof shall attach to the Issuer.

If the relevant Noteholder fails on or before the date falling 180 calendar days after the Cut-Off Date (i) to deliver an Asset Transfer Notice in the manner set out herein, or (ii) in the case of Definitive Notes to deliver the Note related thereto, or (iii) to pay the Delivery Expenses, the Issuer shall be discharged from its obligations (or, as the case may be, part thereof) in respect of such Notes and shall have no further obligation or liability whatsoever in respect thereof.

If, prior to the delivery of the Asset Amount in respect of any Note in accordance with this Condition 7 (*Equity Linked Notes*), a Settlement Disruption Event is subsisting, then the Delivery Date in respect of such Note shall be postponed until the date on which no Settlement Disruption Event is subsisting and notice thereof shall be given to the relevant Noteholder in accordance with Condition 17 (*Notices*). Such Noteholder shall not be entitled to any payment, whether of interest or otherwise, on such Note as a result of any delay in the delivery of the Asset Amount pursuant to this paragraph. Where delivery of the Asset Amount has been postponed as provided in this paragraph, the Issuer shall not be in breach of these Terms and Conditions and no liability in respect thereof shall attach to the Issuer.

For so long as delivery of the Asset Amount in respect of any Note is not practicable by reason of a Settlement Disruption Event, then in lieu of physical settlement and notwithstanding any other provision hereof, the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Note by payment to the relevant Noteholder of the Disruption Cash Settlement Price not later than on the fifth Payment Day following the date that the notice of such election (the **Election Notice**) is given to the Noteholder in accordance with Condition 17 (*Notices*). Payment of the Disruption Cash Settlement Price will be made in such manner as shall be notified to the Noteholder in accordance with Condition 17 (*Notices*).

Where the Asset Amount is, in the determination of the Issuer, an amount other than an amount of Relevant Assets capable of being delivered, the Noteholder will receive an Asset Amount comprising of the nearest amount (rounded down) of Relevant Assets capable of being delivered by the Issuer (taking into account that a Noteholder's entire holding may be aggregated at the Issuer's discretion for the purpose of delivering the Asset Amounts), and an amount in the Specified Currency which shall be the value of the amount of the Relevant Assets so rounded down, as calculated by the Calculation Agent in good faith acting in a commercially reasonable manner from such source(s) as it may select (converted if necessary into the Specified Currency by reference to such exchange rate as the Calculation Agent deems appropriate). Payment will be made in such manner as shall be notified to the Noteholder in accordance with Condition 17 (*Notices*).

For the purposes of the Equity Linked Notes, (i) the Issuer shall be under no obligation to register or procure the registration of any Noteholder or any other person as the registered shareholder in the register of members of any Equity Issuer, (ii) the Issuer shall not be obliged to account to any Noteholder or any other person for any entitlement received or that is receivable in respect of any Underlying Equity comprising the Asset Amount in respect of any Note if the date on which the Underlying Equity is first traded on the relevant Exchange ex such entitlement is on or prior to the Delivery Date, and (iii) any interest, dividend or other distribution in respect of any Asset Amount will be payable to the party that would receive such interest, dividend or other distribution according to market practice for a sale of the relevant Underlying Equity executed on the Delivery Date and to be delivered in the same manner as the Asset Amount. Any such interest dividend or other distribution to be paid to a Noteholder shall be paid to the account specified in the relevant Asset Transfer Notice.

(c) Adjustments for Underlying Equities

(i) Potential Adjustment Events

If Potential Adjustment Events are specified as applying in the applicable Conditions Supplement, following the declaration by an Equity Issuer of the terms of any Potential Adjustment Event, the Calculation Agent will, in good faith acting in a commercially reasonable manner, determine whether such Potential Adjustment Event has a diluting, concentrative or other effect on the theoretical value of the relevant Underlying Equity and, if so, will (i) make the corresponding adjustment, if any, to any terms of the Notes as the Calculation Agent in good faith acting in a commercially reasonable manner determines appropriate to account for that diluting, concentrative or other effect and (ii) determine the effective date of that adjustment. The Calculation Agent may (but need not) determine the appropriate adjustment by reference to the adjustment in respect of such Potential Adjustment Event made by an options exchange to options on the Underlying Equity traded on that options exchange. In its determination of the existence and extent of any dilutive, concentrative or other effect on the theoretical value of the relevant Underlying Equity of any Potential Adjustment Event, and any related adjustments to the terms of the Notes, the Calculation Agent shall take into account any amounts of Local Taxes that would, in the determination of the Calculation Agent, be withheld from or paid or otherwise incurred by the Issuer in connection with such Potential Adjustment Event.

Upon making any such adjustment, the Calculation Agent shall give notice as soon as practicable to the Noteholders in accordance with Condition 17 (*Notices*), stating the adjustment to the terms of the Notes and giving brief details of the Potential Adjustment Event.

(ii) Delisting, Merger Event, Tender Offer, Nationalisation, Insolvency and Insolvency Filing

If Delisting, Merger Event, Tender Offer, Nationalisation, Insolvency and Insolvency Filing is specified as applying in the applicable Conditions Supplement, following the occurrence of such an event, the Calculation Agent will, in good faith acting in a commercially reasonable manner, determine the appropriate adjustment (which may include a substitution pursuant to Condition 7(d) (*Substitution of Underlying Equities*) if, and to the extent, specified to be applicable in the applicable Conditions Supplement), if any, to be made to any terms of the Notes to account for such event, and determine the effective date of that adjustment.

If the Calculation Agent determines that no adjustment that it could make will produce a commercially reasonable result, the Issuer will redeem all, but not some only, of the Notes, at the Early Redemption Amount. The Calculation Agent may (but need not) determine the appropriate adjustment by reference to the adjustment (if any) in respect of the Delisting, Merger Event, Tender Offer, Nationalisation, Insolvency or Insolvency Filing made by an options exchange to options on the Underlying Equity traded on that options exchange.

Upon the occurrence of (if applicable) a Delisting, Merger Event, Tender Offer, Nationalisation, Insolvency or Insolvency Filing, the Calculation Agent shall give notice as soon as practicable to the Noteholders in accordance with Condition 17 (*Notices*) stating the occurrence of the Delisting, Merger Event, Tender Offer, Nationalisation, Insolvency or Insolvency Filing, as the case may be, giving details thereof and the action proposed to be taken in relation thereto.

(iii) Extraordinary Fund Event

If Extraordinary Fund Event is specified as applying in the applicable Conditions Supplement, following the occurrence of such an event, the Calculation Agent will, in good faith acting in a commercially reasonable manner, determine the appropriate adjustment (which may include a substitution pursuant to Condition 7(d) (*Substitution of Underlying Equities*) if, and to the extent, specified to be applicable in the applicable Conditions Supplement), if any, to be made to any terms of the Notes to account for such event, and determine the effective date of that adjustment. If the Calculation Agent determines that no adjustment that it could make will produce a commercially reasonable result, the Issuer will redeem all, but not some only, of the Notes, at the Early Redemption Amount. The Calculation Agent may (but need

not) determine the appropriate adjustment by reference to the adjustment (if any) in respect of the Extraordinary Fund Event made by an options exchange to options on the Underlying Equity traded on that options exchange.

Upon the occurrence of an Extraordinary Fund Event, the Calculation Agent shall give notice as soon as practicable to the Noteholders in accordance with Condition 17 (*Notices*) stating the occurrence of the Extraordinary Fund Event, giving details thereof and the action proposed to be taken in relation thereto.

(iv) *Change in Law*

If Change in Law is specified as applying in the applicable Conditions Supplement, following the occurrence of such an event, the Calculation Agent will, in good faith acting in a commercially reasonable manner, determine the appropriate adjustment (which may include a substitution pursuant to Condition 7(d) (*Substitution of Underlying Equities*) if, and to the extent, specified to be applicable in the applicable Conditions Supplement), if any, to be made to any terms of the Notes to account for such event, and determine the effective date of that adjustment. If the Calculation Agent determines that no adjustment that it could make will produce a commercially reasonable result, the Issuer will redeem all, but not some only, of the Notes, at the Early Redemption Amount.

Upon the occurrence of a Change in Law, the Calculation Agent shall give notice as soon as practicable to the Noteholders in accordance with Condition 17 (*Notices*) stating the occurrence of the Change in Law, giving details thereof and the action proposed to be taken in relation thereto.

(v) *Hedging Disruption*

If Hedging Disruption is specified as applying in the applicable Conditions Supplement, following the occurrence of such an event, the Calculation Agent will, in good faith acting in a commercially reasonable manner, determine the appropriate adjustment (which may include a substitution pursuant to Condition 7(d) (*Substitution of Underlying Equities*) if, and to the extent, specified to be applicable in the applicable Conditions Supplement), if any, to be made to any terms of the Notes to account for such event, and determine the effective date of that adjustment. If the Calculation Agent determines that no adjustment that it could make will produce a commercially reasonable result, the Issuer will redeem all, but not some only, of the Notes, at the Early Redemption Amount.

Upon the occurrence of a Hedging Disruption, the Calculation Agent shall give notice as soon as practicable to the Noteholders in accordance with Condition 17 (*Notices*) stating the occurrence of the Hedging Disruption, giving details thereof and the action proposed to be taken in relation thereto.

(d) Substitution of Underlying Equities

The Calculation Agent may (but is not obliged to) determine that the relevant Underlying Equity affected by an Extraordinary Event (the **Affected Underlying Equity**) be replaced with shares or units (as the case may be) (the **Substitute Underlying Equity**) of another entity. In determining the Substitute Underlying Equity, the Calculation Agent will, in good faith acting in a commercially reasonable manner, choose a Substitute Underlying Equity which, to the extent possible:

- (i) has comparable volatility as the Affected Underlying Equity;
- (ii) has comparable capitalisation and liquidity as the Affected Underlying Equity; and
- (iii) be from the same sector as the Affected Underlying Equity,

each as determined on the date or as close as reasonably practicable to the Issue Date.

For the purposes of determining the initial price, closing price, strike price and any other relevant prices or levels and any other relevant determination in respect of the Substitute Underlying Equity, the Calculation Agent will, in good faith acting in a commercially reasonable manner, make such adjustments to any terms of the Notes as it deems necessary or appropriate to reflect the market performance of the Affected Underlying Equity immediately before its replacement.

(e) Correction of price

In the event that any relevant price published by the Exchange on any date which is utilised for any calculation or determination in connection with the Notes is subsequently corrected and the correction is published by the Exchange by the earlier of:

- (i) by the second Business Day prior to the next date on which any relevant payment may have to be made by the issuer or in respect of which any relevant determination in respect of the Notes may have to be made; and
- (ii) one Settlement Cycle after the original publication,

then the Calculation Agent may determine the amount that is payable or deliverable or make any determination in connection with the Notes, after taking in to account such correction, and, to the extent necessary, may adjust any relevant terms of the Notes to account for such correction.

8. Index Linked Notes

Amounts payable in respect of Index Linked Notes will be calculated by reference to the performance of one or more Indices. Such Index or Indices may reference or be comprised of reference equities, bonds, property, currency exchange rates, commodities, credit or other assets or bases of reference.

(a) Redemption

- (i) *Redemption of Index Linked Redemption Notes*

Unless previously redeemed or purchased and cancelled pursuant to Condition 5 (*Redemption*), each Index Linked Redemption Note will be redeemed by the Issuer by payment of the Final Redemption Amount on the Maturity Date (or such other date as may be specified in the applicable Conditions Supplement).

(b) Adjustments for Indices

- (i) *Successor Index Sponsor Calculates and Reports an Index*

If a relevant Index is (A) not calculated and announced by the Index Sponsor but is calculated and announced by a successor sponsor acceptable to the Calculation Agent, or (B) replaced by a successor index using, in the determination of the Calculation Agent, the same or a substantially similar formula for and method of calculation as used in the calculation of that Index, then in each case that index (the **Successor Index**) will be deemed to be the Index.

Following the determination of a Successor Index, upon application by telephone or facsimile by an interested person during normal business hours, the Calculation Agent will notify the applicant of the Index that constitutes the Successor Index.

- (ii) *Modification and Cessation of Calculation of an Index*

If (A) on or prior to any Valuation Date, the relevant Index Sponsor makes or announces that it will make a material change in the formula for or the method of calculating a relevant Index or in any other way materially modifies that Index (other than a modification prescribed in that formula or method to maintain that Index in the event of changes in constituent stock and capitalisation, contracts or commodities and other routine events) (an **Index Modification**) or permanently cancels the Index and no Successor Index exists (an **Index Cancellation**), or (B) on any Valuation Date, the Index Sponsor or (if applicable) the successor Index Sponsor fails to calculate and announce a relevant Index or the Index is not available for any reason (an **Index Disruption** and, together with an Index Modification and an Index Cancellation, each an **Index Adjustment Event**) then the Calculation Agent will, in good faith acting in a

commercially reasonable manner, determine if such Index Adjustment Event has a material effect on the Notes and, if so, shall calculate the closing price or closing level and any other prices or levels relevant to the Notes and make such determinations as appropriate using, in lieu of a published level for that affected Index (the **Affected Index**), the level for that Affected Index as at the Valuation Time on the relevant Valuation Date as determined by the Calculation Agent by reference to the formula for and method of calculating that Affected Index last in effect prior to the change, failure or cancellation, but using only those Index Components that comprised that Affected Index immediately prior to that Index Adjustment Event, and/or by reference to the final official settlement price for settling futures or options contracts relating to the Affected Index on the Exchange on the relevant Valuation Date. Alternatively, the Issuer may (but shall not be obliged to) replace the Affected Index with another index selected by the Issuer in its sole discretion (if, and to the extent, specified to be applicable in the applicable Conditions Supplement) or redeem all, but not some only, of the Notes, at the Early Redemption Amount. In the selection of another index to replace the Affected Index, the Issuer may, but is not obliged to, take into account the composition and constituents of the index, the index rules and any other factors and considerations as the Issuer deems applicable and appropriate.

Upon the occurrence of an Index Adjustment Event, the Calculation Agent shall give notice as soon as practicable to the Noteholders in accordance with Condition 17 (*Notices*) stating the occurrence of the Index Adjustment Event, giving details thereof and the action proposed to be taken in relation thereto.

(iii) *Change in Law*

If Change in Law is specified as applying in the applicable Conditions Supplement, following the occurrence of such an event, the Calculation Agent will, in good faith acting in a commercially reasonable manner, determine the appropriate adjustment, if any, to be made to any terms of the Notes to account for such event, and determine the effective date of that adjustment. If the Calculation Agent determines that no adjustment that it could make will produce a commercially reasonable result, the Issuer will redeem all, but not some only, of the Notes, at the Early Redemption Amount.

Upon the occurrence of a Change in Law, the Calculation Agent shall give notice as soon as practicable to the Noteholders in accordance with Condition 17 (*Notices*) stating the occurrence of the Change in Law, giving details thereof and the action proposed to be taken in relation thereto.

(iv) *Hedging Disruption*

If Hedging Disruption is specified as applying in the applicable Conditions Supplement, following the occurrence of such an event, the Calculation Agent will, in good faith acting in a commercially reasonable manner, determine the appropriate adjustment, if any, to be made to any terms of the Notes to account for such event, and determine the effective date of that adjustment. If the Calculation Agent determines that no adjustment that it could make will produce a commercially reasonable result, the Issuer will redeem all, but not some only, of the Notes, at the Early Redemption Amount.

Upon the occurrence of a Hedging Disruption, the Calculation Agent shall give notice as soon as practicable to the Noteholders in accordance with Condition 17 (*Notices*) stating the occurrence of the Hedging Disruption, giving details thereof and the action proposed to be taken in relation thereto.

(c) ***Correction of Index levels***

In the event that any relevant level of an Index published by the Index Sponsor on any date which is utilised for any calculation or determination in connection with the Notes is subsequently corrected and the correction is published by the Index Sponsor:

- (i) by the second Business Day prior to the next date on which any relevant payment may have to be made by the issuer or in respect of which any relevant determination in respect of the Notes may have to be made; or

- (ii) if earlier and if the Index is a Multiple Exchange Index, one Settlement Cycle after the original publication,

then the Calculation Agent may determine the amount that is payable or deliverable or make any determination in connection with the Notes, after taking in to account such correction, and, to the extent necessary, may adjust any relevant terms of the Notes to account for such correction.

(d) Index Disclaimer

The Noteholders agree and acknowledge that the Notes are not sponsored, endorsed, sold or promoted by the Index or the Index Sponsor and no Index Sponsor makes any representation whatsoever, whether express or implied, either as to the results to be obtained from the use of the Index and/or the levels at which the Index stands at any particular time on any particular date or otherwise. No Index or Index Sponsor shall be liable (whether in negligence or otherwise) to any person for any error in the Index and the Index Sponsor is under no obligation to advise any person of any error therein. No Index Sponsor is making any representation whatsoever, whether express or implied, as to the advisability of purchasing or assuming any risk in connection with investing in the Notes. The Issuer shall not have any liability to the Noteholders for any act or failure to act by the Index Sponsor in connection with the calculation, adjustment or maintenance of the Index. Except as disclosed prior to the Issue Date, neither the Issuer nor its Affiliates has any affiliation with or control over the Index or Index Sponsor or any control over the computation, composition or dissemination of the Indices. Although the Calculation Agent will obtain information concerning the Indices from publicly available sources it believes reliable, it will not independently verify this information. Accordingly, no representation, warranty or undertaking (express or implied) is made and no responsibility is accepted by the Issuer, its Affiliates or the Calculation Agent as to the accuracy, completeness and timeliness of information concerning the Indices.

9. Credit Linked Notes

If the Notes are specified as Credit Linked Notes in the applicable Conditions Supplement, the provisions of this Condition 9 (*Credit Linked Notes*) apply, as applicable, as modified by the applicable Conditions Supplement.

The applicable Conditions Supplement shall specify whether the Notes are Single Name Credit Linked Notes, First-to-Default Credit Linked Notes, *Nth*-to-Default Credit Linked Notes, or any other type of Credit Linked Notes.

(a) Redemption

Unless (i) previously redeemed or purchased and cancelled, or (ii) a Maturity Date Extension Event pursuant to Condition 9(h) (*Maturity Date Extension*) has not occurred, or (iii) the Conditions to Settlement have been satisfied on or prior to the Observation Cut-off Date and the related Event Determination Date has not been reversed on or prior to the relevant Auction Final Price Determination Date, final Valuation Date, Physical Settlement Date (or, if earlier, Delivery Date), or the Maturity Date as applicable or (iv) Condition 9(i) (*Reversals of DC Resolutions and adjustments to Event Determination Dates*) applies, subject to Condition 9(s) (*Adjustments following a Constraint Event*), each Credit Linked Redemption Note will be redeemed by the Issuer by payment of the Final Redemption Amount specified in, or determined in the manner specified in, the applicable Conditions Supplement in the relevant Specified Currency on the Scheduled Maturity Date.

If the Conditions to Settlement are satisfied on or prior to the Observation Cut-Off Date, and the related Event Determination Date has not been reversed on or prior to the relevant Auction Final Price Determination Date, final Valuation Date, Physical Settlement Date (or, if earlier, Delivery Date), or the Maturity Date as applicable, subject to Condition 9(h) (*Maturity Date Extension*) then:

- (i) if Cash Settlement is specified as the Settlement Method in the applicable Conditions Supplement (or if Cash Settlement is specified as the Fallback Settlement Method, or no Fallback Settlement Method is specified in the Conditions Supplement, and Condition 9(d) (*Auction Settlement*) requires that the Issuer redeem the Notes in accordance with Condition 9(b) (*Cash Settlement*)), the provisions of Condition 9(b) (*Cash Settlement*) shall apply, or

- (i) if Physical Settlement is specified as the Settlement Method in the applicable Conditions Supplement (or if Physical Settlement is specified as the Fallback Settlement Method and Condition 9(d) (*Auction Settlement*) requires that the Issuer redeem the Notes in accordance with Condition 9(c) (*Physical Settlement*)), the provisions of Condition 9(c) (*Physical Settlement*) shall apply, or
 - (ii) if Auction Settlement is specified as the Settlement Method in the applicable Conditions Supplement, the provisions of Condition 9(d) (*Auction Settlement*) shall apply.
- (b) *Cash Settlement*
 - (i) If (1) Cash Settlement is specified as the Settlement Method in the applicable Conditions Supplement (or if Cash Settlement is specified as the Fallback Settlement Method, or no Fallback Settlement Method is specified in the Conditions Supplement, and in each case Condition 9(d) (*Auction Settlement*) requires that the Issuer redeem the Notes in accordance with this Condition 9(b) (*Cash Settlement*)) and (2) the Conditions to Settlement are satisfied on or prior to the Observation Cut-Off Date, the Issuer shall give notice (such notice a **Cash Settlement Notice**) to the Noteholders as soon as reasonably practicable following the final Valuation Date in accordance with Condition 17 (*Notices*) of the redemption of the Notes and the Credit Event Redemption Date, and provided that the related Event Determination Date has not been reversed on or prior to the final Valuation Date, subject to Condition 9(s) (*Adjustments following a Constraint Event*), on the Credit Event Redemption Date the Issuer shall redeem the Notes in accordance with sub-paragraph (ii) in this Condition 9(b) (*Cash Settlement*).
 - (iii) Each Note shall be redeemed by the Issuer by payment, in respect of each principal amount of the Notes equal to the Calculation Amount, of the Credit Event Redemption Amount. Payment by the Issuer of the Credit Event Redemption Amount (in respect of each Calculation Amount) shall fully and effectively discharge the Issuer's obligation to redeem the Applicable Percentage of the relevant Note.

For the avoidance of doubt, an Event Determination Date and satisfaction of the Conditions to Settlement may occur at any time on or prior to the Scheduled Maturity Date or the Observation Cut-Off Date, as applicable, notwithstanding that the Cash Settlement Notice may be given after satisfaction of the Conditions to Settlement, and in some cases significantly later. Unless the relevant Credit Event is a Multiple Exercise Restructuring Credit Event or if otherwise stated in the applicable Conditions Supplement, the Conditions to Settlement may only be satisfied on one occasion and consequently an Event Determination Date may only occur and a Cash Settlement Notice may only be delivered on one occasion. In the case of First-to- Default Credit Linked Notes or *Nth*-to-Default Credit Linked Notes, if Conditions to Settlement are purported to be satisfied in respect of more than one Reference Entity on the same date, the Calculation Agent shall determine in its sole and absolute discretion which Reference Entity is the Reference Entity in respect of which the Conditions to Settlement are satisfied.

If the Conditions to Settlement are satisfied and the Notes become redeemable in accordance with this Condition 9(b) (Cash Settlement), subject to Condition 9(s) (Adjustments following a Constraint Event), upon payment of the Credit Event Redemption Amount in respect of the Notes the Issuer shall have discharged its obligations in respect of the Applicable Percentage of the Notes and shall have no other liability or obligation whatsoever in respect of the Applicable Percentage of the Notes. The Credit Event Redemption Amount may be less than the principal amount and interest accrued in respect of the Notes, and in the worst case scenario may be zero. Any shortfall shall be borne by the Noteholders and no liability shall attach to the Issuer.

(c) *Physical Settlement*

- (i) If (1) Physical Settlement is specified as the Settlement Method in the applicable Conditions Supplement (or if Physical Settlement is specified as the Fallback Settlement Method and Condition 9(d) (*Auction Settlement*) requires that the Issuer redeem the Notes in accordance with this Condition 9(c) (*Physical Settlement*)) and (2) the Conditions to Settlement are satisfied on or prior to the Observation Cut-Off Date, then the Issuer shall give notice (such notice a **Notice of Physical Settlement**) to the Noteholders as soon as reasonably practicable following the final Valuation Date in accordance with Condition 17 (*Notices*) of the redemption of the Notes and the expected Physical Settlement Date determined by the Calculation Agent in its sole and absolute discretion, and provided that the related Event Determination Date has not been reversed on or prior to the final Valuation Date, Physical Settlement Date or, if earlier, Delivery Date, as applicable, the Issuer shall, subject to Condition 9(s) (*Adjustments following a Constraint Event*), redeem the Notes in accordance with subparagraph (ii) in this Condition 9(c) (*Physical Settlement*).
- (iv) Each Note shall be redeemed by the Issuer by Delivery, in respect of each principal amount of the Notes equal to the Calculation Amount, of the Deliverable Obligations comprised in the Asset Amount, in accordance with and subject to Conditions 9(l) (*Physical Delivery*) and 9(m) (*Partial Cash Settlement*). For the avoidance of doubt, the Calculation Agent shall be entitled to select any of the Deliverable Obligations to be Delivered, irrespective of their market value. Delivery by the Issuer of the Deliverable Obligations comprised in the Asset Amount and/or payment of the Partial Cash Settlement Amount in accordance with Condition 9(m) (*Partial Cash Settlement*) (in respect of each Calculation Amount), if applicable, shall fully and effectively discharge the Issuer's obligation to redeem the Applicable Percentage of the relevant Note. For the avoidance of doubt, an Event Determination Date and satisfaction of the Conditions to Settlement may occur at any time on or prior to the Scheduled Maturity Date or the Observation Cut-Off Date, as applicable, notwithstanding that the Notice of Physical Settlement may be given later, and in some cases significantly later. Unless the relevant Credit Event is a Multiple Exercise Restructuring Credit Event or if otherwise stated in the applicable Conditions Supplement, the Conditions to Settlement may only be satisfied on one occasion and consequently an Event Determination Date may only occur and a Cash Settlement Notice may only be delivered on one occasion. In the case of First-to- Default Credit Linked Notes or *Nth*-to-Default Credit Linked Notes, if Conditions to Settlement are purported to be satisfied in respect of more than one Reference Entity on the same date, the Calculation Agent shall determine in its sole and absolute discretion which Reference Entity is the Reference Entity in respect of which the Conditions to Settlement are satisfied.
- (v) Following delivery of a Notice of Physical Settlement, the Issuer may notify the Noteholders (each such notification, a **NOPS Amendment Notice**) that the Issuer is replacing, in whole or in part, one or more Deliverable Obligations specified in the Notice of Physical Settlement or a prior NOPS Amendment Notice, as applicable, to the extent the relevant Deliverable Obligation has not been Delivered as of the date such NOPS Amendment Notice is effective in accordance with Condition 17 (*Notices*).

If the Conditions to Settlement are satisfied and the Notes become redeemable in accordance with this Condition 9(c) (Physical Settlement) subject to Condition 9(s) (Adjustments following a Constraint Event), upon Delivery of the Deliverable Obligations comprising the Asset Amount and/or payment of the Partial Cash Settlement Amounts, as the case may be, the Issuer shall have discharged its obligations in respect of the Applicable Percentage of the Notes and shall have no other liability or obligation whatsoever in respect of the Applicable Percentage of the Notes. The aggregate value of such Deliverable Obligations and/or the Partial Cash Settlement Amount may be less than the principal amount and interest accrued in respect of the Notes, and in the worst case scenario may be zero. Any shortfall shall be borne by the Noteholders and no liability shall attach to the Issuer.

(d) *Auction Settlement*

- (i) If (i) Auction Settlement is specified as the Settlement Method in the applicable Conditions Supplement, (ii) the Conditions to Settlement are satisfied on or prior to the Observation Cut-Off Date, and the related Event Determination Date has not been reversed on or prior to the Auction Final Price Determination Date, and (iii) an Auction Final Price Determination Date occurs with respect to an Applicable Auction, then the Issuer shall give an Auction Settlement Notice to the Noteholders as soon as reasonably practicable following the Auction Final Price Determination Date in accordance with Condition 17 (*Notices*) and, subject to Condition 9(r) (*Adherence to ISDA Protocols in Relation to Alternative Settlement or Valuation Method*), on the Auction Credit Event Redemption Date redeem the Notes in accordance with sub-paragraph (ii) in this Condition 9(d) (*Auction Settlement*).
- (ii) Each Note shall be redeemed by the Issuer by payment, in respect of each principal amount of the Notes equal to the Calculation Amount, of the Auction Credit Event Redemption Amount. Payment by the Issuer of the Auction Credit Event Redemption Amount shall (in respect of each Calculation Amount) fully and effectively discharge the Issuer's obligation to redeem the Applicable Percentage of the relevant Note.
- (iii) Without prejudice to the foregoing, but without duplication of settlement, if the Calculation Agent determines:
 - (A) except where the Issuer exercises the Movement Option, that with respect to a Credit Event, no Applicable Auction is being, or will be, held; or
 - (B) with respect to a Credit Event and any relevant Applicable Request, Applicable Resolution and/or Applicable Auction, that (I) an Auction Cancellation Date has occurred, (II) a No Auction Announcement Date has occurred (and, in circumstances where such No Auction Announcement Date occurs pursuant to sub-paragraph (ii) of the definition of No Auction Announcement Date, the Issuer has not exercised the Movement Option), (III) ISDA has publicly announced that a relevant Credit Derivatives Determinations Committee has Resolved, following a relevant Credit Event Resolution Request Date, not to determine the matters described in the definition of Credit Event Resolution Request Date, or (IV) an Event Determination Date was determined pursuant to sub-paragraph (i) of the definition of Event Determination Date and no relevant Credit Event Resolution Request Date has occurred on or prior to the date falling three Business Days after such Event Determination Date; or
 - (C) that the Event Determination Date was determined pursuant to sub-paragraph (ii) of the definition of Event Determination Date and the Issuer elects to apply the Fallback Settlement Method,

the Issuer shall, subject to the occurrence of a Credit Event and satisfaction of the Conditions to Settlement, notwithstanding that Auction Settlement is specified as applicable in the relevant Conditions Supplement, redeem each Note in accordance with Condition 9(b) (*Cash Settlement*) if either "Cash Settlement" is specified in the applicable Conditions Supplement as the Fallback Settlement Method or if no Fallback Settlement Method is specified in the Conditions Supplement, or in accordance with Condition 9(c) (*Physical Settlement*) if "Physical Settlement" is specified in the applicable Conditions Supplement as the Fallback Settlement Method.

- (iv) If "Restructuring Maturity Limitation and Fully Transferable Obligation Applicable" or "Modified Restructuring Maturity Limitation and Conditionally Transferable Obligation Applicable" is specified in the applicable Conditions Supplement and the Calculation Agent determines in respect of a Restructuring Credit Event that a No Auction Announcement Date has occurred pursuant to sub-paragraph (ii) of the definition of No Auction Announcement Date, the Issuer may elect in its sole and absolute discretion to exercise the Movement Option.

If the Movement Option is exercised by the Issuer, then provided the related Event Determination Date is not reversed on or prior to the relevant Auction Final Price Determination Date, the Notes shall be redeemed on the Auction Credit Event Redemption Date at their Auction Credit Event Redemption Amount, for which purposes the Auction Credit Event Redemption Date and the Auction Credit Event Redemption Amount shall be determined by reference to the relevant Parallel Auction selected by the Issuer on exercising the Movement Option. If the Movement Option is exercised by the Issuer, all references in this Condition 9 (*Credit Linked Notes*) to “Applicable Auction”, “Applicable Auction Settlement Terms”, “Auction Cancellation Date”, “Auction Final Price Determination Date” and “Auction Settlement Date” shall be deemed to be references to the “Parallel Auction”, “Parallel Auction Settlement Terms”, “Parallel Auction Cancellation Date”, “Parallel Auction Final Price Determination Date” and “Parallel Auction Settlement Date” and the terms of this Condition 9 (*Credit Linked Notes*) shall be construed accordingly.

If the Movement Option is not exercised, the Issuer shall redeem each Note in accordance with Condition 9(b) (*Cash Settlement*) if Cash Settlement is specified in the applicable Conditions Supplement as the Fallback Settlement Method, or if no Fallback Settlement Method is specified in the Conditions Supplement, or in accordance with Condition 9(c) (*Physical Settlement*) if Physical Settlement is specified in the applicable Conditions Supplement as the Fallback Settlement Method.

- (v) For the avoidance of doubt, an Event Determination Date and satisfaction of the Conditions to Settlement may occur at any time on or prior to the Observation Cut-Off Date, as applicable, notwithstanding that the Auction Settlement Notice may be given later, and in some cases significantly later. Unless the relevant Credit Event is a Multiple Exercise Restructuring Credit Event or if otherwise stated in the applicable Conditions Supplement, the Conditions to Settlement may only be satisfied on one occasion and consequently an Event Determination Date may only occur and an Auction Settlement Notice may only be delivered on one occasion. In the case of First-to-Default Credit Linked Notes or *N*th-to-Default Credit Linked Notes, if the Conditions to Settlement are purported to be satisfied in respect of more than one Reference Entity on the same date, the Calculation Agent shall determine in its sole and absolute discretion which Reference Entity is the Reference Entity in respect of which the Conditions to Settlement are satisfied.

If the Conditions to Settlement are satisfied and the Notes become redeemable in accordance with this Condition 9(d) (Auction Settlement), subject to Condition 9(s) (Adjustments following a Constraint Event), upon payment of the Auction Credit Event Redemption Amounts in respect of the Applicable Percentage of the Notes the Issuer shall have discharged its obligations in respect of the Applicable Percentage of the Notes and shall have no other liability or obligation whatsoever in respect thereof. The Auction Credit Event Redemption Amount may be less than the principal amount and interest accrued in respect of the Notes and in the worst case scenario, may be zero. Any shortfall shall be borne by the Noteholders and no liability shall attach to the Issuer.

(e) *Accrual of Interest and Interest Payment Postponement*

- (i) If Condition 9(b) (*Cash Settlement*), Condition 9(c) (*Physical Settlement*) or Condition 9(d) (*Auction Settlement*) applies in respect of the Notes, and
 - (A) **Accrual of Interest upon Credit Event** is specified as not applying in the applicable Conditions Supplement, each Note shall cease to bear interest from the Interest Payment Date (or, if none, the Interest Commencement Date) immediately preceding the Event Determination Date, or if the Event Determination Date is an Interest Payment Date (or, as the case may be, the Interest Commencement Date) such Interest Payment Date (or, as the case may be, the Interest Commencement Date); or

- (B) **Accrual of Interest upon Credit Event** is specified as applying in the applicable Conditions Supplement, each Note shall cease to bear interest from the Event Determination Date and the final payment of interest shall be payable on the Credit Event Redemption Date, Auction Credit Event Redemption Date or Physical Settlement Date or Partial Cash Settlement Date, as applicable and no further interest shall be payable in respect of such delay; and

Provided Further That if

- (A) the Notes are redeemed pursuant to Condition 9(f) (*Repudiation/Moratorium Extension*), Condition 9(g) (*Grace Period Extension*) or Condition 9(h) (*Maturity Date Extension*); or
- (D) Condition 9(i) (*Reversals of DC Resolutions and adjustments to Event Determination Dates*) applies pursuant to an adjustment to, or reversal of, an Event Determination Date,

then interest will accrue as provided in Condition 9(f) (*Repudiation/Moratorium Extension*), Condition 9(g) (*Grace Period Extension*), Condition 9(h) (*Maturity Date Extension*) or Condition 9(i) (*Reversals of DC Resolutions and adjustments to Event Determination Dates*), as the case may be.

- (ii) If, an Applicable Request in respect of a Credit Event is made on or prior to any Interest Payment Date or the Scheduled Maturity Date in respect of which an Applicable Resolution has not been published, the payment of interest (if any) scheduled to be paid to Noteholders on or about such Interest Payment Date or the Scheduled Maturity Date, will be suspended. If in connection with such Applicable Request either (i) an Applicable DC Credit Event Announcement is made but the Calculation Agent determines that the Event Determination Date relating thereto is a date falling after such Interest Payment Date or the Scheduled Maturity Date, or (ii) an Applicable DC No Credit Event Announcement is made, then payment of the suspended interest for such Interest Payment Date or Scheduled Maturity Date, as applicable, will be made five Business Days after the date the Event Determination Date is so determined or the date of Applicable DC No Credit Event Announcement, as the case may be. If in connection with such Applicable Request, an Applicable DC Credit Event Announcement is made and the Calculation Agent determines that the Event Determination Date relating thereto is a date falling on or prior to such Interest Payment Date or the Scheduled Maturity Date, no payment of the suspended interest will be made and interest accrual prior to such Event Determination Date and payment of such interest will be determined in accordance with sub-paragraph (i) above.
- (iii) No additional amount in respect of interest and no adjustment shall be made to the amount of any interest in connection with the delay or postponement of any payment of interest pursuant to sub-paragraph (ii) above. For the avoidance of doubt, no interest shall accrue on any Note after the Scheduled Maturity Date as a result of a suspension or postponement of interest pursuant to this Condition 9(e) (*Accrual of Interest and Interest Payment Postponement*) (unless Condition 3(c) (*Accrual of Interest*) applies and upon due presentation of a Note for redemption payment of principal is withheld by the Issuer due to the Issuer's wilful default or gross negligence). The Issuer shall endeavour to give notice to the Noteholders in accordance with Condition 17 (*Notices*) as soon as reasonably practicable should any payment of interest be suspended and/or postponed pursuant to this Condition 9(e) (*Accrual of Interest and Interest Payment Postponement*).
- (f) *Repudiation/Moratorium Extension*
- (i) Where Repudiation/Moratorium is specified as a Credit Event in the applicable Conditions Supplement, the provisions of this Condition 9(f) (*Repudiation/Moratorium Extension*) shall apply unless otherwise modified by the applicable Conditions Supplement.

- (ii) Where the Conditions to Settlement have not been satisfied on or prior to the Scheduled Maturity Date but the Repudiation/Moratorium Extension Condition has been satisfied in respect of a Potential Repudiation/Moratorium which occurred with respect to an Obligation of a relevant Reference Entity on or prior to the Scheduled Maturity Date, the Notes will be redeemed as follows, provided that an Event Determination Date has not occurred on or prior to the Observation Cut-Off Date:
 - (A) subject to Condition 9(s) (*Adjustments following a Constraint Event*) and provided that there are no other Maturity Date Extension Events outstanding as at the Repudiation/Moratorium Evaluation Date, each Credit Linked Redemption Note will be redeemed by the Issuer at the Final Redemption Amount on the fifth Business Day following the Observation Cut-Off Date (the “**Postponed Maturity Date**”); and
 - (B) in the case of interest bearing Notes only, the Issuer shall be obliged to pay interest calculated as provided herein, accruing from (and including) the Interest Period End Date immediately preceding the Scheduled Maturity Date or, if none, the Interest Commencement Date to (but excluding) the Scheduled Maturity Date but shall only be obliged to make such payment of interest on the Postponed Maturity Date and no further or other amount in respect of interest shall be payable and no additional amount shall be payable in respect of such delay.
 - (iii) Where an Event Determination Date has occurred on or prior to the Observation Cut-Off Date, the provisions of Condition 9(b) (*Cash Settlement*), Condition 9(c) (*Physical Settlement*) or Condition 9(d) (*Auction Settlement*), as applicable, shall apply to the Notes.
- (g) *Grace Period Extension*
- (i) If “Grace Period Extension” is specified as applying in the applicable Conditions Supplement, the provisions of this Condition 9(g) (*Grace Period Extension*) shall apply.
 - (ii) Where the Conditions to Settlement have not been satisfied on or prior to the Scheduled Maturity Date but a Potential Failure to Pay has occurred or may, in the sole and absolute determination of the Calculation Agent, have occurred with respect to one or more Obligation(s) in respect of which a Grace Period is applicable on or prior to the Scheduled Maturity Date (and such Grace Period(s) is/are continuing as at the Scheduled Maturity Date), the Notes will be redeemed as follows, provided that an Event Determination Date has not occurred on or prior to the Observation Cut-Off Date:
 - (A) subject to Condition 9(s) (*Adjustments following a Constraint Event*) and provided that there are no other Maturity Date Extension Events outstanding as at the Grace Period Extension Date, each Credit Linked Redemption Note will be redeemed by the Issuer at the Final Redemption Amount on the Postponed Maturity Date; and
 - (B) in the case of interest bearing Notes only, the Issuer shall be obliged to pay interest calculated as provided herein, accruing from (and including) the Interest Period End Date immediately preceding the Scheduled Maturity Date or, if none, the Interest Commencement Date to (but excluding) the Scheduled Maturity Date but shall only be obliged to make such payment of interest on the Postponed Maturity Date and no further or other amount in respect of interest shall be payable and no additional amount shall be payable in respect of such delay.
 - (iii) Where an Event Determination Date in respect of the Failure to Pay has occurred on or prior to the Observation Cut-off Date, the provisions of Condition 9(b) (*Cash Settlement*), Condition 9(c) (*Physical Settlement*) or Condition 9(d) (*Auction Settlement*), as applicable, shall apply to the Notes.

(h) *Maturity Date Extension*

- (i) If on or about the Scheduled Maturity Date the Calculation Agent determines that on or prior to such date:
- (A) where Repudiation/Moratorium is specified as a Credit Event in the applicable Conditions Supplement, a Potential Repudiation/Moratorium has or may have occurred;
 - (B) where Failure to Pay is specified as a Credit Event in the applicable Conditions Supplement, a Potential Failure to Pay has or may have occurred;
 - (C) an Applicable Request has been made on or prior to such date in respect of which an Applicable Resolution has not been published; or
 - (D) without duplication, in the opinion of the Calculation Agent, a Credit Event may have occurred in relation to which the Conditions to Settlement have not been satisfied (such Credit Event, a **Postponement Credit Event**), and

in each case, in respect of which an Event Determination Date has not occurred as at the Scheduled Maturity Date (each such event a **Maturity Date Extension Event**), the Calculation Agent shall as soon as reasonably practicable notify the Noteholders in accordance with Condition 17 (*Notices*) that the Notes will not be redeemed on the Scheduled Maturity Date. In such circumstances, the Notes will be redeemed as follows:

- (I) with respect to a Potential Repudiation/Moratorium, in accordance with Condition 9(f) (*Repudiation/Moratorium Extension*), unless an Event Determination Date occurs on or prior to the Observation Cut-Off Date, in which case the Notes shall be redeemed pursuant to Condition 9(b) (*Cash Settlement*), 9(c) (*Physical Settlement*) or 9(d) (*Auction Settlement*), as applicable;
- (II) with respect to a Potential Failure to Pay, in accordance with Condition 9(g) (*Grace Period Extension*), unless an Event Determination Date occurs on or prior to the Observation Cut-Off Date, in which case the Notes shall be redeemed pursuant to Condition 9(b) (*Cash Settlement*), 9(c) (*Physical Settlement*) or 9(d) (*Auction Settlement*), as applicable; or
- (III) with respect to an Applicable Request or a Postponement Credit Event,
 - (x) if an Event Determination Date occurs on or prior to the Observation Cut-Off Date, in accordance with Condition 9(b) (*Cash Settlement*), 9(c) (*Physical Settlement*) or 9(d) (*Auction Settlement*), as applicable; or
 - (y) if an Event Determination Date does not occur on or prior to the Observation Cut-Off Date, subject to Condition 9(s) (*Adjustments following a Constraint Event*) and provided that there are no other Maturity Date Extension Events outstanding as at the Observation Cut-Off Date,
 - (1) each Note will be redeemed by the Issuer at its Final Redemption Amount on the Postponed Maturity Date; and
 - (2) in the case of interest bearing Notes only the Issuer shall be obliged to pay interest calculated as provided herein accruing from (and including) the Interest Period End Date immediately preceding the Scheduled Maturity Date or, if none, the Interest Commencement Date to (but excluding) the Scheduled Maturity Date but shall only be obliged to make such payment of interest on the Postponed Maturity Date and no further or other amount in respect of interest shall be payable and no additional amount shall be payable in respect of such delay.

(i) *Reversals of DC Resolutions and adjustments to Event Determination Dates*

- (i) Notwithstanding anything to the contrary herein, no Event Determination Date will occur, and any Event Determination Date previously determined with respect to an event shall be deemed not to have occurred, if, or to the extent that the Calculation Agent determines that, prior to the Auction Final Price Determination Date in respect of an Applicable Auction, a Valuation Date, the Physical Settlement Date (or, if earlier, a Delivery Date), or the Maturity Date as applicable, an Applicable DC No Credit Event Announcement occurs with respect to the relevant Reference Entity or Obligation thereof.
- (ii) Notwithstanding anything to the contrary herein, no Succession Event will occur, and any Succession Event previously determined with respect to a Reference Entity shall be deemed not to have occurred, if, or to the extent that ISDA publicly announces that a previous Succession Event Resolution has been reversed by a subsequent DC Resolution of the relevant Credit Derivatives Determination Committee, unless the prior Succession Event Resolution or any prior determination by the Calculation Agent has resulted in the identification of one or more Successors or the identification of one or more Substitute Reference Obligations.
- (iii) Notwithstanding anything to the contrary in these Conditions, following the determination of an Event Determination Date, if:
 - (A) such Event Determination Date is deemed to have occurred on a date that is earlier than the date originally determined to be the Event Determination Date for the purposes of the Notes as a result of the application of the definition of Event Determination Date and/or any Applicable Request or Applicable Resolution then
 - (I) if the Notes are redeemed pursuant to Condition 9(b) (*Cash Settlement*) or 9(d) (*Auction Settlement*), an amount equal to the relevant EDD Adjustment Amount (if any) shall be deducted to the fullest extent possible from the Credit Event Redemption Amount or Auction Credit Event Redemption Amount, as applicable; or
 - (III) if the Notes are redeemed pursuant to Condition 9(c) (*Physical Settlement*), Deliverable Obligations (rounded up to the nearest whole number or denomination or other minimum amount in which the relevant Deliverable Obligations may be Delivered) with an Outstanding Principal Balance or Due and Payable Amount (rounded up to the nearest whole number or denomination or other minimum amount in which the relevant Deliverable Obligations may be Delivered), as applicable, having a market value equal to (or, where rounding upwards applies, greater than) the relevant EDD Adjustment Amount (if any) as of the relevant Delivery Date, as determined by the Calculation Agent in its sole and absolute discretion, shall be deducted to the fullest extent possible from the Asset Amount (or deducted from the Partial Cash Settlement Amount payable pursuant to Condition 9(m) (*Partial Cash Settlement*), if applicable). If the market value of the Outstanding Principal Balance or Due and Payable Amount or Deliverable Obligations so deducted is, due to rounding, greater than the relevant EDD Adjustment Amount, the Issuer shall pay an amount determined by the Calculation Agent in its sole and absolute discretion to Noteholders as soon as reasonably practicable in respect of the excess portion of such Deliverable Obligations; or
 - (B) an Applicable DC No Credit Event Announcement occurs following the determination of an Event Determination Date but prior to the related Auction Final Price Determination Date in respect of an Applicable Auction, a Valuation Date, the Physical Settlement Date (or, if earlier, a Delivery Date), or the Observation Cut-off Date, as applicable, then the Event Determination Date

originally determined for the purposes of the Notes shall be deemed not to have occurred (an **Event Determination Date Reversal**). The occurrence of an Event Determination Date Reversal shall not prejudice the occurrence or determination of any subsequent Event Determination Date(s) in relation to the relevant Reference Entity (if applicable). Notwithstanding Condition 3(c) (*Accrual of Interest*) and Condition 9(e) (*Accrual of Interest and Interest Payment Postponement*), each Note shall recommence to accrue interest (in accordance with Condition 3 (*Interest*)) from the Interest Payment Date (the **Interest Recommencement Date**) immediately following the Applicable DC No Credit Event Announcement, and an amount equal to the Additional EDD Interest Amount shall be payable on such Interest Recommencement Date. For the avoidance of doubt, in no circumstances shall interest accrue on any Note on or after the Scheduled Maturity Date (unless Condition 3(c) (*Accrual of Interest*) applies and upon due presentation of a Note for redemption payment of principal is withheld by the Issuer due to the Issuer's wilful default or gross negligence).

(j) *Succession Event*

- (i) With respect to any Reference Entity (other than a Sovereign Reference Entity), subject to the following proviso, the Calculation Agent will be responsible for determining, as soon as reasonably practicable after it becomes aware of the relevant Succession Event (but no earlier than fourteen calendar days after the legally effective date of the relevant Succession Event), and with effect from the legally effective date of the Succession Event, whether the relevant thresholds set forth in the definition of "Successor" have been met, or which entity qualifies under sub-paragraph (a)(vi) of the definition of "Successor", as applicable.

Provided that the Calculation Agent will not make such determination if, at such time, either (A) ISDA has publicly announced that the conditions to convening a Credit Derivatives Determinations Committee to Resolve the matters described in the definitions of "Successor", in sub-paragraph (i) of the definition of "Succession Event Resolution Request Date" and sub-paragraph (ii)(A) of the definition of "Succession Event Resolution Request Date", are satisfied in accordance with the Rules (until such time, if any, as ISDA subsequently publicly announces that the relevant Credit Derivatives Determinations Committee has Resolved not to determine a Successor) or (B) ISDA has publicly announced that the relevant Credit Derivatives Determinations Committee has Resolved that no event that constitutes a Succession Event for purposes of the certain credit derivative transactions has occurred, and in each case the Calculation Agent determines that such resolution is an Applicable Resolution.

In calculating the percentages used to determine whether the relevant thresholds set forth in the definition of "Successor" have been met, or which entity qualifies under sub-paragraph (a)(vi) of such definition, the Calculation Agent shall use, with respect to each applicable Relevant Obligation included in such calculation, the amount of the liability with respect to such Relevant Obligation listed in the Best Available Information and shall notify the Issuer of such calculation. A copy of the notice of any determination of a Successor shall be given to Noteholders in accordance with Condition 17 (*Notices*) as soon as reasonably practicable, provided that failure to deliver such notice shall not invalidate the occurrence of the Succession Event. The Transaction Type applicable to the Successor(s) (as applicable) will be the Transaction Type that applied to the Reference Entity that has been identified in connection with such Succession Event.

- (ii) With respect to any Sovereign Reference Entity, subject to the following proviso, the Calculation Agent will be responsible for determining, as soon as reasonably practicable after it becomes aware of the relevant Succession Event (but no earlier than fourteen calendar days after the date of the occurrence of the relevant

Succession Event), and with effect from the date of the occurrence of the Succession Event, each Sovereign and/or entity, if any, that qualifies under sub-paragraph (b) of the definition of “Successor”.

Provided that the Calculation Agent will not make such determination if, at such time, either (A) ISDA has publicly announced that the conditions to convening a Credit Derivatives Determinations Committee to Resolve the matters described in sub-paragraph (b) of the definition of “Successor” and sub-paragraphs (i) and (ii) (B) of the definition of “Succession Event Resolution Request Date” are satisfied in accordance with the Rules (until such time, if any, as ISDA subsequently publicly announces that the relevant Credit Derivatives Determinations Committee has Resolved not to determine a Successor) or (B) ISDA has publicly announced that the relevant Credit Derivatives Determinations Committee has Resolved that no event that constitutes a Succession Event has occurred, and in each case the Calculation Agent determines that such Resolution is an Applicable Resolution. A copy of the notice of any determination of a Successor shall be given to Noteholders in accordance with Condition 17 (*Notices*) as soon as reasonably practicable, provided that failure to deliver such notice shall not invalidate the occurrence of the Succession Event. The Transaction Type applicable to the Successor(s) (as applicable) will be the Transaction Type that applied to the Reference Entity that has been identified in connection with such Succession Event.

(iii) Where the Notes are Single Name Credit Linked Notes:

- (A) Where a Succession Event has occurred and more than one Successor has been identified in accordance with these Conditions, each such Successor will be deemed to be a Reference Entity for purposes of the Notes and, to the extent applicable, the Calculation Agent shall apportion any outstanding principal amounts or any other relevant calculation amounts equally in relation to each Successor.
- (B) If one or more of the Successors to the Reference Entity have not assumed the Reference Obligation (if any) specified in the applicable Conditions Supplement, the Calculation Agent may select a Substitute Reference Obligation in accordance with the definition of “Substitute Reference Obligation”.
- (C) Where a Credit Event occurs in respect of a Reference Entity after such a Succession Event with more than one Successor being identified:
 - (1) the provisions of this Condition 9 (*Credit Linked Notes*) shall be deemed to apply to the aggregate principal amount of the Notes represented by that Reference Entity only (the **Partial Principal Amount**) and all the provisions shall be construed accordingly;
 - (2) following satisfaction of the Conditions to Settlement, the Notes shall be deemed to be redeemed *pro rata* in an amount equal to the Partial Principal Amount only;
 - (3) the Notes in an amount equal to the Aggregate Nominal Amount less the Partial Principal Amount shall remain outstanding (the **Remaining Amount**) and interest (if applicable) shall accrue on the Remaining Amount as provided for in the Conditions and the applicable Conditions Supplement (adjusted in such manner as the Calculation Agent determines to be appropriate);
 - (4) the provisions of these Conditions shall apply to any subsequent Credit Event Notices delivered in respect of any of the other Reference Entities that are identified as a result of the Succession Event; and

- (5) the applicable Conditions Supplement may be amended and restated at such time to reflect the effect of a Succession Event without the consent of the Noteholders and the Noteholders are deemed to agree to this provision by the purchase of the Notes.
- (iv) Where the Notes are First-to-Default Credit Linked Notes:
- (A) Where a Succession Event has occurred in respect of a Reference Entity (each such Reference Entity, a **Succession Event Reference Entity** and the Reference Entities unaffected by such Succession Event or any previous Succession Event, the **Non-Succession Event Reference Entities**) and more than one Successor has been identified by the Calculation Agent, each Note will subsequently reference a number of Baskets (each a **New Basket**) equal to the number of Successors, and each Successor (each a **Successor Reference Entity**) will be a Reference Entity for the purposes of one of the New Baskets and each of the Non-Succession Event Reference Entity shall be a Reference Entity for the purposes of each and every one of the New Baskets. The Aggregate Nominal Amount of the Notes shall be apportioned equally between each New Basket (each portion a **New Basket Nominal Amount**). Thereafter, the occurrence of the first Credit Event will be assessed separately for each New Basket and only the occurrence of a Credit Event and satisfaction of the Conditions to Settlement in respect of a Reference Entity in a New Basket will cause the Notes to be redeemed in part in a proportion which the New Basket Nominal Amount bears to the Aggregate Nominal Amount of the Notes as of the Issue Date (the **New Basket Relevant Proportion**).
- (B) Consequently, where all Non-Succession Event Reference Entities and all Successor Reference Entities are considered together:
- (1) the occurrence of a Credit Event and satisfaction of the Conditions to Settlement in respect of a Non-Succession Event Reference Entity will be a Credit Event for the purposes of each and every New Basket and each and every New Basket Nominal Amount of the Notes and will cause the Notes to be redeemed in full in accordance with this Condition 9 (*Credit Linked Notes*); and
- (2) the occurrence of a Credit Event and satisfaction of the Conditions to Settlement in respect of a Successor Reference Entity will be a Credit Event only in respect of the New Basket for which the relevant Successor Reference Entity is a Reference Entity and will cause the New Basket Relevant Proportion of the Notes to be redeemed in accordance with this Condition 9 (*Credit Linked Notes*).
- (C) Following a partial redemption of the Notes pursuant to this sub-paragraph (iv), interest shall accrue on the remaining outstanding principal amount of the Notes immediately following the partial redemption (the **New Basket Outstanding Principal Amount**) as provided for in these conditions (adjusted in such manner as the Calculation Agent in its sole and absolute discretion determines to be appropriate) and the Calculation Agent shall continue to assess the occurrence of a Credit Event and satisfaction of the Conditions to Settlement in respect of any Reference Entity for the purposes of the remaining New Baskets and the New Basket Outstanding Principal Amount in accordance with this Condition 9(j)(iv) (*Succession Event – Where the Notes are First-to-Default Credit Linked Notes*).
- (D) If one or more of the Successors to the Reference Entity have not assumed the Reference Obligation (if any) specified in the applicable Conditions Supplement, the Calculation Agent may select a Substitute Reference Obligation in accordance with the definition of “Substitute Reference Obligation”.

- (v) Where the Notes are N^{th} -to-Default Credit Linked Notes:
- (A) Where a Succession Event has occurred in respect of a Reference Entity (each such Reference Entity, a **Succession Event Reference Entity** and the Reference Entities unaffected by such Succession Event or any previous Succession Event, the **Non-Succession Event Reference Entities**) and more than one Successor has been identified by the Calculation Agent, each Note will subsequently reference a number of Baskets (each a **New Basket**) equal to the number of Successors, and each Successor (each a **Successor Reference Entity**) will be a Reference Entity for the purposes of one of the New Baskets and each of the Non-Succession Event Reference Entity shall be a Reference Entity for the purposes of each and every one of the New Baskets. The Aggregate Nominal Amount of the Notes shall be apportioned equally between each New Basket (each portion a **New Basket Nominal Amount**). Thereafter, the occurrence of a Credit Event in respect of the N^{th} Reference Entity will be assessed separately for each New Basket and only the occurrence of a Credit Event and satisfaction of the Conditions to Settlement in respect of the N^{th} Reference Entity in a New Basket will cause the Notes to be redeemed in part in a proportion which the New Basket Nominal Amount for the relevant New Basket bears to the Aggregate Nominal Amount of the Notes as of the Issue Date (the **New Basket Relevant Proportion**).
- (B) Consequently, where all Non-Succession Reference Entities and all Successor Reference Entities are considered together:
- (1) the occurrence of a Credit Event and satisfaction of the Conditions to Settlement in respect of the N^{th} Reference Entity, where such N^{th} Reference Entity and each previous Reference Entity in respect of which the Conditions to Settlement have been satisfied are Non-Succession Event Reference Entities, will be the Credit Event for the purposes of each and every New Basket and each and every New Basket Nominal Amount of the Notes and will cause the Notes to be redeemed in full in accordance with this Condition 9 (*Credit Linked Notes*);
 - (2) the occurrence of a Credit Event and satisfaction of the Conditions to Settlement in respect of the N^{th} Reference Entity, where either such N^{th} Reference Entity or one or more previous Reference Entity in respect of which the Conditions to Settlement have been satisfied is a Successor Reference Entity, will be the Credit Event only in respect of the New Basket in respect of which the relevant Successor Reference Entity is a Reference Entity. Thereafter the New Basket Relevant Proportion of each Note shall be redeemed in accordance with this Condition 9 (*Credit Linked Notes*); and
 - (3) the occurrence of a Credit Event and satisfaction of the Conditions to Settlement in respect of the N^{th} Reference Entity where either: (x) such N^{th} Reference Entity and one or more previous Reference Entity in respect of which the Conditions to Settlement have been satisfied are each a Successor Reference Entity; or (y) such N^{th} Reference Entity is a Non-Succession Reference Entity but two or more previous Reference Entities in respect of which the Conditions to Settlement have been satisfied are Successor Reference Entities, will not be the Credit Event in respect of any of the New Baskets and will not cause the Notes to be redeemed either in part or in whole.
- (C) Following a partial redemption of the Notes pursuant to this sub-paragraph (v), interest shall accrue on the remaining outstanding principal amount of the Notes immediately following the partial redemption (the **New Basket Outstanding Principal Amount**) as provided for in these conditions (adjusted in such manner as the Calculation Agent in its sole and absolute discretion determines to be

appropriate) and the Calculation Agent shall continue to assess the occurrence of a Credit Event and satisfaction of the Conditions to Settlement in respect of the *Nth* Reference Entity for the purposes of the remaining New Baskets and the New Basket Outstanding Principal Amount in accordance with this Condition 9(j)(v) (*Succession Event – Where the Notes are Nth-to-Default Credit Linked Notes*).

- (D) If one or more of the Successors to the Reference Entity have not assumed the Reference Obligation (if any) specified in the applicable Conditions Supplement, the Calculation Agent may select a Substitute Reference Obligation in accordance with the definition of “Substitute Reference Obligation”.
- (vi) The provisions of these Conditions shall apply to any subsequent Succession Events. For the avoidance of doubt, the provisions of Conditions 9(j)(iii), 9(j)(iv) and 9(j)(v) shall apply to each Succession Event, provided that the Calculation Agent may make any adjustments to the Reference Entities and/or Baskets (including any New Baskets) as it determines, in its sole and absolute discretion, are necessary to reflect the occurrence of a Succession Event without the consent of the Noteholders.
- (vii) Where the effect of the foregoing provisions would be to specify a Reference Entity more than once with respect to the Notes or, in the case of Conditions 9(j)(iv) and 9(j)(v), a New Basket, that Reference Entity shall be deemed to be specified only once.
- (viii) Save as otherwise provided in the applicable Conditions Supplement, where any Reference Entity (the **Surviving Reference Entity**) (other than a Reference Entity that is subject to a Succession Event) would be a Successor to any other Reference Entity (the **Legacy Reference Entity**) pursuant to a Succession Event through the application of the foregoing provisions, (I) if Fixed Number of Reference Entities is not specified as applicable in the applicable Conditions Supplement, such Surviving Reference Entity shall be deemed a Successor to the Legacy Reference Entity or (II) if Fixed Number of Reference Entities is specified as applicable in the applicable Conditions Supplement, such Surviving Reference Entity shall be deemed not to be a Successor to the Legacy Reference Entity and the Calculation Agent shall select an additional entity to constitute a Reference Entity in replacement of the Legacy Reference Entity (such entity an **Additional Reference Entity**) such that the number of Reference Entities in respect of the Notes, or in respect of each New Basket, prior to the Succession Event is equal to the number of Reference Entities following the Succession Event, provided that if, in respect of any First-to-Default Notes or *Nth*-to-Default Notes, the Legacy Reference Entity is a Reference Entity in respect of more than one New Basket, the Calculation Agent shall select an Additional Reference Entity to replace such Legacy Reference Entity in each New Basket, each of which Additional Reference Entities may be different entities. Each Additional Reference Entity shall be of the same Transaction Type (as defined in the 2005 Matrix Supplement) with a comparable credit rating as the Surviving Reference Entity, and shall be principally traded in the credit derivatives market in respect of the same Geographical Region as the relevant Surviving Reference Entity, where **Geographical Region** means such region determined in good faith by the Calculation Agent to give best effect to then current market practice in respect of the Surviving Reference Entity, as determined by the Calculation Agent in its sole and absolute discretion. Any such Additional Reference Entity will be deemed to be a Reference Entity for the purposes of the Notes and all references in these Credit Linked Conditions to a “Reference Entity” or “Reference Entities” shall be construed accordingly.
- (ix) Unless “Merger Event not Applicable” is specified in the applicable Conditions Supplement, in the event that (x) the Issuer becomes a Successor to any Reference Entity as a result of the application of the foregoing provisions, (y) the Issuer and any

If one or more Additional Reference Entities are selected, the Calculation Agent may select a Substitute Reference Obligation in respect of each such Additional Reference Entity in accordance with the definition of “Substitute Reference Obligation”.

Reference Entity become Affiliates or (z) the Issuer or a Reference Entity consolidates or amalgamates with, or merges into, or transfers all or substantially all its assets to, a Reference Entity or the Issuer (as applicable) (each a **Merger Event**), then the Issuer may, but shall not be obliged to, on giving not more than 30 nor less than 15 days' notice to Noteholders (the **Merger Event Notice**), redeem all but not some of the Notes at the Early Redemption Amount specified in the Merger Event Notice.

- (x) Notwithstanding any other provisions in this Condition 9(j) (*Succession Event*), the Calculation Agent shall be entitled to make additional determinations (including without limitation as to the division of the Credit Linked Notes) and adjustments to the Conditions and to the applicable Conditions Supplement relating to, connected with, or as a result of, a Succession Event. Any such determinations and adjustments shall be made by the Calculation Agent in its sole and absolute discretion (provided that if such determinations have been made by the relevant Credit Derivatives Determinations Committee, then the Calculation Agent shall, unless (x) otherwise provided for in the applicable Conditions Supplement or (y) "Calculation Agent Determination" is specified as applicable in the applicable Conditions Supplement, be bound by such determinations) and, in the absence of manifest error, shall be conclusive and binding on all Noteholders. The applicable Conditions Supplement may be amended and restated at such time to reflect the effect of a Succession Event without the consent of the Noteholders and the Noteholders are deemed to agree to this provision by the purchase of the Notes.

(k) *Restructuring Credit Event*

- (i) If (A) Restructuring is specified in the applicable Conditions Supplement as being an applicable Credit Event; (B) either "Restructuring Maturity Limitation and Fully Transferable Obligation Applicable" or "Modified Restructuring Maturity Limitation and Conditionally Transferable Obligation Applicable" is specified in the applicable Conditions Supplement and (C) a Restructuring Credit Event occurs, then (unless otherwise specified in the applicable Conditions Supplement), the Issuer may deliver multiple Credit Event Notices with respect to such Restructuring, each such Credit Event Notice setting forth the amount of the Aggregate Nominal Amount of the Notes to which the Credit Event Notice relates (the **Exercise Amount**). If the relevant Credit Event Notice does not specify an Exercise Amount, then the Aggregate Nominal Amount of the Notes outstanding immediately prior to the delivery of such Credit Event Notice will be deemed to have been specified as the Exercise Amount. Accordingly, notwithstanding anything to the contrary in these Conditions, where a Restructuring has occurred and the Issuer has delivered a Credit Event Notice for an Exercise Amount that is less than the Aggregate Nominal Amount of the Notes outstanding or the Reference Entity Nominal Amount outstanding in respect of the relevant Reference Entity, in each case as at the date immediately prior to the delivery of such Credit Event Notice, as applicable, the provisions of these Conditions shall be deemed to apply to a principal amount of the Notes equal to the Exercise Amount only and all the provisions shall be construed accordingly. Each such Note shall be redeemed in part (such redeemed part being equal to the relevant proportion of the Exercise Amount).
- (ii) The Exercise Amount in connection with a Credit Event Notice describing a Restructuring Credit Event must be an amount that is at least 1,000,000 units of the currency (or, if Japanese Yen, 100,000,000 units) in which the Notes are denominated or any integral multiple thereof or the entire outstanding principal amount of the Notes or the Reference Entity Nominal Amount outstanding in respect of the relevant Reference Entity, as applicable, at such time.
- (iii) The Notes shall be deemed to be redeemed *pro rata* in an amount equal to the Exercise Amount only. The Notes in an amount equal to the Aggregate Nominal Amount less the Exercise Amount shall remain outstanding (the **Outstanding Amount**) and interest (if applicable) shall accrue on the Outstanding Amount as provided for in these Conditions and the applicable Conditions Supplement (adjusted in such manner as the Calculation Agent determines to be appropriate).

- (iv) In respect of any subsequent Credit Event Notices delivered the Exercise Amount in connection with a Credit Event Notice describing a Credit Event other than a Multiple Exercise Restructuring Credit Event must be equal to the outstanding principal amount of the Notes or the Reference Entity Nominal Amount outstanding in respect of the relevant Reference Entity, as applicable, at such time (and not a portion thereof); and
 - (v) For the avoidance of doubt, (i) in the case of a First-to-Default Credit Linked Note, once a Multiple Exercise Restructuring Credit Event has occurred in respect of a Reference Entity, no further Credit Event Notices may be delivered in respect of any Reference Entity other than the Reference Entity that was the subject of the first occurring Multiple Exercise Restructuring Credit Event and (ii) in the case of an *Nth*-to-Default Credit Linked Note, if a Multiple Exercise Restructuring Credit Event has occurred in respect of the *Nth* Reference Entity, no further Credit Event Notices may be delivered in respect of any Reference Entity other than the *Nth* Reference Entity.

Any determination as to whether such notice has been properly completed and delivered as provided in this Condition 9(l) (*Physical Delivery*) shall be made, in the case of Notes represented by a Global Note, by Euroclear, Clearstream, Luxembourg, CDP, the Registrar or any Paying Agent as the case may be, after consultation with the Issuer and shall be conclusive and binding on the Issuer and the relevant Noteholder and, in the case of Notes in definitive form, by the relevant Paying Agent or the Registrar, as the case may be, after consultation with the Issuer, and shall be conclusive and binding on the Issuer and the relevant Noteholder.

All Delivery Expenses arising from the delivery of the Asset Amount in respect of such Note shall be for the account of the relevant Noteholder. The Issuer shall be entitled to postpone the delivery of the Asset Amount until all Delivery Expenses have been paid to the satisfaction of the Issuer by the relevant Noteholder. The Issuer shall not be obliged to make or procure any delivery if to do so would breach any applicable securities or other relevant laws.

PROVIDED FURTHER THAT:

- (A) if all or a portion of the Deliverable Obligations included in the Asset Amount that are Undeliverable Obligations (but subject to sub-paragraph (B) below in the case of Assignable Loans or Consent Required Loans) are not Delivered by the Final Delivery Date, the provisions of Condition 9(m)(i) (*Partial Cash Settlement*) shall apply; or
- (B) if all or a portion of the Deliverable Obligations included in the Asset Amount that consist of Assignable Loans or Consent Required Loans that, due to the non-receipt of any requisite consents, are not capable of being Delivered by the Final Delivery Date, the provisions of Condition 9(m)(ii) (*Partial Cash Settlement*) shall apply.

If, subject to the provisions of this Condition 9(l) (*Physical Delivery*), a Noteholder fails to give an Asset Transfer Notice as provided herein on or prior to the Cut-Off Date specified in the applicable Conditions Supplement, the Issuer will, subject as provided above, deliver the Deliverable Obligations constituting the Asset Amount in respect of the relevant Notes as soon as practicable after the receipt of the duly completed Asset Transfer Notice at the risk of such Noteholder, PROVIDED THAT if, in respect of a Note, a Noteholder fails to give an Asset Transfer Notice prior to the day falling 180 calendar days after the Cut-Off Date, the Issuer's obligations in respect of such Notes shall be discharged and the Issuer shall have no liability in respect thereof. For the avoidance of doubt, in such circumstances, such Noteholder shall not be entitled to any payment, whether of interest or otherwise, as a result of such delivery date falling after the originally designated delivery date and no liability in respect thereof shall attach to the Issuer.

- (i) If all or a portion of the Undeliverable Obligations or Hedge Disruption Obligations comprising the Asset Amount in respect of a Note are not Delivered by the Final Delivery Date (other than in respect of Assignable Loans or Consent Required Loans that, due to the non-receipt of any requisite consents, are not capable of being Delivered on that day), the Issuer shall give notice (a **Partial Cash Settlement Notice**) to the Noteholders in accordance with Condition 17 (*Notices*) and the Issuer shall pay in respect of each Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, the Partial Cash Settlement Amount on the Partial Cash Settlement Date.

In the Partial Cash Settlement Notice, the Issuer will give details of why it is unable to deliver the relevant Undeliverable Obligations or Hedge Disruption Obligations, as the case may be.

(o) *Provisions taken from the ISDA supplement titled “Additional Provisions – Monoline Insurer as Reference Entity (May 2003)”*

If this Condition 9(o) (*Provisions taken from the ISDA supplement titled “Additional Provisions – Monoline Insurer as Reference Entity (May 2003)”*) is specified as applicable in the applicable Conditions Supplement, the following provisions will apply:

- (i) *Obligation and Deliverable Obligation.* Paragraph (a) of the definition of “Obligation” in Condition 23 (*Definitions*) and paragraph (a) of the definition of “Deliverable Obligation” in Condition 23 (*Definitions*) are hereby amended by adding “or Qualifying Policy” after “or as provider of a Qualifying Affiliate Guarantee”.
- (ii) *Interpretation of Provisions.* In the event that an Obligation or a Deliverable Obligation is a Qualifying Policy, the terms of paragraph (d)(B)(4) of the definition of “Deliverable Obligation” in Condition 23 (*Definitions*) will apply, with references to the Qualifying Guarantee, the Underlying Obligation and the Underlying Obligor deemed to include the Qualifying Policy, the Insured Instrument and the Insured Obligor, respectively, except that:
 - (A) the Obligation Category Borrowed Money and the Obligation Category and Deliverable Obligation Category Bond shall be deemed to include distributions payable under an Insured Instrument in the form of a pass-through certificate or

By specifying that this Condition 9(o) (*Provisions taken from the ISDA supplement titled “Additional Provisions – Monoline Insurer as Reference Entity (May 2003)”*) is applicable, no inference should be made as to the interpretation of the “Not Contingent” Deliverable Obligation Characteristic in the context of limited recourse or similar terms applicable to Deliverable Obligations other than Qualifying Policies.

By specifying that this Condition 9(p) (*Provisions taken from the ISDA supplement titled “Additional Provisions – Monoline Insurer as Reference Entity (May 2005)”*) is applicable, no inference should be made as to the interpretation of the “Not Contingent” Deliverable Obligation Characteristic in the context of limited recourse or similar terms applicable to Deliverable Obligations other than Qualifying Policies.

(vii) *Restructuring.*

(A) With respect to an Insured Instrument that is in the form of a pass-through certificate or similar funded beneficial interest or a Qualifying Policy with respect thereto, paragraphs (i) to (v) inclusive of the definition of “Restructuring” in Condition 23 (*Definitions*) are hereby amended to read as follows:

Whenever the Calculation Agent is required to make any determination it may, *inter alia*, decide issues of construction and legal interpretation. In performing its duties pursuant to the Notes, the Calculation Agent shall act in its sole and absolute discretion. Any delay, deferral or forbearance by the Calculation Agent in the performance or exercise of any of its obligations or its discretion under the Notes including, without limitation, the giving of any notice by it to any person, shall not affect the validity or binding nature of any later performance or exercise of such obligation or discretion, and none of the Calculation Agent and the Issuer shall, in the absence of wilful misconduct and gross negligence, bear any liability in respect of, or consequent upon, any such delay, deferral or forbearance.

In relation to the delivery by the Calculation Agent to the Issuer of any notice pursuant to this Condition 9 (*Credit Linked Notes*), a notice delivered on or prior to 4:00 p.m. (Calculation Agent City time) on a Calculation Agent City Business Day will be effective on such Calculation Agent City Business Day. A notice delivered after 4:00 p.m. (Calculation Agent City time) on a Calculation Agent City Business Day or on a day which is not a Calculation Agent City Business Day will be deemed effective on the next following Calculation Agent City Business Day, regardless of the form in which it is delivered. For purposes of the two preceding sentences, a notice given by telephone will be deemed to have been delivered at the time the telephone conversation takes place. If the notice is delivered by telephone, a written confirmation will be executed and delivered confirming the substance of that notice within one Calculation Agent City Business Day of that notice. Failure to provide that written confirmation will not affect the effectiveness of that telephonic notice.

The Calculation Agent may from time to time amend any provision of these Credit Linked Note Conditions or the Notes to incorporate and/or reflect further or alternative documents from time to time published by ISDA with respect to the settlement of credit derivative transactions and/ or the operation or application of determinations by the ISDA Credit Derivatives Determinations Committees which the Calculation Agent and the Issuer determine in a commercially reasonable manner are necessary to reflect market practice for credit derivative transactions. The applicable Conditions Supplement may be amended and restated from time to time to reflect such changes in market convention without the consent of the Noteholders and the Noteholders are deemed to agree to this provision by the purchase of the Notes.

(r) *Adherence to ISDA Protocols in Relation to Alternative Settlement or Valuation Method*

In the event that a protocol setting out an alternative settlement or valuation method is published by ISDA (a "**Protocol**") in relation to a Reference Entity, the Calculation Agent may in its sole discretion determine whether to follow some or all of the terms of such Protocol for purposes of this Condition 9 (*Credit Linked Notes*).

Notwithstanding any other provisions in this Condition 9 (*Credit Linked Notes*), in the event that the Calculation Agent decides to adhere to a Protocol, the Calculation Agent may adjust such terms of this Condition 9 (*Credit Linked Notes*) as it deems appropriate to reflect some or all of the relevant settlement, valuation and other provisions of the Protocol. These may

include, without limitation, adjustments in relation to the determination of any Credit Event Redemption Amount, any Final Price or any Asset Amount or determining Cash Settlement rather than Physical Settlement shall apply or *vice versa*. Nothing in this Condition 9(r) (*Adherence to ISDA Protocols in Relation to Alternative Settlement or Valuation Method*) should be taken as requiring the Calculation Agent to follow the terms of any Protocol.

(s) *Adjustments following a Constraint Event*

(i) Action following a Constraint Event

If Constraint Event provisions are specified as applying in the applicable Conditions Supplement and the Calculation Agent determines that a Constraint Event has occurred or exists at any time on or prior to the Scheduled Maturity Date or any other day on which any payment or delivery is due in respect of the Notes, the Issuer in its sole and absolute discretion may, subject as provided below, take the action specified in any of (A), (B) or (C) below:

- (A) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any one or more of the Final Redemption Amount and/or any other amount falling due and/or any other terms of these Conditions and/or the applicable Conditions Supplement to account for such Constraint Event, and determine the effective date of that adjustment; or
- (B) where Constraint Event Early Redemption is specified as applying in the applicable Conditions Supplement, give notice to Noteholders in accordance with Condition 17 (*Notices*) and redeem all, but not some only, of the Notes, at the Early Redemption Amount; or
- (C) where Constraint Event Early Redemption is not specified as applying in the applicable Conditions Supplement, give notice to the Noteholders (in accordance with Condition 17 (*Notices*)), designate the Notes as “Suspended Notes” and specify the effective date thereof (the “**Suspension Date**”). The Issuer shall have no obligation to make any payment or perform any other obligation in respect of the Notes while the Notes are Suspended Notes and, subject as provided below, any such payment or other performance shall be postponed to no later than the tenth Business Day following the Cessation Date (as defined below). No additional interest or any other payment or compensation shall be due to Noteholders as a result of any such delay. The Notes shall remain Suspended Notes until the relevant Constraint Event ceases to exist and the Issuer notifies the cessation of such Constraint Event to Noteholders in accordance with Condition 17 (*Notices*) (the effective date of such notification the “**Cessation Date**”) provided that if in the determination of the Calculation Agent the relevant Constraint Event continues to exist on the second anniversary of the Suspension Date (the “**Suspension Cut-Off Date**”), the Suspended Notes shall expire worthless and shall be cancelled by the Issuer in which case all obligations of the Issuer to the Noteholders in respect of the Notes shall be discharged and the Noteholders shall have no further recourse to the Issuer in respect of the Notes.

Without prejudice to the foregoing, following any Cessation Date the Issuer may require the Calculation Agent to determine in its sole and absolute discretion, any adjustment to one or more of the Final Redemption Amount and/or any other amount falling due and/or any other terms of these Conditions and/or the applicable Conditions Supplement necessary or appropriate in order to determine any such amounts or other obligations due or to be performed in respect of the Notes, taking into account, without limitation, the occurrence of the relevant Constraint Event and the effect of any delay pursuant to this Condition.

If delivery of any assets is made later than the originally scheduled due date for delivery as a result of the occurrence of a Constraint Event, until delivery is made to the Noteholders, none of the Issuer, the Calculation Agent or any other person shall at any time (i) be under any obligation to deliver or procure delivery to the Noteholders or any subsequent transferee any letter, certificate, notice, circular or any other document or payment whatsoever received by that person in respect of such assets, (ii) be under any obligation to exercise or procure exercise of any or all rights (including voting rights) attaching to such assets or (iii) be under any liability to the Noteholders or any subsequent transferee in respect of any loss or damage which the Noteholders or subsequent transferees may sustain or suffer as a result, whether directly or indirectly, of that person being the legal owner of such assets until the date of delivery.

(ii) Definition of Constraint Event

Subject as provided below, for the purposes of this Condition, **Constraint Event** means any of:

- (A) if **General Inconvertibility** is specified as applying in the applicable Conditions Supplement, the occurrence of any event that generally makes it impossible or not reasonably practicable to convert the Local Currency into the Specified Currency in any Relevant Jurisdiction through customary legal channels;
- (B) if **Specific Inconvertibility** is specified as applying in the applicable Conditions Supplement, the occurrence of any event that makes it impossible or not reasonably practicable for any Reference Entity and/or any Hedging Party to convert the Local Currency into the Specified Currency in any Relevant Jurisdiction, other than where such impossibility or impracticability is due solely to the failure by such Reference Entity and/or Hedging Party to comply with any law, rule or regulation enacted by any Governmental Authority (unless such law, rule or regulation is enacted after the Issue Date and it is impossible or not reasonably practicable for such Reference Entity and/or Hedging Party, due to an event beyond its control, to comply with such law, rule or regulation);
- (C) if **General Non-Transferability** is specified as applying in the applicable Conditions Supplement, the occurrence of any event that generally makes it impossible or not reasonably practicable to deliver (a) the Specified Currency from accounts inside any Relevant Jurisdiction to accounts outside such Relevant Jurisdiction or (b) the Local Currency between accounts inside the Relevant Jurisdiction or to a party that is a non-resident of such Relevant Jurisdiction;
- (D) if **Specific Non-Transferability** is specified as applying in the applicable Conditions Supplement, the occurrence of any event that makes it impossible or not reasonably practicable for any Reference Entity and/or any Hedging Party to deliver (a) the Local Currency from accounts inside any Relevant Jurisdiction to accounts outside such Relevant Jurisdiction or (b) the Local Currency between accounts inside any Relevant Jurisdiction or to a party that is a non-resident of such Relevant Jurisdiction, other than where such impossibility or impracticability is due solely to the failure by such Reference Entity and/or Hedging Party to comply with any law, rule or regulation enacted by any Governmental Authority (unless such law, rule or regulation is enacted after the Issue Date and it is impossible or not reasonably practicable for such Reference Entity and/or Hedging Party, due to an event beyond its control, to comply with such law, rule or regulation);

- (E) if **Nationalisation** is specified as applying in the applicable Conditions Supplement, any expropriation, confiscation, requisition, nationalisation or other action is taken by a Governmental Authority which deprives any Reference Entity and/or Hedging Party of all or substantially all of its assets in any Relevant Jurisdiction;
- (F) if **Hedging Disruption** is specified as applying in the applicable Conditions Supplement, the Issuer determines that any arrangements entered into by any Hedging Party in order to hedge the Issuer's obligations in respect of the Notes in whole or in part cannot reasonably be established, maintained or re-established; or
- (G) if **Downgrade** is specified as applying in the applicable Conditions Supplement, the Credit Rating in respect of any Downgrade Obligation is lower than the relevant Specified Rating or any Downgrade Obligation is no longer rated by the relevant Rating Agency. If a Downgrade Obligation no longer exists, the Calculation Agent may, in its sole and absolute determination, identify a substitute Downgrade Obligation that ranks equal in priority of payment with the Downgrade Obligation and is issued or guaranteed (as to both principal and interest or other similar payments if applicable) by the same entity as the issuer of the Downgrade Obligation immediately prior to such substitution. The Calculation Agent may make such adjustments to the Conditions and/or the applicable Conditions Supplement to take account of any such substitution, including an adjustment in relation to the relevant Specified Rating and Rating Agency. If the Downgrade Obligation is a Reference Obligation for the purposes of this Condition 9 (*Credit Linked Notes*), the Calculation Agent may, without limitation, select the relevant successor Reference Obligation determined pursuant to this Condition 9 (*Credit Linked Notes*) as the successor Downgrade Obligation. The Issuer shall give notice to Noteholders in accordance with Condition 17 (*Notices*) of any such substitution and the effective date thereof.

- (t) *Provisions taken from the ISDA supplement titled “Additional Provisions for LPN Reference Entities” (October 3, 2006)*

If this Condition 9(t) (*Provisions taken from the ISDA supplement titled “Additional Provisions for LPN Reference Entities” (October 3, 2006)*) is specified as applicable in the applicable Conditions Supplement, the following provisions will apply:

- (i) Multiple Holder Obligation will be Not Applicable with respect to any Reference Obligation (and any Underlying Loan).
- (ii) Each Reference Obligation will be an Obligation notwithstanding anything to the contrary in this Condition 9 (*Credit Linked Notes*), including but not limited to the definition of “Obligation” in Condition 23 (*Definitions*), and in particular, notwithstanding that the obligation is not an obligation of the Reference Entity.
- (iii) Each Reference Obligation will be a Deliverable Obligation notwithstanding anything to the contrary in this Condition 9 (*Credit Linked Notes*), including but not limited to the definition of “Deliverable Obligation” in Condition 23 (*Definitions*), and in particular, notwithstanding that the obligation is not an obligation of the Reference Entity.
- (iv) For the avoidance of doubt with respect to any LPN Reference Obligation that specifies an Underlying Loan or an Underlying Finance Instrument, the outstanding principal balance shall be determined by reference to the Underlying Loan or Underlying Finance Instrument (as applicable) relating to such LPN Reference Obligation.
- (v) The “Not Subordinated Obligation” Characteristic and Deliverable Obligation Characteristic shall be construed as if no Reference Obligation was specified in respect of the Reference Entity.
- (vi) *Relevant Definitions*

For the purpose of this Condition 9(t) (*Provisions taken from the ISDA supplement titled “Additional Provisions for LPN Reference Entities” (October 3, 2006)*):

Additional LPN means any bond issued in the form of a loan participation note (an **LPN**) by the Issuer for the sole purpose of providing funds for the Issuer to (A) finance a loan to the Reference Entity (the **Underlying Loan**); or (B) provide finance to the Reference Entity by way of a deposit, loan or other Borrowed Money instrument (the **Underlying Finance Instrument**); provided that, (i) either (a) in the event that there is an Underlying Loan with respect to such LPN the Underlying Loan satisfies the Obligation Characteristics specified in respect of the Reference Entity; or (b) in the event that there is an Underlying Finance Instrument with respect to such LPN the Underlying Finance Instrument satisfies the Not Subordinated, Not Domestic Law and Not Domestic Currency Obligation Characteristics; (ii) the LPN satisfies the following Deliverable Obligation Characteristics: Transferable, Not Bearer, Specified Currency-Standard Specified Currencies, Not Domestic Law, Not Domestic Issuance; and (iii)

the Issuer has, as of the issue date of such obligation, granted a First Ranking Interest over or in respect of certain of its rights in relation to the relevant Underlying Loan or Underlying Finance Instrument (as applicable) for the benefit of the holders of the LPNs.

Additional Obligation means each of the obligations listed as an Additional Obligation of the Reference Entity in the Conditions Supplement or set forth on the relevant LPN Reference Obligations List, as published by Markit Group Limited, or any successor thereto, as of the Trade Date, which list is currently available at <http://www.markit.com/marketing/services.php>.

First Ranking Interest means a charge, security interest (or other type of interest having similar effect) (an **Interest**), which is expressed as being “first ranking”, “first priority”, or similar (**First Ranking**) in the document creating such Interest (notwithstanding that such Interest may not be First Ranking under any insolvency laws of any relevant insolvency jurisdiction of the Issuer).

LPN Reference Obligation means each Reference Obligation other than any Additional Obligation. For the avoidance of doubt, any change to the issuer of an LPN Reference Obligation in accordance with its terms shall not prevent such LPN Reference Obligation from constituting a Reference Obligation. Each LPN Reference Obligation is issued for the sole purpose of providing funds for the Issuer to finance a loan to the Reference Entity. For the purposes of this Note each such loan shall be an Underlying Loan.

Reference Obligation means, as of the Trade Date, each of the obligations listed as a Reference Obligation of the Reference Entity in the Conditions Supplement or set forth on the relevant LPN Reference Obligations List (each, a **Markit Published LPN Reference Obligation**), as published by Markit Group Limited, or any successor thereto, which list is currently available at <http://www.markit.com/marketing/services.php>, any Additional LPN, determined in accordance with the definition below, and each Additional Obligation.

10. Purchase

If so specified in the applicable Conditions Supplement, the Issuer may, provided that no Event of Default has occurred and is continuing, purchase Notes (or any of them) at any time and from time to time in the open market or otherwise at any price, provided that the Issuer shall not purchase any Definitive Bearer Note unless it purchases all unmatured Receipts and Coupons (if any) in respect of such definitive Note.

If the applicable Conditions Supplement does not indicate that the Issuer may purchase Notes, the Issuer may not purchase Notes.

All Notes purchased by the Issuer pursuant to this Condition 10 (*Purchase*) shall be cancelled in accordance with the provisions of Condition 5(h) (*Redemption - Cancellation*).

11. Taxation

Unless otherwise specified in the applicable Conditions Supplement, Condition 11(a) (*Gross-Up*) shall be deemed to apply.

(a) Gross-Up

All payments of principal and interest in respect of the Notes, the Receipts and the Coupons shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within Singapore or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law. In such event, the Issuer shall pay such additional amounts as shall result in receipt by the Noteholders and the Couponholders of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable with respect to any Note, Receipt or Coupon:

- (i) **Other connection:** to, or to a third party on behalf of, a holder who is liable to such taxes, duties, assessments or governmental charges in respect of such Note, Receipt or Coupon by reason of his having some connection with Singapore other than the mere holding of the Note, Receipt or Coupon; or
- (ii) **Lawful avoidance of withholding:** to, or to a third party on behalf of, a holder who could lawfully avoid (but has not so avoided) such deduction or withholding by complying or procuring that any third party complies with any statutory requirements or by making or procuring that any third party makes a declaration of non-residence or residence or other similar claim for exemption to any tax authority in the place where the relevant Note (or the Certificate representing it), Receipt or Coupon is presented for payment; or
- (iii) **Withholding required by European Union Directive:** where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to any European Council Directive 2003/48/EC or any other implementing the conclusions of the ECOFIN Council meeting of November 26-27, 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive; or
- (iv) **Presentation to alternative Paying Agent:** (except in the case of the Notes in registered form) presented for payment by or on behalf of a holder who would be able to avoid such withholding or deduction by presenting the relevant Note, Receipt or Coupon to another Paying Agent in a Member State of the European Union; or
- (v) **Presentation more than 30 days after the Relevant Date:** presented for payment more than 30 days after the Relevant Date except to the extent that the holder of it would have been entitled to such additional amounts on presenting it for payment on the thirtieth day.

(b) No Gross-Up

If this Condition 11(b) (*No Gross-Up*) is specified as applicable in the applicable Issue Document, the Issuer shall not be liable for or otherwise obliged to pay any tax, duty, withholding or other payment which may arise as a result of the ownership, transfer, presentation and surrender for payment, or enforcement of any Note and all payments made by the Issuer shall be made subject to any tax, duty, withholding or other payment which may be required to be made, paid, withheld or deducted.

12. Prescription

The Notes (whether in bearer or registered form), Receipts and Coupons will become void unless presented for payment:

- (a) where English law is specified to be the governing law of the Notes, within a period of 10 years (in the case of principal) and five years (in the case of interest) after the Relevant Date; and
- (b) where Singapore law is specified to be the governing law of the Notes, within a period of three years (whether in the case of principal or interest) after the Relevant Date.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition 12 (*Prescription*) or Condition 4(b) (*Payments — Presentation of Definitive Bearer Notes, Receipts and Coupons*) or any Talon which would be void pursuant to Condition 4(b) (*Payments — Presentation of Definitive Bearer Notes, Receipts and Coupons*).

13. Events of Default

If any of the following events shall occur and be continuing (each an **Event of Default**):

- (a) in the case of a Series comprising only one Class of Notes, if default is made for a period of 30 days or more in the payment of any sum due in respect of the Notes, the Receipts or the Coupons or any of them; or

- (b) in the case of a Series comprising more than one Class of Notes, if default is made for a period of 30 days or more in the payment of any sum due in respect of the Notes, the Receipts or the Coupons of the most senior ranking Class of Notes then outstanding; or
- (c) if any order shall be made by any competent court or any resolution passed for the winding-up or dissolution of the Issuer save for the purposes of amalgamation, merger, consolidation, reorganisation or other similar arrangements; or
- (d) if the Issuer fails to perform or observe any of its other obligations under the Notes and such failure continues for a period of 60 days next following the service by a Noteholder on the Issuer of notice requiring the same to be remedied,

then the holder of any Note may give written notice to the Fiscal and Paying Agent at its specified office that such Note is immediately repayable, whereupon the Early Redemption Amount of such Note together with accrued interest to the date of payment shall become immediately due and payable, unless such Event of Default shall have been remedied prior to the receipt of such notice by the Fiscal and Paying Agent.

14. Replacement of Notes, Receipts, Coupons and Talons

Should any Note, Receipt, Coupon or Talon be lost, stolen, mutilated, defaced or destroyed, it may, subject to applicable laws and regulations, be replaced at the specified office of the Fiscal and Paying Agent (in the case of Bearer Notes, Receipts or Coupons) or the Registrar (in the case of Registered Notes) upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Notes, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

15. Agents

The names of the initial Agents and their initial specified offices are set out below.

The Issuer is entitled to vary or terminate the appointment of any Agent and/or appoint additional or other Agents and/or approve any change in the specified office through which any Agent acts, provided that, so long as any of the Notes is outstanding, the termination of the appointment of any Agent (whether by the Issuer or by the resignation of such Agent) shall not be effective unless upon the expiry of the relevant notice there is:

- (i) a Fiscal and Paying Agent and a Registrar;
- (ii) a Calculation Agent; and
- (iii) a Paying Agent having a specified office in Singapore, so long as the Notes are listed on the Singapore Exchange Securities Trading Limited (**SGX-ST**) and if the Notes are issued in definitive form, unless the Issuer obtains an exemption from SGX-ST.

In addition, the Issuer shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in Condition 4(e) (*Payments — General provisions applicable to payments*). Any variation, termination, appointment or change shall only take effect (other than in the case of insolvency, when it shall be of immediate effect) after not less than 15 or more than 30 days' prior notice thereof shall have been given to the Noteholders in accordance with Condition 17 (*Notices*).

In acting under the Agency Agreement the Agents act solely as agents of the Issuer and do not assume any obligation to, or relationship of agency or trust with, any Noteholders, Receiptholders or Couponholders. The Agency Agreement contains provisions permitting any entity into which any Agent is merged or converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor agent.

16. Exchange of Talons

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal and Paying Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 12 (*Prescription*).

17. Notices

All notices regarding the Bearer Notes will be deemed to be validly given if published in English in a leading English language daily newspaper of general circulation in Singapore. It is expected that such publication will be made in English in *The Straits Times of Singapore* or *The Business Times*. Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in all required newspapers.

All notices regarding the Registered Notes will be deemed to be validly given if (a) displayed on the website of the Issuer at <http://www.dbs.com> (or such other or replacement website as may be designated by Issuer from time to time) and will be deemed to have been given on the earlier of the day that it is first displayed on the website; or (b) sent by first class mail or (if posted to an address overseas) by airmail to the holders (or the first named of joint holders) at their respective addresses recorded in the Register and will be deemed to have been given on the fourth day after mailing.

Until such time as any definitive Notes (whether Bearer or Registered Notes) are issued, there may, so long as any Global Notes representing the Notes are held in their entirety on behalf of Euroclear, Clearstream, Luxembourg and/or CDP, be substituted for such publication in such newspaper(s) or mailing to the holders of the Notes, the delivery of the relevant notice to Euroclear, Clearstream, Luxembourg and/or CDP for communication by them to the holders of the Notes. Any such notice shall be deemed to have been given to the holders of the Notes on the seventh day after the day on which the said notice was given to Euroclear and/or Clearstream, Luxembourg and/or CDP.

Notices to be given by any Noteholder shall be in writing and given by lodging the same, together (in the case of any Note in definitive form) with the relative Note or Notes, with the Fiscal and Paying Agent (in the case of Bearer Notes) or the Registrar (in the case of Registered Notes). Any failure to give, or non-receipt of, any notice to any Noteholder will not affect the validity or effectiveness of any such Notice or action relevant to such Notice, and shall not constitute an Event of Default. Whilst any of the Notes are represented by a Global Note cleared through a Clearing System, such notice may be given by any accountholder to the Fiscal and Paying Agent or the Registrar through Euroclear, Clearstream, Luxembourg or CDP, as the case may be, in such manner as the Fiscal and Paying Agent, the Registrar, Euroclear and/or Clearstream, Luxembourg and/or CDP, as the case may be, may approve for this purpose.

For so long as any Note is outstanding, if any Noteholder wishes to receive any information in respect of Notes held by it, it should contact in the first instance either the Dealer or Distributor through which it purchased the Notes or the Arranger. The address of the Arranger is set out on the section on "Corporate Information" of the Offering Circular.

18. Meetings of Noteholders; Modification, Waiver and Substitution

The Agency Agreement contains provisions for convening meetings of Noteholders to consider any matter affecting their interests, including the modification by Extraordinary Resolution of these Conditions. The quorum at any such meeting for passing an Extraordinary Resolution will be one or more persons holding or representing in the aggregate not less than 66 per cent. in principal amount of the Notes for the time being outstanding, or at any adjourned such meeting one or more persons being or representing Noteholders whatever the principal amount of the Notes so held or represented. An Extraordinary Resolution passed at any meeting of Noteholders will be binding on all Noteholders, whether or not they are present at the meeting, and, if applicable, on all Couponholders and Receiptholders.

The Agency Agreement provides that a resolution in writing signed by or on behalf of the holders of not less than 66 per cent. in principal amount of the Notes outstanding shall for all purposes be as valid and effective as an Extraordinary Resolution passed at a meeting of Noteholders duly convened and held. Such a resolution in writing may be contained in one document or several documents in the same form, each signed by or on behalf of one or more Noteholders.

Where the Notes are of a Series comprising more than one Class of Notes, an Extraordinary Resolution passed at any meeting of the holders of the most senior ranking Class of Notes shall be binding on all holders of Notes ranking junior to the Notes of such Class irrespective of the effect upon them, except that an Extraordinary Resolution to sanction a modification of the date of maturity of any Notes or which would have the effect of postponing any day for payment of interest thereon, reducing or cancelling the amount of principal or the rate of interest payable in respect of any Notes, altering the currency of payment of any Notes, or as the case may be, the Coupons relating thereto or altering the quorum or majority required in relation to this exception shall not take effect unless it shall have been sanctioned by an Extraordinary Resolution of the holders of each Class of Notes ranking junior to such Class.

An Extraordinary Resolution passed at any meeting of holders of any Class of Notes ranking junior to one or more Class of Notes shall not be effective for any purpose while any of the more senior ranking Class or Classes of Notes remains outstanding unless either:

- (i) the Fiscal and Paying Agent is of the opinion that it would not be materially prejudicial to the interests of the Noteholders of each of the more senior ranking Class of Notes; or
- (ii) it is sanctioned by an Extraordinary Resolution of the Noteholders of each of the more senior ranking Class of Notes.

Any such modification, waiver, authorisation or substitution shall be binding on all Noteholders, Receiptholders and, if applicable, all Couponholders and any such modification or substitution shall be notified to the Noteholders by the Issuer in accordance with Condition 17 (*Notices*) as soon as practicable thereafter.

19. Further Issues

The Issuer shall be at liberty from time to time, without the consent of the Noteholders, the Receiptholders or the Couponholders to create and issue further bonds, notes or other securities either (i) so as to be consolidated and form a single Series with the existing Notes of any Class or (ii) upon such terms as to interest, premium, redemption and otherwise as the Issuer may, in its absolute discretion, at the time of the issue thereof determine. Any such bonds, notes or other securities shall be constituted in accordance with the Agency Agreement.

20. Governing Law and Submission to Jurisdiction

(a) Governing law

The Programme Agreement, the Agency Agreement and the Deed of Covenant are governed by, and shall be construed in accordance with, Singapore law. The Notes, the Receipts and the Coupons and any non-contractual obligations arising out of or in connection with such Notes, Receipts and Coupons are governed by, and shall be construed in accordance with, either English or Singapore law, as may be specified in the applicable Conditions Supplement.

(b) Submission to jurisdiction

The Issuer agrees, for the exclusive benefit of the Noteholders, the Receiptholders and the Couponholders, that the courts of England (if English law is specified to be the governing law of the Notes, Receipts and Coupons and any non-contractual obligations arising out of or in connection with such Notes, Receipts and Coupons in the Conditions Supplement) or Singapore (if Singapore law is specified to be the governing law of the Notes, Receipts and Coupons and any non-contractual obligations arising out of or in connection with such Notes, Receipts and Coupons in the Conditions Supplement) are to have jurisdiction to settle any disputes which may arise out

of or in connection with the Notes, the Receipts and/or the Coupons and that accordingly any suit, action or proceedings (together referred to as **Proceedings**) arising out of or in connection with the Notes, the Receipts and the Coupons may be brought in such courts.

The Issuer hereby irrevocably waives any objection which it may have now or hereafter to the laying of the venue of any such Proceedings in any such court and any claim that any such Proceedings have been brought in an inconvenient forum and hereby further irrevocably agrees that a judgment in any such Proceedings brought in either the English Courts (if English law is specified to be the governing law of the Notes, Receipts and Coupons and any non-contractual obligations arising out of or in connection with such Notes, Receipts and Coupons in the Conditions Supplement) or the Singapore courts (if Singapore law is specified to be the governing law of the Notes, Receipts and Coupons and any non-contractual obligations arising out of or in connection with such Notes, Receipts and Coupons in the Conditions Supplement) shall be conclusive and binding upon it and may be enforced in the courts of any other jurisdiction.

Nothing contained in this Condition 20 (*Governing Law and Submission to Jurisdiction*) shall limit any right to take Proceedings against the Issuer in any other court of competent jurisdiction, nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction, whether concurrently or not.

Nothing herein shall affect the right to serve proceedings in any other manner permitted by law.

21. Third Party Rights

- (a) Where Singapore law is specified to be the governing law of the Notes, Receipts and Coupons in the Conditions Supplement, no person shall have any right to enforce any term or condition of this Note under the Contracts (Rights of Third Parties) Act, Chapter 53B of Singapore, but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

- (c) In relation to any information of the type described in sub-paragraphs (a)(ii), (iii) and (iv) above, the Issuer may assume that such information has been disclosed to it without violating any law, agreement or understanding regarding the confidentiality of such information and that the entity disclosing such information has not taken any action or entered into any agreement or understanding with the Reference Entity or any Affiliate of the Reference Entity that would be breached by, or would prevent, the disclosure of such information to the Issuer.
- (d) Publicly Available Information need not state:

The benefit of a Qualifying Guarantee must be capable of being delivered together with the Delivery of the Underlying Obligation.

If the Calculation Agent is unable to obtain two or more such Full Quotations on the same Business Day within three Business Days of a Valuation Date, then on the next following Business Day (and, if necessary, on each Business Day thereafter until the tenth Business Day following the relevant Valuation Date) the Calculation Agent shall attempt to obtain Full Quotations from five or more Dealers and, if two or more Full Quotations are not available, a Weighted Average Quotation. If two or more such Full Quotations or a Weighted Average Quotation are not available on any such Business Day and Indicative Quotations are specified as applying in the applicable Conditions Supplement, the Calculation Agent shall attempt to obtain three Indicative Quotations from five or more Dealers. If the Calculation Agent is unable to obtain two or more Full Quotations or a Weighted Average Quotation (or, if Indicative Quotations are specified as applying in the applicable Conditions Supplement, three Indicative Quotations) on the same Business Day on or prior to the tenth Business Day following the applicable Valuation Date, the Quotations shall be deemed to be zero.

All Quotations shall be obtained in accordance with this specification or determination; and
 - (iv) for the purposes of Condition 9(m) (*Partial Cash Settlement*) only, the Calculation Agent shall determine, based on the then current market practice in the market of the relevant Undeliverable Obligation, Undeliverable Loan Obligation or Unassignable Obligation, whether such Quotations shall include or exclude accrued but unpaid interest. All Quotations shall be obtained in accordance with this specification or determination.
- (b) If any Quotation obtained with respect to an Accreting Obligation is expressed as a percentage of the amount payable in respect of such obligation at maturity, such Quotation will instead be expressed as a percentage of the Outstanding Principal Balance for the purposes of determining the Final Price.

Quotation Amount means

- (a) the amount specified as such in the applicable Conditions Supplement (which may be specified by reference to an amount in a currency or by reference to a Representative Amount) or, if no amount is specified in the applicable Conditions Supplement, the Aggregate Nominal Amount (or, in either case, its equivalent in the relevant Obligation Currency converted by the Calculation Agent in a commercially reasonable manner by reference to exchange rates in effect at the time that the relevant Quotation is being obtained); and

Reference Entity means the entity or entities specified as such in the applicable Conditions Supplement. Each Successor to a Reference Entity either (a) identified by the Calculation Agent pursuant to Condition 9(j) (*Succession Event*) and the definition of "Successor" in this Condition 23 (*Definitions*) on or following the Trade Date or (b) identified by the Calculation Agent by reference to a public announcement by ISDA on or following the Trade Date that the relevant Credit Derivatives Determinations Committee has Resolved, in respect of a Succession Event Resolution Request Date, one or more Successors in accordance with the Rules, shall, in each case, be the Reference Entity, or if there is more than one Successor, the Reference Entities, for the purposes of the relevant Series.

Reference Entity Nominal Amount means, in respect of a Reference Entity, the amount specified as such in the applicable Conditions Supplement.

Reference Obligation means each obligation specified or of a type described as such in the applicable Conditions Supplement (if any are so specified or described) and any Substitute Reference Obligation save that for the purposes of Condition 9(m) (*Partial Cash Settlement*), "Reference Obligation" shall be deemed to be each Undeliverable Obligation, Undeliverable Loan Obligation or Unassignable Obligation.

Relevant City Business Day has the meaning given to that term in the Rules.

Relevant Obligations means the Obligations constituting Bonds and Loans of the Reference Entity outstanding immediately prior to the effective date of the Succession Event, excluding any debt obligations outstanding between the Reference Entity and any of its Affiliates, as determined by the Calculation Agent. The Calculation Agent will determine the entity which succeeds to such Relevant Obligations on the basis of the Best Available Information. If the date on which the Best Available Information becomes available or is filed precedes the legally effective date of the relevant Succession Event, any assumptions as to the allocation of obligations between or among entities contained in the Best Available Information will be deemed to have been fulfilled as of the legally effective date of the Succession Event, whether or not this is in fact the case.

Relevant Proportion means an amount (expressed as a percentage) equal to the Calculation Amount divided by the initial Aggregate Nominal Amount (as at the Trade Date) of all Notes outstanding as at the relevant Event Determination Date.

Remaining Amount has the meaning set out in sub-paragraph (3) of Condition 9(j)(iii)(C) (*Succession Event*) of these Credit Linked Conditions.

Representative Amount means an amount that is representative for a single transaction in the relevant market and at the relevant time, such amount to be determined by the Calculation Agent.

Repudiation/Moratorium means the occurrence of both of the following events:

- (a) an authorised officer of a Reference Entity or a Governmental Authority:
 - (A) disaffirms, disclaims, repudiates or rejects, in whole or in part, or challenges the validity of, one or more Obligations in an aggregate amount of not less than the Default Requirement; or
 - (B) declares or imposes a moratorium, standstill, roll-over or deferral, whether *de facto* or *de jure*, with respect to one or more Obligations in an aggregate amount of not less than the Default Requirement; and
- (b) a Failure to Pay, determined without regard to the Payment Requirement, or a Restructuring, determined without regard to the Default Requirement, with respect to any such Obligation occurs on or prior to the Repudiation/Moratorium Evaluation Date.

Repudiation/Moratorium Evaluation Date means, if a Potential Repudiation/Moratorium occurs on or prior to the Scheduled Maturity Date, (i) if the Obligations to which such Potential Repudiation/Moratorium relates include Bonds, the date that is the later of (A) the date that is 60 days after the date of such Potential Repudiation/Moratorium and (B) the first payment date under any such Bond after the date of such Potential Repudiation/Moratorium (or, if later, the expiration date of any applicable Grace Period in respect of such payment date) and (ii) if the Obligations to which such Potential Repudiation/Moratorium relates do not include Bonds, the date that is 60 days after the date of such Potential Repudiation/Moratorium, provided that, in either case, the Repudiation/Moratorium Evaluation Date shall occur no later than the Scheduled Maturity Date unless the Repudiation/Moratorium Extension Condition is satisfied.

Repudiation/Moratorium Extension Condition is satisfied if:

- (a) the Calculation Agent determines that ISDA has publicly announced pursuant to a valid request that was made, in accordance with the Rules, and effectively received on or prior to the date that is fourteen calendar days after the Scheduled Maturity Date that the relevant Credit Derivatives Determinations Committee has resolved that an event that constitutes a Potential Repudiation/Moratorium has occurred with respect to an Obligation of the relevant Reference Entity and that such event occurred on or prior to the Scheduled Maturity Date (determined by reference to Greenwich Mean Time (or, if the Transaction Type of the relevant reference Entity is a Japan Corporate or Japan Sovereign (as such terms are defined in the 2005 Matrix Supplement), Tokyo time)) and such Resolution constitutes an Applicable Resolution; or
- (b) otherwise by the delivery by the Calculation Agent to the Issuer of a Repudiation/Moratorium Extension Notice and, if Notice of Publicly Available Information is specified as a Condition to Settlement in the applicable Conditions Supplement, a Notice of Publicly Available Information that are each effective on or prior to the date that is fourteen calendar days after the Scheduled Maturity Date.

In all cases, the Calculation Agent may determine that the Repudiation/Moratorium Extension Condition has not been satisfied, or is not capable of being satisfied, if, or to the extent that, ISDA publicly announces, pursuant to a valid request that was delivered in accordance with the Rules and effectively received on or prior to the date that is fourteen calendar days after the Scheduled Maturity Date, that the relevant Credit Derivatives Determinations Committee has Resolved that either (A) an event does not constitute a Potential Repudiation/Moratorium with respect to an Obligation of the relevant Reference Entity or (B) an event that constitutes a Potential Repudiation/Moratorium for purposes of the relevant Credit Derivative Transaction has occurred with respect to an Obligation of the relevant Reference Entity but that such event occurred after the Scheduled Maturity Date.

Sub-paragraph (i) above and the immediately preceding paragraph within this definition shall not apply unless the Calculation Agent determines that the relevant DC Resolution referred to therein constitutes an Applicable Resolution.

Repudiation/Moratorium Extension Notice means an irrevocable notice (which may be by telephone) from the Calculation Agent to the Issuer (which the Calculation Agent has the right but not the obligation to deliver) that describes a Potential Repudiation/Moratorium that occurred on or prior to the Scheduled Maturity Date. A Repudiation/Moratorium Extension Notice must contain a description in reasonable detail of the facts relevant to the determination that a Potential Repudiation/Moratorium has occurred and indicate the date of the occurrence. The Potential Repudiation/Moratorium that is the subject of the Repudiation/Moratorium Extension Notice need not be continuing on the date the Repudiation/Moratorium Extension Notice is effective.

Resolve, Resolved, Resolves and Resolving means, with respect to a Credit Derivatives Determinations Committee, the making of a specific determination in accordance with the relevant Rules (and each such determination, a **DC Resolution**).

Restructured Bond or Loan means an Obligation which is a Bond or Loan and in respect of which the Restructuring that is the subject of a Credit Event Notice has occurred.

Restructuring means, with respect to one or more Obligations and in relation to an aggregate amount of not less than the Default Requirement, any one or more of the following events occurs in a form that binds all holders of such Obligation, is agreed between a Reference Entity or a Governmental Authority and a sufficient number of holders of the Obligation to bind all the holders of such Obligation or is announced (or otherwise decreed) by a Reference Entity or a Governmental Authority in a form that binds all holders of such Obligation, and such event is not expressly provided for under the terms of such Obligation in effect as of the later of (i) the Credit Event Backstop Date and (ii) the date as of which such Obligation is issued or incurred:

- (a) a reduction in the rate or amount of interest payable or the amount of scheduled interest accruals;
- (b) a reduction in the amount of principal or premium payable at maturity or at scheduled redemption dates;
- (c) a postponement or other deferral of a date or dates for either (i) the payment or accrual of interest or (ii) the payment of principal or premium;
- (d) a change in the ranking in priority of payment of any Obligation, causing the Subordination of such Obligation to any other Obligation; or
- (e) any change in the currency or composition of any payment of interest or principal to any currency which is not a Permitted Currency.

Notwithstanding the above provisions, none of the following shall constitute a Restructuring:

- (i) the payment in euro of interest or principal in relation to an Obligation denominated in a currency of a member state of the European Union that adopts or has adopted the single currency in accordance with the Treaty establishing the European Community, as amended by the Treaty on European Union;
- (ii) the occurrence of, agreement to or announcement of any of the events described in subparagraphs (a) to (e) above due to an administrative adjustment, accounting adjustment or tax adjustment or other technical adjustment occurring in the ordinary course of business; and
- (iii) the occurrence of, agreement to or announcement of any of the events described in subparagraphs (a) to (e) above in circumstances where such event does not directly or indirectly result from a deterioration in the creditworthiness or financial condition of the Reference Entity.

For purposes of the definition of Restructuring and Condition 9(k) (*Restructuring Credit Event*), the term Obligation shall be deemed to include Underlying Obligations for which the Reference Entity is acting as provider of a Qualifying Affiliate Guarantee or, if All Guarantees is specified as applicable in the applicable Conditions Supplement, as provider of any Qualifying Guarantee. In the case of a Qualifying Guarantee and an Underlying Obligation, references to the Reference Entity in the initial paragraph and sub-paragraphs (a) to (e) of the definition of Restructuring and the definition of Subordination shall be deemed to refer to the Underlying Obligor and the reference to the Reference Entity in the second paragraph of this definition of Restructuring shall continue to refer to the Reference Entity.

Restructuring Date means the date on which a Restructuring is legally effective in accordance with the terms of the documentation governing such Restructuring.

Restructuring Maturity Limitation Date means, with respect to a Deliverable Obligation, the Limitation Date occurring on or immediately following the Scheduled Maturity Date, provided that, in circumstances where the Scheduled Maturity Date is later than the 2.5-year Limitation Date, at least one Enabling Obligation exists. Notwithstanding the foregoing, if the final maturity date of the Restructured Bond or Loan with the latest final maturity date of any Restructured Bond or Loan occurs prior to the 2.5-year Limitation Date (such Restructured Bond or Loan, a **Latest Maturity Restructured Bond or Loan**) and the Scheduled Maturity Date occurs prior to the final maturity date of such Latest Maturity Restructured Bond or Loan, then the Restructuring Maturity Limitation Date will be the final maturity date of such Latest Maturity Restructured Bond or Loan.

In the event that the Scheduled Maturity Date is later than (i)(A) the final maturity date of the Latest Maturity Restructured Bond or Loan, if any, or (B) the 2.5-year Limitation Date, and, in either case, no Enabling Obligation exists or (ii) the 20-year Limitation Date, the Restructuring Maturity Limitation Date will be the Scheduled Maturity Date;

Reversal Cut-off Date has the meaning given in the definition of “Conditions to Settlement” in this Condition 23 (*Definitions*).

(a) In the event that:

- (i) a Reference Obligation in respect of such Reference Entity is redeemed in whole; or
- (ii) in the opinion of the Calculation Agent (A) the aggregate amounts due under any Reference Obligation in respect of such Reference Entity have been materially reduced by redemption or otherwise (other than due to any scheduled redemption, amortisation or prepayments), (B) any Reference Obligation in respect of such Reference Entity is an Underlying Obligation with a Qualifying Guarantee of a Reference Entity and, other than due to the existence or occurrence of a Credit Event, the Qualifying Guarantee is no longer a valid and binding obligation of such Reference Entity enforceable in accordance with its terms, or (C) for any other reason, other than due to the existence or occurrence of a Credit Event, any Reference Obligation in respect of a Reference Entity is no longer an obligation of such Reference Entity,

the Calculation Agent shall identify one or more Obligations to replace such Reference Obligation in respect of a Reference Entity.

- (b) Any Substitute Reference Obligation or Substitute Reference Obligations shall be an Obligation that (i) ranks *pari passu* in priority of payment with the ranking in priority of payment of each of the Substitute Reference Obligations and such Reference Obligation (with the ranking in priority of payment of such Reference Obligation being determined as of the date as of which such Reference Obligation was issued or incurred and not reflecting any change to such ranking in priority of payment after such date), (ii) preserves the economic equivalent, as closely as practicable as determined by the Calculation Agent of the delivery and payment obligations of the Issuer and (iii) is an obligation of the relevant Reference Entity (either directly or as provider of a Qualifying Affiliate Guarantee or, if All Guarantees is specified as applicable in the applicable Conditions Supplement, as provider of any Qualifying Guarantee). The Substitute Reference Obligation or Substitute Reference Obligations identified by the Calculation Agent shall, without further action, replace such Reference Obligation or Reference Obligations.

The Calculation Agent shall notify the Noteholders of any selection of a Substitute Reference Obligation or Substitute Reference Obligations, provided that a failure to give such notice shall not invalidate the selection of the Substitute Reference Obligation(s). Provided that for the purposes of this definition, where the Reference Obligation specified in the applicable Conditions Supplement is a subordinated obligation and such obligation is redeemed in full

on or prior to the Trade Date, the ranking in priority of payment of the Reference Obligation for the purposes of this definition shall be that of such Reference Obligation as of the date on which such Reference Obligation was redeemed in full.

- (c) If more than one specific Reference Obligation is identified as a Reference Obligation in respect of a Reference Entity in relation to a Series, any of the events set forth in subparagraph (a) above has occurred with respect to one or more but not all such Reference Obligations, and the Calculation Agent determines that no Substitute Reference Obligation is available for one or more of such Reference Obligations, each such Reference Obligation for which no Substitute Reference Obligation is available shall cease to be a Reference Obligation.
- (d) If more than one specific Reference Obligation is identified as a Reference Obligation in respect of a Reference Entity in relation to a Series, any of the events set forth in subparagraph (a) above has occurred with respect to all such Reference Obligations, and the Calculation Agent determines that at least one Substitute Reference Obligation is available for any such Reference Obligation, then each such Reference Obligation shall be replaced by a Substitute Reference Obligation and each Reference Obligation for which no Substitute Reference Obligation is available will cease to be a Reference Obligation.
- (e) If:
 - (i) more than one specific Reference Obligation is identified as a Reference Obligation in respect of a Reference Entity in relation to a Series, any of the events set forth in subparagraph (a) above has occurred with respect to all such Reference Obligations and the Calculation Agent determines that no Substitute Reference Obligation is available for any of such Reference Obligations; or
 - (ii) only one specific Reference Obligation is identified as a Reference Obligation in respect of a Reference Entity in relation to a Series, any of the events set forth in subparagraph (a) above has occurred with respect to such Reference Obligation and the Calculation Agent determines that no Substitute Reference Obligation is available for that Reference Obligation, then the Calculation Agent shall continue to attempt to identify a Substitute Reference Obligation until the Extension Date. If (A) either (I) Cash Settlement is specified as the Settlement Method in the applicable Conditions Supplement (or is applicable pursuant to the Fallback Settlement Method in accordance with Condition 9(d) (*Auction Settlement*)) and the Credit Event Redemption Amount is determined by reference to a Reference Obligation or (II) either Auction Settlement or Physical Settlement is specified as the Settlement Method in the applicable Conditions Supplement (or, in the case of Physical Settlement, is applicable pursuant to the Fallback Settlement Method in accordance with Condition 9(d) (*Auction Settlement*)) and, in each case, the Reference Obligation is the only Deliverable Obligation and (B) on or prior to the Extension Date (determined by reference to Greenwich Mean Time (or, if the Transaction Type of the relevant reference Entity is a Japan Corporate or Japan Sovereign (as such terms are defined in the 2005 Matrix Supplement), Tokyo time)), a Substitute Reference Obligation has not been identified, as of the end of the day on the Extension Date, the Issuer shall redeem each Note on the fifth Business Day following the Extension Date at its Final Redemption Amount specified in, or determined in the manner specified in, the applicable Conditions Supplement in the relevant Specified Currency.

- (b) if the relevant Credit Derivatives Determinations Committee Resolves that such event has occurred, (A) with respect to a Reference Entity that is not a Sovereign, the legally effective date of such event or (B) with respect to a Reference Entity that is a Sovereign, the date of the occurrence of such event, the date, as publicly announced by ISDA, that the relevant

 - (iii) if more than one entity each directly or indirectly succeeds to more than twenty five per cent. of the Relevant Obligations of the Reference Entity by way of a Succession Event, and not more than twenty five per cent. of the Relevant Obligations of the Reference Entity remain with the Reference Entity, the entities that succeed to more than twenty five per cent. of the Relevant Obligations will each be a Successor (a) if the Notes are Single Name Credit Linked Notes, in respect of the relevant portion of the Aggregate Nominal Amount of the Notes outstanding as at the date of the Succession Event, (b) if the Notes are First-to-Default Credit Linked Notes or *Nth*-to-Default Credit Linked Notes, in respect of the relevant New Basket and the New Basket Nominal Amount (in each case, as determined in accordance with Condition 9(j) (*Succession Event*)), and these Terms and Conditions and/or the applicable Conditions Supplement will be adjusted as provided below;
 - (iv) if one or more entities each directly or indirectly succeeds to more than twenty five per cent. of the Relevant Obligations of the Reference Entity by way of a Succession Event, and more than twenty five per cent. of the Relevant Obligations of the Reference Entity remain with the Reference Entity, each such entity and the Reference Entity will each be a Successor (a) if the Notes are Single Name Credit Linked Notes, in respect of the relevant portion of the Aggregate Nominal Amount of the Notes outstanding as at the date of the Succession Event, and (b) if the Notes are First-to-Default Credit Linked Notes or *Nth*-to-Default Credit Linked Notes, in respect of the relevant New Basket and the New Basket Nominal Amount in each case, as determined in accordance with Condition 9(j) (*Succession Event*)), and these Terms and Conditions and/or the applicable Conditions Supplement will be adjusted as provided below;

- (v) if one or more entities directly or indirectly succeed to a portion of the Relevant Obligations of the Reference Entity by way of a Succession Event, but no entity succeeds to more than twenty five per cent. of the Relevant Obligations of the Reference Entity and the Reference Entity continues to exist, there will be no Successor and the Reference Entity and the Terms and Conditions will not be changed in any way as a result of the Succession Event; and
 - (vi) if one or more entities directly or indirectly succeed to a portion of the Relevant Obligations of the Reference Entity by way of a Succession Event, but no entity succeeds to more than twenty five per cent. of the Relevant Obligations of the Reference Entity and the Reference Entity ceases to exist, the entity which succeeds to the greatest percentage of Relevant Obligations (or, if two or more entities succeed to an equal percentage of Relevant Obligations, the entity from among those entities which succeeds to the greatest percentage of obligations of the Reference Entity) will be the sole Successor in respect of such Reference Entity for the entire Aggregate Nominal Amount of the Notes outstanding as at the date of the Succession Event; and
- (b) in relation to a Sovereign Reference Entity, each entity which becomes a direct or indirect successor to such Reference Entity by way of Succession Event, irrespective of whether any such successor assumes any of the obligations of such Reference Entity, will become a Successor in respect of such Sovereign Reference Entity for the entire Aggregate Nominal Amount of the Notes outstanding as at the date of the Succession Event.

For the purposes of this definition of “Successor”, **succeed** means, with respect to a Reference Entity and its Relevant Obligations (or, as applicable, obligations), that a party other than such Reference Entity (i) assumes or becomes liable for such Relevant Obligations (or, as applicable, obligations) whether by operation of law or pursuant to any agreement or (ii) issues Bonds that are exchanged for Relevant Obligations (or, as applicable, obligations), and in either case such Reference Entity is no longer an obligor (primarily or secondarily) or guarantor with respect to such Relevant Obligations (or, as applicable, obligations). The determinations required pursuant to sub-paragraph (a) of this definition of “Successor” shall be made, in the case of an exchange offer, on the basis of the Outstanding Principal Balance of Relevant Obligations tendered and accepted in the exchange and not on the basis of the Outstanding Principal Balance of Bonds for which Relevant Obligations have been exchanged.

Where:

- (A) a Reference Obligation is specified in the applicable Conditions Supplement; and
- (B) one or more Successors to the Reference Entity have been identified; and
- (C) any one or more such Successors have not assumed the Reference Obligation,

a Substitute Reference Obligation will be determined in accordance with the definition of “Substitute Reference Obligation” above.

Where pursuant to sub-paragraph (a)(iii) or (a)(iv), more than one Successor has been identified, the Calculation Agent shall adjust such of these Terms and Conditions and/or the applicable Conditions Supplement as it shall determine to be appropriate to reflect that the relevant Reference Entity has been succeeded by more than one Successor and shall determine the effective date of that adjustment. The Calculation Agent shall be deemed to be acting in a commercially reasonable manner if it adjusts these Terms and Conditions and/or the applicable Conditions Supplement in such a manner as to reflect the adjustment to and/or division of any credit derivative transaction(s) related to or underlying the Notes under the provisions of the 2003 ISDA Credit Derivatives Definitions. For the avoidance of doubt, Noteholder's consent shall not be required in respect of such adjustment(s) made by the Calculation Agent.

Upon the Calculation Agent making such adjustment, the Issuer shall give notice as soon as reasonably practicable to Noteholders in accordance with Condition 17 (*Notices*), stating the adjustment to these Terms and Conditions and/or the applicable Conditions Supplement and giving brief details of the relevant Succession Event.

RESPONSIBILITY

The Issuer accepts responsibility for the information contained in this Conditions Supplement.

Acceptance on behalf of the
Issuer of the terms of the Conditions Supplement

For and on behalf of

DBS BANK LTD.

By.....

SUBSCRIPTION PROCEDURES

Unless otherwise specified in the applicable Issue Document, the Issuer will sell Notes directly to the investors of the Notes.

DBS Bank Ltd. has been appointed by the Issuer as an initial Dealer under the Programme. Other Dealers may be appointed from time to time in respect of any issue of Notes. DBS Bank Ltd., in its capacity as a Dealer, may be the initial subscriber for the entire issue of any Notes on the relevant issue date.

DBS Bank Ltd. may on its own or, together with any other Dealer(s) and any Market Agent, enter into arrangements with one or more other Distributors in connection with each issue of Notes for the purpose of the on-sale of such Notes. DBS Bank Ltd. may pay a Distributor certain commissions calculated by reference to the amount of Notes on-sold by such Distributor.

In order to invest in the Notes, the investor must have, or open an account in connection with his investment in the Notes with DBS Bank Ltd. or the relevant Distributor (where applicable) or otherwise have existing arrangements in place for such Notes to be held in custody with an accountholder (or indirect accountholder) of Euroclear, Clearstream, Luxembourg or CDP.

Where a Distributor has been appointed in connection with any Series of Notes

Where DBS Bank Ltd. has entered into arrangements with one or more Distributors in relation to any Series of Notes, the identities and respective contact details of the Distributor(s), if applicable, will be included in the applicable Issue Document and will also be made available to prospective investors upon request at the office of the Arranger in Singapore (the address of which is set out in the section on "Corporate Information" in this Offering Circular) during normal business hours on any weekday for so long as any Notes remain outstanding.

Prospective investors are advised that arrangements for the purchase by them of any Notes as part of the initial issue of a Series of Notes (including, without limitation, arrangements regarding the time and method of payment of the purchase price for any Notes, the amount of the charges to be levied by a Distributor, the opening and closing period (if any) for placing an order for any Notes and the arrangements for refund or payment of additional sums) will be as separately agreed between the prospective investors and the relevant Distributor and will be subject to the relevant Distributor's Terms and Conditions relating to such arrangements. Each Distributor may impose different arrangements relating to the purchase of Notes and prospective investors should contact the relevant Distributor for information relating to such arrangements.

It is important that prospective investors familiarise themselves with, and ensure that they understand and accept, the Terms and Conditions imposed by the relevant Distributor.

BUY BACK ARRANGEMENTS

The applicable Issue Document will describe the buy back arrangements (if any) to be implemented in connection with an issue of Notes, including the identity of the Market Agent who will conduct such buy back activities and the extent thereof. Investors are therefore advised to read the applicable Issue Document for a description of the circumstances (if any) in which they will be able to sell their Notes, or if applicable, purchase further Notes, after the relevant issue date. The buy back arrangements (if any) will be conducted by the Market Agent in compliance with applicable laws and regulations.

The Market Agent, if specified in the applicable Issue Document, intends, but is under no obligation to, buy back Notes. In this capacity, it intends to quote, on a best efforts basis, a price at which it is willing to purchase Notes. The prices quoted by the Market Agent will be by reference to one Note and will be expressed as a percentage of the principal amount of one Note. Prices quoted by the Market Agent will be determined by the Market Agent in its absolute discretion. Such prices, and the trading value of Notes, may be equal to, higher or lower than the Issue Price (as specified in the applicable Issue Document) of such Notes, and will vary depending on many factors.

These buy back arrangements, if specified in the applicable Issue Document, are on a reasonable efforts basis and do not assure liquidity for Notes. There can be no assurance that the Market Agent will buy back Notes, or if it does so, that it will continue to do so. Accordingly, there can be no assurance that investors will have access to a firm buy back price for Notes in a principal amount which investors may wish to sell.

WHERE NOTES ARE HELD AND TRADED THROUGH A CLEARING SYSTEM

Notes may be held and traded through Euroclear, Clearstream, Luxembourg and/or CDP and/or such other Clearing System, as specified in the applicable Issue Document. For the purpose of payments and notices made by the Issuer to Noteholders of such Notes, such payments and notices will be given to the relevant Clearing System for communication and delivery to entitled accountholders. For the purpose of payments and notices made by the Noteholders of such Notes to the Issuer, such payments and notices will be given by entitled accountholders of the relevant Clearing System for communication and delivery to the Issuer. Where applicable, the relevant Distributor or other custody provider (as a direct or an indirect participant to the relevant Clearing System), where applicable, will be the accountholder for the purpose of such payments and notices. Accordingly, investors will have to rely on the relevant Distributor or other custody provider, where applicable, to credit or debit their respective account with payments credited or debited to it, to distribute to them notices which it receives through the Clearing System from the Issuer, to make any payments and/or give any notices required to be made/given to the Issuer.

The relevant Distributor is required to assess whether any Notes are a suitable investment for the investors and explain the features of such Notes and the risks arising from an investment in such Notes.

Prospective investors should note that, where Notes are represented by Global Notes held through Euroclear, Clearstream, Luxembourg and/or CDP and/or such other Clearing System as specified in the applicable Issue Document, the term “Noteholders” shall mean the persons shown in the records of Euroclear or Clearstream, Luxembourg and/or CDP and/or such other Clearing System as specified in the applicable Issue Document, as the case may be, as a holder of such Notes. The investors are not “Noteholders” in this context. The terms “you”, “investors” or “prospective investors” used in this Offering Circular have been used to describe the investors purchasing Notes from or through a Distributor or directly from the Issuer, as the case may be.

CUSTODY ARRANGEMENTS

Bearer Notes in definitive form will not be issued to individual holders of Notes (except in very limited circumstances as described in the section on “Summary of the Programme — Form of Notes” in this Offering Circular). However, Registered Notes in definitive form may be issued to individual holders of Notes. In the case of Bearer Notes or (where definitive Notes are not issued) Registered Notes cleared through a Clearing System, Global Notes representing the total principal amount of each Series of Notes will instead on the issue date of the relevant series of Notes be, in the case of Bearer Notes, deposited with a common depositary or any other depositary or, in the case of Registered Notes, registered in the name of a common nominee or any other nominee for Euroclear, Clearstream, Luxembourg and/or CDP and/or such other Clearing System as specified in the applicable Issue Document. A Noteholder’s interest in Notes, whilst such Notes are represented by a Global Note, will be credited to the accounts of the relevant Distributor or other custody provider, where applicable, with Euroclear, Clearstream, Luxembourg and/or CDP and/or such other Clearing System. For as long as any such Notes are represented by a Global Note held through a Clearing System, the relevant Distributor or other custody provider, where applicable, which is a direct participant of the relevant Clearing System, will be treated as the holder of such Notes. Distributors, if appointed, which are not direct participants of the relevant Clearing System will need to look to other entities which are direct participants of such system in respect of any rights under any Notes. See the section on “Settlement, Clearance and Custody” in this Offering Circular.

SETTLEMENT, CLEARANCE AND CUSTODY

Holding Notes through a Clearing System: Settlement and Clearance of Notes within Euroclear and Clearstream, Luxembourg or CDP

Notes may be held through Euroclear and Clearstream, Luxembourg, two large international Clearing Systems for securities, or CDP (as described below). Custodial and depositary links have been established with Euroclear and Clearstream, Luxembourg to facilitate the initial issue of Notes and cross-market transfers of Notes associated with secondary market trading. In respect of each Series of Notes, the applicable Issue Document will specify whether Notes are to be held through Euroclear and Clearstream, Luxembourg and/or CDP (as described below).

Euroclear and Clearstream, Luxembourg

Euroclear and Clearstream, Luxembourg each holds securities for participating organisations and facilitates the clearance and settlement of securities transactions between their respective participants through electronic book-entry changes in accounts of such participants, thereby eliminating the need for physical movements of certificates and any risks from lack of simultaneous transfer. Euroclear and Clearstream, Luxembourg provide to their respective participants, among other things, services for safekeeping, administration, clearance and settlement of internationally-traded securities and securities lending and borrowing. Euroclear and Clearstream, Luxembourg each also deals with domestic securities markets in several countries through established depositary and custodial relationships. The respective systems of Euroclear and Clearstream, Luxembourg have established an electronic bridge between their two systems which enables their respective participants to settle trades with each other. Euroclear and Clearstream, Luxembourg participants are financial institutions throughout the world, including underwriters, securities brokers and dealers, banks, trust companies, clearing corporations and certain other organisations. Indirect access to Euroclear or Clearstream, Luxembourg is also available to others, such as banks, brokers, dealers and trust companies which clear through or maintain a custodial relationship with a Euroclear or Clearstream, Luxembourg participant, either directly or indirectly.

A participant's overall contractual relations with either Euroclear or Clearstream, Luxembourg are governed by the respective rules and operating procedures of Euroclear or Clearstream, Luxembourg and any applicable laws. Both Euroclear and Clearstream, Luxembourg act under those rules and operating procedures only on behalf of their respective participants, and have no record of, or relationship with, persons holding any interest through their respective participants. Distributions of principal with respect to book-entry interests in the Notes held through Euroclear and Clearstream, Luxembourg will be credited, to the extent received by the Fiscal and Paying Agent, to the cash accounts of Euroclear or Clearstream, Luxembourg participants in accordance with the relevant system's rules and procedures.

The Central Depository (Pte) Limited (CDP)

In respect of Notes which are accepted for clearance by CDP in Singapore (subject to the agreement of CDP and any restrictions or conditions as specified in the relevant Conditions Supplement), clearance will be effected through an electronic book-entry clearance and settlement system for the trading of debt securities (the **Depository System**) maintained by CDP. CDP, a wholly-owned subsidiary of the SGX-ST, is incorporated under the laws of Singapore and acts as a depositary and clearing organisation. CDP holds securities for its accountholders and facilitates the clearance and settlement of securities transactions between accountholders through electronic book-entry changes in the securities accounts maintained by such accountholders with CDP.

Clearance and Settlement under the Depository System

In respect of Notes which are accepted for clearance by CDP, the entire issue of the Notes is to be held by CDP in the form of a global note for persons holding such Notes in securities accounts with CDP (the **Depositors**). Delivery and transfer of Notes between Depositors is by electronic book-entries in the records of CDP only, as reflected in the securities accounts of Depositors. Although CDP encourages settlement on the third business day following the trade date of debt securities, market participants may mutually agree on a different settlement period if necessary.

Settlement of over-the-counter trades in Notes through the Depository System may only be effected through certain corporate depositories approved by CDP under the Companies Act, Chapter 50 of Singapore (**Depository Agents**), to maintain securities sub-accounts and to hold Notes in such securities sub-accounts for themselves and their clients. Accordingly, Notes for which trade settlement is to be effected through the Depository System must be held in securities sub-accounts with Depository Agents. Depositors holding Notes in direct securities accounts with CDP, and who wish to trade Notes through the Depository System, must transfer such Notes to be traded from such direct securities accounts to a securities sub-account with a Depository Agent for trade settlement.

General

CDP is not involved in money settlement between Depository Agents (or any other persons) as CDP is not a counterparty in the settlement of trades of debt securities. However, CDP will make payment of interest and repayment of principal on behalf of issuers of debt securities.

Although CDP has established procedures to facilitate transfer of interests in the Notes in global form among Depositors, it is under no obligation to perform or continue to perform such procedures, and such procedures may be discontinued at any time. None of the Issuer, the Fiscal and Paying Agent or any other agent will have the responsibility for the performance by CDP of its obligations under the rules and procedures governing its operations.

Investors should note that they are required to bear all the fees and charges for custodial, transfer, clearing and other services charged by the relevant Clearing System, a custody provider and/or a Distributor (where applicable) for the holding, transfer or redemption of Notes. Investors should contact the relevant Distributor or other custody provider (where applicable) for further details of these fees and charges.

Selling Notes through a Clearing System: Trading between Euroclear and/or Clearstream, Luxembourg participants or CDP

Secondary market sales of book-entry interests in the Global Notes will be conducted in accordance with the normal rules and operating procedures of Euroclear, Clearstream, Luxembourg or CDP, as the case may be. None of Euroclear, Clearstream, Luxembourg or CDP is under any obligation to perform or continue to perform such procedures, and such procedures may be discontinued at any time. None of the Issuer, the Arranger or any Distributor will have any responsibility for the performance by Euroclear, Clearstream, Luxembourg, CDP or their respective direct or indirect participants or accountholders of their respective obligations under the rules and procedures governing their operations.

Custody

Global Notes cleared through a Clearing System will be deposited with either (a) a common depository or any other depository on behalf of Euroclear and Clearstream, Luxembourg or (b) a Depository Agent for CDP (and, in the case of Registered Global Notes, registered in the name of such common depository, other depository or Depository Agent). Further because settlement and clearance facilities will be provided by Euroclear, Clearstream, Luxembourg or CDP, investors must make arrangements for their Notes to be held in custody with an accountholder (or indirect accountholder) of Euroclear, Clearstream, Luxembourg or CDP, as the case may be. On issue, Notes may be subscribed by the Dealer(s) and sold and delivered by such Dealer(s) to the Distributor(s). In order to apply for Notes an investor must have, or open, a cash account and an investment account with DBS Bank Ltd.. (where Notes are purchased directly from the Issuer) or a Distributor which will be an accountholder (or indirect accountholder) of Euroclear, Clearstream, Luxembourg or CDP. DBS Bank Ltd. and the Distributors (where appointed) will charge a fee for the opening and operation of the investment account. Most banks and securities dealers in Singapore maintain, or have access to, an account with Euroclear, Clearstream, Luxembourg or CDP through which Notes may be held or transferred following their issue.

Investment accounts and other custodian arrangements with respect to any Notes will be supplied by the Distributor(s) (or other custody provider) subject to their standard Terms and Conditions for the provision of such services. Neither the Issuer nor the Arranger accepts any responsibility for the provision of such services or for any consequences of, or arising from, the use by the investors of such investment account or custody services.

Holding Notes other than through a Clearing System

Please refer to the respective sections on “Form of the Notes – Registered Notes - Where Registered Notes are not cleared through a Clearing System”, “Form of the Notes – Transfer of Interests in Global Notes - Where Notes are not cleared through a Clearing System” and “Form of the Notes – General - Where Notes are not cleared through a Clearing System” in this Offering Circular for the description of the applicable arrangements that apply to the holding of Notes when they are not cleared through a Clearing System.

SINGAPORE TAXATION

The statements below are general in nature and are based on certain aspects of current tax laws in Singapore and administrative guidelines issued by the Authority in force as at the date of this Offering Circular and are subject to any changes in such laws or administrative guidelines, or the interpretation of those laws or guidelines, occurring after such date, which changes could be made on a retroactive basis. Neither these statements nor any other statements in this Offering Circular are intended or are to be regarded as advice on the tax position of any Noteholder or of any person acquiring, selling or otherwise dealing with the Notes or on any tax implications arising from the acquisition, sale or other dealings in respect of the Notes. The statements made herein do not purport to be a comprehensive or exhaustive description of all the tax considerations that may be relevant to a decision to subscribe for, purchase, own or dispose of the Notes and do not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or financial institutions in Singapore which have been granted the relevant Financial Sector Incentive(s)) may be subject to special rules or tax rates. Prospective holders of the Notes are advised to consult their own tax advisers as to the Singapore or other tax consequences of the acquisition, ownership of or disposition of the Notes, including, in particular, the effect of any foreign, state or local tax laws to which they are subject. It is emphasized that none of the Issuer, the Arranger and any other persons involved in the Programme accepts responsibility for any tax effects or liabilities resulting from the subscription for, purchase, holding or disposal of the Notes.

1. Interest and other payments

Subject to the following paragraphs, under section 12(6) of the ITA, the following payments are deemed to be derived from Singapore:

- (a) any interest, commission, fee or any other payment in connection with any loan or indebtedness or with any arrangement, management, guarantee or service relating to any loan or indebtedness which is (i) borne, directly or indirectly, by a person resident in Singapore or a permanent establishment in Singapore (except in respect of any business carried on outside Singapore through a permanent establishment outside Singapore or any immovable property situated outside Singapore) or (ii) deductible against any income accruing in or derived from Singapore; or
- (b) any income derived from loans where the funds provided by such loans are brought into or used in Singapore.

Such payments, where made to a person not known to the paying party to be a resident in Singapore for tax purposes, are generally subject to withholding tax in Singapore. The rate at which tax is withheld for such payments (other than those subject to the 15% final withholding tax described below) to non-resident persons (other than non-resident individuals) is 17% with effect from the year of assessment 2010. The applicable rate for non-resident individuals is 20%. However, if the payment is derived by a person not resident in Singapore otherwise than from any trade, business, profession or vocation carried on or exercised by such person in Singapore and is not effectively connected with any permanent establishment in Singapore of that person, the payment is subject to a final withholding tax of 15%. The rate of 15% may be reduced by applicable tax treaties.

Certain Singapore-sourced investment income derived by individuals from financial instruments is exempt from tax, including:

- (a) interest from debt securities derived on or after 1 January 2004;
- (b) discount income (not including discount income arising from secondary trading) from debt securities derived on or after 17 February 2006; and
- (c) prepayment fee, redemption premium and break cost from debt securities derived on or after 15 February 2007,

except where such income is derived through a partnership in Singapore or is derived from the carrying on of a trade, business or profession in Singapore.

Withholding tax exemption on qualifying payments by specified entities

Pursuant to the Income Tax (Exemption of Interest and Other Payments for Economic and Technological Development) Notification 2012, a qualifying payment which is made to a person who is neither resident in Singapore nor a permanent establishment in Singapore by a specified entity shall be exempt from tax if the qualifying payment is liable to be made by such specified entity for the purpose of its trade or business under a debt security which is issued within the period from 1 April 2011 to 31 March 2021. A specified entity includes a bank licensed under the Banking Act, Chapter 19 of Singapore or approved under the Monetary Authority of Singapore Act, Chapter 186 of Singapore.

For the above purpose, the term “qualifying payment” means:

- (i) any interest, commission, fee or other payment; or
- (ii) any income derived from loans,

which is deemed under Section 12(6) of the ITA to be derived from Singapore.

Pursuant to the Singapore Budget Statement 2012 and the MAS Circular FDD Cir 01/2012 published by the Authority on 21 February 2012, it was announced that the above withholding tax exemption has been enhanced to include qualifying payments liable to be made to a permanent establishment in Singapore of a non-resident person by a specified entity for the purpose of its trade or business under a debt security which is issued within the period from 17 February 2012 to 31 March 2021. Notwithstanding the above, these permanent establishments in Singapore of non-resident persons are required to declare such payments in their annual income tax returns and will be assessed to tax on such payments (unless specifically exempt from tax).

Qualifying Debt Securities Scheme

In addition, as the Programme is arranged as a whole by DBS Bank Ltd., which is a Financial Sector Incentive (Bond Market) Company (as defined in the ITA), any tranche of the Notes which are debt securities issued under the Programme during the period from the date of this Offering Circular to 31 December 2013 (the **Relevant Notes**) would be “**qualifying debt securities**” for the purposes of the ITA, to which the following treatment shall apply:

- (i) subject to certain conditions having been fulfilled (including the furnishing by the Issuer, or such other person as the Comptroller of Income Tax in Singapore (the **Comptroller**) may direct, of a return on debt securities for the Relevant Notes within such period as the Comptroller may specify and such other particulars in connection with the Relevant Notes as the Comptroller may require to the Comptroller and the Authority, and the inclusion by the Issuer in all offering documents relating to the Relevant Notes of a statement to the effect that where interest, discount income, prepayment fee, redemption premium or break cost from the Relevant Notes is derived by a person who is not resident in Singapore and who carries on any operation in Singapore through a permanent establishment in Singapore, the tax exemption for qualifying debt securities shall not apply if the non-resident person acquires the Relevant Notes using funds from that person’s operations through the Singapore permanent establishment), interest, discount income (not including discount income arising from secondary trading), prepayment fee, redemption premium and break cost (collectively, the **Qualifying Income**) from the Relevant Notes, derived by a Noteholder who is not resident in Singapore and who (aa) does not have any permanent establishment in Singapore, or (bb) carries on any operation in Singapore through a permanent establishment in Singapore but the funds used by that person to acquire the Relevant Notes are not obtained from such person’s operation of the Singapore permanent establishment, are exempt from Singapore tax;
- (ii) subject to certain conditions having been fulfilled (including the furnishing by the Issuer, or such other person as the Comptroller may direct, of a return on debt securities for the Relevant Notes within such period as the Comptroller may specify and such other particulars in connection with the Relevant Notes as the Comptroller may require to the Comptroller and the Authority), Qualifying

Income from the Relevant Notes derived by any company or a body of persons (as defined in the ITA) in Singapore is subject to income tax at a concessionary rate of 10% (except for holders of the relevant Financial Sector Incentive(s) who may be taxed at different rates); and

(iii) subject to:

- (aa) the Issuer including in all offering documents relating to the Relevant Notes a statement to the effect that any person whose interest, discount income, prepayment fee, redemption premium or break cost derived from the Relevant Notes is not exempt from tax shall declare and include such income in a return of income made under the ITA; and
- (ab) the Issuer, or such other person as the Comptroller may direct, furnishing to the Comptroller and the Authority a return on debt securities for the Relevant Notes within such period as the Comptroller may specify and such other particulars in connection with the Relevant Notes as the Comptroller may require,

payments of Qualifying Income derived from the Relevant Notes are not subject to withholding of tax by the Issuer.

However, notwithstanding the foregoing:

- (A) if during the primary launch of any tranche of Relevant Notes, the Relevant Notes of such tranche are issued to fewer than four persons and 50% or more of the issue of such Relevant Notes is beneficially held or funded, directly or indirectly, by related parties of the Issuer, such Relevant Notes would not qualify as “qualifying debt securities”; and
- (B) even though a particular tranche of Relevant Notes are “qualifying debt securities”, if, at any time during the tenure of such tranche of Relevant Notes, 50% or more of the issue of such Relevant Notes is held beneficially or funded, directly or indirectly, by any related party(ies) of the Issuer, Qualifying Income derived from such Relevant Notes held by:
 - (i) any related party of the Issuer; or
 - (ii) any other person where the funds used by such person to acquire such Relevant Notes are obtained, directly or indirectly, from any related party of the Issuer,

shall not be eligible for the tax exemption or concessionary rate of tax as described above.

The term “related party”, in relation to a person, means any other person who, directly or indirectly, controls that person, or is controlled, directly or indirectly, by that person, or where he and that other person, directly or indirectly, are under the control of a common person.

The terms “break cost”, “prepayment fee” and “redemption premium” are defined in the ITA as follows:

“break cost”, in relation to debt securities and qualifying debt securities, means any fee payable by the issuer of the securities on the early redemption of the securities, the amount of which is determined by any loss or liability incurred by the holder of the securities in connection with such redemption;

“prepayment fee”, in relation to debt securities and qualifying debt securities, means any fee payable by the issuer of the securities on the early redemption of the securities, the amount of which is determined by the terms of the issuance of the securities; and

“redemption premium”, in relation to debt securities and qualifying debt securities, means any premium payable by the issuer of the securities on the redemption of the securities upon their maturity.

References to “break cost”, “prepayment fee” and “redemption premium” in this Singapore tax disclosure have the same meaning as defined in the ITA.

Notwithstanding that the Issuer is permitted to make payments of interest, discount income, prepayment fee, redemption premium and break cost in respect of the Relevant Notes without deduction or withholding for tax under Section 45 or Section 45A of the ITA, any person whose interest, discount income, prepayment fee, redemption premium or break cost derived from the Relevant Notes is not exempt from tax is required to declare and include such income in a return of income made under the ITA.

The QDS Plus Scheme has also been introduced as an enhancement of the Qualifying Debt Securities Scheme. Under the QDS Plus Scheme, subject to certain conditions having been fulfilled (including the submission by the issuer or such other person as the Comptroller may direct, of a return on debt securities in respect of the qualifying debt securities within such period as the Comptroller may specify and such other particulars in connection with the qualifying debt securities as the Comptroller may require to the Comptroller and the Authority), income tax exemption is granted on interest, discount income (not including discount income arising from secondary trading), prepayment fee, redemption premium and break cost derived by any investor from qualifying debt securities (excluding Singapore Government Securities) which:-

- (a) are issued during the period from 16 February 2008 to 31 December 2013;
- (b) have an original maturity of not less than 10 years;
- (c) cannot be redeemed, called, exchanged or converted within 10 years from the date of their issue; and
- (d) cannot be re-opened with a resulting tenure of less than 10 years to the original maturity date.

However, even if a particular tranche of the Relevant Notes are “qualifying debt securities” which qualify under the QDS Plus Scheme, if, at any time during the tenure of such tranche of Relevant Notes, 50% or more of the issue of such Relevant Notes is held beneficially or funded, directly or indirectly, by any related party(ies) of the Issuer, interest, discount income, prepayment fee, redemption premium or break cost from such Relevant Notes derived by:

- (i) any related party of the Issuer; or
- (ii) any other person where the funds used by such person to acquire such Relevant Notes are obtained, directly or indirectly, from any related party of the Issuer,

shall not be eligible for the tax exemption under the QDS Plus Scheme as described above.

2. Capital gains

Any gains considered to be in the nature of capital made from the sale of the Notes will not be taxable in Singapore. However, any gains derived by any person from the sale of the Notes which are gains from any trade, business, profession or vocation carried on by that person, if accruing in or derived from Singapore, may be taxable as such gains are considered revenue in nature.

Holders of the Notes who apply or who are required to apply FRS 39—*Financial Instruments: Recognition and Measurement* (**FRS 39**) for Singapore income tax purposes may be required to recognize gains or losses (not being gains or losses in the nature of capital) on the Notes, irrespective of disposal, in accordance with FRS 39. Please see the section below on “Adoption of FRS 39 treatment for Singapore income tax purposes”.

3. Adoption of FRS 39 treatment for Singapore income tax purposes

The Inland Revenue Authority of Singapore has issued a circular entitled “Income Tax Implications Arising from the Adoption of FRS 39—*Financial Instruments: Recognition and Measurement*” (the **FRS 39 Circular**). The ITA has since been amended to give legislative effect to the FRS 39 Circular. The FRS 39 Circular generally applies, subject to certain “opt-out” provisions, to taxpayers who are required to comply with FRS 39 for financial reporting purposes.

Holders of the Notes who may be subject to the tax treatment under the FRS 39 Circular should consult their own accounting and tax advisers regarding the Singapore income tax consequences of their acquisition, holding or disposal of the Notes.

4. Estate duty

Singapore estate duty has been abolished with respect to all deaths occurring on or after 15 February 2008.

Strategy

DBSH is focused on building an Asian commercial bank to capture growth opportunities in the region. DBSH’s strategic intent is to be “The Asian Bank of Choice for the New Asia”. To this end, it has embarked on the following strategy to strengthen its growing presence in key Asian markets as follows:

Entrench leadership in Singapore

DBSH will continue to leverage its position of strength in Singapore. It will focus on growing customer assets, particularly in the retail and SME banking businesses. It will also intensify cross-selling efforts across all customer segments and leverage its mass-market consumer franchise.

Re-energize Hong Kong

In Hong Kong, DBSH will continue to strengthen its franchise through a defined customer segmentation strategy by offering targeted financial products and services to corporates, SMEs and affluent individuals. DBSH also seeks to capture China-related trade and capital flows, including RMB-denominated products, through its Hong Kong franchise.

Re-balance the geographic mix of business

DBSH is seeking to diversify its geographic mix and expects the growth markets of China, Taiwan, India and Indonesia to account for an increasing proportion of its revenues and earnings over time. It will pursue growth in these markets by expanding its network to focus on corporates, SMEs and affluent individuals.

Build a leading SME banking business

DBSH is focused on building a regional SME platform by offering SMEs, whose role in intra-Asia trade flows is increasing, a seamless banking experience across its markets and a product suite complementary to their needs, by leveraging DBSH's network and local insights.

Strengthen wealth proposition

DBSH is strengthening its wealth management product offerings to meet the needs of Asia's growing affluent population. Leveraging its network and strong capital position, DBSH offers customers wealth management products that will enable them to benefit from Asia's rising prosperity.

Build out Global Transaction Services ("GTS") and Treasury & Markets capabilities across the region

As intra-Asia trade grows, DBSH believes that the need for transaction services will also increase. DBSH is investing in its GTS offerings to enable it to capture a portion of transaction revenues in Asia such as cash management services, trade finance, commodity finance and securities and fiduciary services offerings. DBSH is also strengthening its T&M offerings to widen the offerings available to its corporate and affluent clients across Asia.

Improve internal processes to underpin DBSH's geographic and regional business strategies

DBSH seeks to build a customer-centric organization by placing customers at the heart of the DBS banking experience. It is standardizing and creating a consistent set of management processes across its network. It is also focused on people development by grooming talent and creating opportunities for employees to develop and grow within the organization.
