- This publication is not and does not constitute or form part of any offer, recommendation, invitation or solicitation to subscribe to or to enter into any transaction; nor is it calculated to invite, nor does it permit the making of offers to the public to subscribe to or enter into any transaction, and should not be viewed as such. This publication is not intended to provide, and should not be relied upon for accounting, legal or tax advice or investment recommendations and is not to be taken in substitution for the exercise of judgment by the reader, who should obtain separate legal or financial advice. Neither DBS nor its related companies or affiliates

act as an adviser or assume any fiduciary responsibility or liability for any consequences financial or otherwise.

- This publication does not have regard to the specific investment objectives, financial situation or particular needs of any specific person. Before entering into any transaction or making a commitment to purchase any product mentioned in this publication, the reader should take steps to ensure that the reader understands the transaction and has made an independent assessment of the appropriateness of the transaction in the light of the reader's own objectives and circumstances. In particular, the reader should read all relevant documentation pertaining to the product (including but not limited to product sheets, prospectuses or other similar or equivalent offer or issue documents, as the case may be) and may wish to seek advice from a financial or other professional adviser or make such independent investigations as the reader considers necessary or appropriate for such purposes. If the reader chooses not to do so, the reader should consider carefully whether any product mentioned in this publication is suitable for him.
- The information and opinions contained in this publication has been obtained from sources believed to be reliable and by publishing and/or distributing this publication neither DBS nor its related companies or affiliates make any representation or warranty as to its adequacy, completeness, accuracy or timeliness for any particular purpose. Investment involves risks. The risk of loss from investment can be substantial and may even result in losses in the principal amount. Opinions and estimates are subject to change without notice. Any past performance, projection, forecast or simulation of results is not necessarily indicative of the future or likely performance of any investment. There is no assurance that the credit ratings of any securities mentioned in this publication will remain in effect for any given period of time or that such ratings will not be revised, suspended or withdrawn in the future if, in the relevant credit rating agency's judgment, the circumstances so warrant. The value of any product and any income accruing to such product may rise as well as fall. In addition, the prices of stocks fluctuate, sometimes dramatically. The price of a stock may move up or down and may become valueless. It is as likely that losses will be incurred rather than profits made as a result of buying or selling stocks. Foreign exchange transactions involve risks. The reader should note that fluctuations in foreign exchange rates may result in losses in foreign exchange. Neither DBS nor its related companies or affiliates accept any liability whatsoever for any direct indirect or consequential losses or damages arising from or in connection with the use or reliance of this publication or its contents.
- DBS, its related companies or affiliates, their respective directors and/or employees may have positions or other interests in, and may effect transactions in the product(s) mentioned in this publication. DBS or its related companies or affiliates may have alliances or other contractual agreements with the provider(s) of the product(s) to market or sell its product(s). Where any DBS's related company is the product provider, such related company may be receiving fees from investors. In addition and subject to regulatory approval, DBS, its related companies or affiliates, their respective directors and/or employees may also perform or seek to perform broking, investment banking and other banking or financial services for these product providers.
